Island of the Blue Dolphins Scott O'Dell,1960 Far off the coast of California looms a harsh rock known as the island of San Nicholas. Dolphins flash in the blue waters around it, sea otter play in the vast kelp beds, and sea elephants loll on the stony beaches. Here, in the early 1800s, according to history, an Indian girl spent eighteen years alone, and this beautifully written novel is her story. It is a romantic adventure filled with drama and heartache, for not only was mere subsistence on so desolate a spot a near miracle, but Karana had to contend with the ferocious pack of wild dogs that had killed her younger brother, constantly guard against the Aleutian sea otter hunters, and maintain a precarious food supply. More than this, it is an adventure of the spirit that will haunt the reader long after the book has been put down. Karana's quiet courage, her Indian self-reliance and acceptance of fate, transform what to many would have been a devastating ordeal into an uplifting experience. From loneliness and terror come strength and serenity in this Newbery Medal-winning classic.

The Blue Dolphin Robert Barnes,1994 Based on today's scientific understanding of dolphin life, this inspirational novel tells the story of Boji, an exceptional dolphin whose great self-reliance and love of learning propel him into many exciting and poignant adventures. The Blue Crayon Terry Luce,2016-09-24 While reading *The Blue Crayon*, a book for both children and adults, you'll experience this heartwarming journey, and you will fall in love with a ten-year-old little girl named Gabby Damon, who has not said a word in over five years. She is diagnosed with autism, and Gabby's doctors prescribe over twenty pills a day and use her to experiment with other types of medications. Her parents are so frustrated by the intake of these meds. Gabby's mother turns to the Internet to find help for her daughter. She finds the Dolphin Universe in Florida. Doctor Roth, who started working with dolphins in Vietnam, is now treating children in Florida, using dolphin therapy as a means to unlock the energy sources trapped in the minds of children of all ages. Now he works with children from all over the world and has amazing results. As she works with Doctor Roth's lead dolphin, Lucas, Gabby's parents and others get a little more than what they bargained for. Gabby has drawn the exact same drawings that Doctor Roth drew over forty years ago, along with five other drawings in great detail, messages leading to biblical and government secrets and a date (in blue crayon) that scholars and government officials are baffled and afraid to share with anyone. Today, every time we turn on the news or read the papers, we read stories of special-needs children's heartwarming and others heartbreaking. We hear of some great stories using new technology or using new meds, but using simple sessions with dolphins, Gabby and *The Blue Crayon* give hope for children who suffer from autism and PTSD.

Island of the Blue Dolphins Scott O'Dell,O'Dell Scott,1996-05-02 In the Pacific there is an island that looks like a big fish sunning itself in the sea. Around it, blue dolphins swim, otters play, and sea elephants and sea birds abound. Once, Indians also lived on the island. And when they left and sailed to the east, one young girl was left behind. This is the story of Karana, the Indian girl who lived alone for years on the *Island of the Blue Dolphins*. Year after year, she watched one season pass into another and waited for a ship to take her away. But while she waited, she kept herself alive by building a shelter, making weapons, finding food, and fighting her enemies, the wild dogs. It is not only an unusual adventure of survival, but also a tale of natural beauty and personal discovery. From the Paperback edition.

Rich with loyalties and betrayals, it is a harrowing, yet ultimately uplifting story of endurance and love. 1944 Greece: After Nefeli loses her husband during the Italian invasion of Greece in 1940, she ekes out a meager living from her Blue Dolphin taverna with the help of her eight-year-old-daughter, Georgia, their small garden, and Agamemnon the mule. Four of Nefeli's close friends, who belong to the Greek Resistance, ask her to hide a cache of weapons, placing her in mortal danger from the enemy. When the Resistance blows up a German naval vessel filled with troops, three of them are killed, and the Germans start to make regular visits to the island. With the loss of her friends, Nefeli's dire circumstances force her to accept a marriage proposal arranged by the village-matchmakers, but what happens next throws everyone on the island into turmoil and changes the course of Nefeli's and Georgia's lives forever.
