Sharon Packer, M.D.

Doctor Mid-Nite (1999-) #1 Matt Wagner,2019-05-09 “D.O.A.”

Part one. Discredited physician Dr. Pieter Cross is now the “Midnight Doctor,” a good Samaritan helping the less fortunate. When the new steroid A39 hits the streets, Pieter is concerned about the side effects and wants to shut down distribution. The men supplying the new drug take exception to this and try to kill the doctor with a heavy dose of the steroid and a car crash. Barely surviving but left blind, Pieter vows revenge. The fact that the steroid has left him able to see in the darkness leads him to take on the role of the new Dr. Mid-Nite.

Dr. Midnight C.D. Little,2018-12-21 Ashley Phoenix is a detective in a small town called Ashville. She lost both her parents at a young age and then lost her sister. She is now all alone in Ashville where many weird events occur. One night, she runs across a crime scene that turns her life completely upside down. At this point, she meets a mysterious man who’s known as Dr. Midnight. She assists him with the dark case. In doing so, she realizes that it’s beyond only seeing with the physical eyes. After witnessing what she has encountered, it is too late for her to turn back and live a normal life. She has to leave everything behind her

at Ashville and start a new life with a group of astonishing people. Two immortals, a vampire, a werewolf, a marksman with amazing skills, and others. She has much to learn in living her new life from hellhounds, ghosts, and other many unknown creatures of darkness. Little do Ashley knows she plays a big role, and Dr. Midnight knows it.

Doctor Mid-Nite Matt Wagner,2013 Matt Wagner, creator of indy comics favorites GRENDL and MAGE and the writer and artist of SUPERMAN/BATMAN/WONDER WOMAN: TRINITY, creates a new vision of a classic DC hero. When Dr. Pieter Cross lost his sight during a terrible accident, he thought his life was over. But after a chance encounter with an owl showed the Doctor that he could now see in the dark, his existence gained new meaning. Using his scientific genius and acquired wealth, Cross assumes the identity of vigilante Doctor Mid-Nite to protect the downtrodden from the vermin that prey on them. But in order to fulfill his mission, Doctor Mid-Nite must take down an evil criminal triumvirate bent on profiting from the demise of his city. Collects DOCTOR MID-NITE #1-3.

Our Long Midnight Dr Jean Chamberlain-Froese,2022-02-03

During this time, Dr. Jean Chamberlain-Froese has shared her own journey in regular blog posts and so helped readers navigate theirs. Her reflections as physician, wife, mother, and daughter have given friends and colleagues insight into their own situations, as have her perceptions on managing change, caring for others, aging, sadness, and mental health. In her posts, compiled here in *Our Long Midnight*, Dr. Jean also thoughtfully reflects on how her faith life has grounded her during this challenging time. In this book, readers will find inspiration to grow emotionally, socially, and spiritually in difficult circumstances.

Midnight in the Garden of Good and Evil John

Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review

Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For

nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

A Knock at Midnight Brittany K. Barnett, 2021-08-03 LOS ANGELES TIMES BOOK PRIZE FINALIST • NAACP IMAGE AWARD NOMINEE • A “powerful and devastating” (The Washington Post) call to free those buried alive by America’s legal system, and an inspiring true story about unwavering belief in humanity—from a gifted young lawyer and important new voice in the movement to transform the system. “An essential book for our time . . . Brittany K. Barnett is a star.”—Van Jones, CEO of REFORM Alliance, CNN Host, and New York Times bestselling author Brittany K. Barnett was only a law student when she came across the case that would change her life forever—that of Sharanda Jones, single mother, business owner, and, like Brittany, Black daughter of the rural South. A victim of America’s devastating war on drugs, Sharanda had been torn away from her young daughter and was serving a life sentence without parole—for a first-time drug offense. In Sharanda, Brittany saw haunting echoes of her own life, as the daughter of a formerly incarcerated mother. As she studied this case, a system came into focus in which widespread racial injustice forms the core of America’s addiction to incarceration. Moved by Sharanda’s plight, Brittany set to work to gain her freedom. This had never been the plan. Bright

and ambitious, Brittany was a successful accountant on her way to a high-powered future in corporate law. But Sharanda's case opened the door to a harrowing journey through the criminal justice system. By day she moved billion-dollar deals, and by night she worked pro bono to free clients in near hopeless legal battles. Ultimately, her path transformed her understanding of injustice in the courts, of genius languishing behind bars, and the very definition of freedom itself. Brittany's riveting memoir is at once a coming-of-age story and a powerful evocation of what it takes to bring hope and justice to a system built to resist them both.

The Secret Art of Dr. Seuss Audrey Geisel, 1995-10-03 These fabulous, whimsical paintings, created for his own pleasure and never shown to the public, show Geisel (a.k.a. Dr. Seuss) in a whole new light. Depicting outlandish creatures in otherworldly settings, the paintings use a dazzling rainbow of hues not seen in the primary-color palette of his books for children, and exhibit a sophisticated and often quite unrestrained side of the artist. 65 color illustrations.

conclusion, the long-term goal for conducting bereavement is for the adolescent to develop skills and tasks that are necessary for entry into adulthood. Individuals will learn to understand the reality, to comprehend the inevitability, and to explore the mysteries of life and death. Indubitably, a more profound meaning and goal may emanate when one ponders the subject of death. In so doing, life and death become tangible concepts when the illusion of our earthly immortality is repudiated and when the irreversible inevitability of the death of others and ones self is challenged. The pricelessness of life becomes manifest and obvious when we courageously choose to conscientiously know ourselves as MidnightSunrise.
