

# Drag U La

John Mercer,Charlie Sarson,Jamie Hakim

**Monsters and Monstrosity in Media: Reflections on Vulnerability** Yeojin Kim,Shane Carreon,2024-04-16 As monstrous bodies on-screen signal a wide range of subversive destabilization of the notions of identity and community, this anthology asks what meanings monsters and monstrosity convey in relation to our recent circumstances shaped by neoliberalism and the pandemic that have led to the intensified tightening of border controls by nation-states, the intensive categorization of (un)identifiable bodies, and subsequent forms of isolations and detachments imposed by social distancing and the rapid transition of sociality from reality to virtual reality. Presenting various thinkings along the lines of the body and its representations as cultural text, together with popular or recent media productions showing various bodies deemed to be monstrous as they either cross conventionally held borders or stay in liminal spaces such as between human-animal, human-machine, virtual bodies-corporeal flesh, living-death, and other permeable borders, this volume looks into the on-screen constructions of the monster and monstrosity not only as they represent notions of difference, perceived (non)belongings, and disruptions of traditional identity markers, but also as they either conceal various vulnerabilities or implicitly endorse violence towards the labeled Other.

**The Makeup of RuPaul's Drag Race** Jim Daems,2014-09-29 Start your engines--for the fun, controversy and life lessons of RuPaul's Drag Race and its spinoff, RuPaul's DragU. This international collection of original essays critically examines the shows' representation of drag within the contexts of the reality TV genre and LGBTQ issues. Contributors focus on the structure of the two programs, the subversive nature of drag itself, the treatment of trans contestants, the issues of race, the language and the shows' handling of LGBTQ political issues. A comprehensive discussion is provided of the shows' premise, the host and the contestants through six seasons of Drag Race and the three seasons of DragU.

*RuPaul's Drag Race and the Shifting Visibility of Drag Culture* Niall Brennan,David Gudelunas,2017-08-25 This book identifies and analyzes the ways in which RuPaul's Drag Race has reshaped the visibility of drag culture in the US and internationally, as well as how the program has changed understandings of reality TV. This edited volume illustrates how drag has become a significant aspect of LGBTQ experience and identity globally through RuPaul's Drag Race, and how the show has reformed a media landscape in which competition and reality itself are understood as given. Taking on lenses addressing race, ethnicity, geographical origin, cultural identity, physicality and body image, and participation in drag culture across the globe, this volume offers critical, non-traditional, and first-hand perspectives on drag culture.

RuPaul's Drag Race and Philosophy Hendrik Kempt,Megan Volpert,2019-12-03 As RuPaul has said, this is the Golden Age of Drag—and that's chiefly the achievement of RuPaul's Drag Race, which in its eleventh year is more popular than ever, and has now become fully mainstream in its appeal. The show has an irresistible allure for folks of all persuasions and proclivities. Yet serious or philosophical discussion of its exponential success has been rare. Now at last we have RuPaul's Drag Race and Philosophy, shining the light on all dimensions of this amazing phenomenon: theories of gender construction and identity, interpretations of RuPaul's famous quotes and phrases, the paradoxes of reality shows, the phenomenology of the drag queen, and how the fake becomes the truly authentic. Among the thought-provoking issues examined in this path-breaking and innovative volume: ● What Should a Queen Do? Marta Sznajder looks at RuPaul's Drag Race from the perspective of rationality. Where contestants have to eliminate each other, the prisoner's dilemma and other well-known situations emerge. ● Reading Is Fundamental! Lucy McAdams analyzes two different, important speech acts that regularly appear on Drag Race—reading and throwing shade. ● The Values of Drag Race. Guilel Treiber observes two competing sets of values being presented in Drag Race. The more openly advertised “charisma, uniqueness, nerve, and talent,” advancing the skills of every single contender, are opposed by the fading set of “acceptance, support, solidarity, and empowerment,” which has historically been the cornerstone of the LGBTI+ community. ● The Importance of Being Fabulous. Holly Onclin challenges the preconceived notion that drag queens are mainly about female impersonation and instead proposes to understand drag queens as impersonators of celebrity. ● RuPaul Is a Better Warhol. Megan Volpert compares RuPaul and Andy Warhol in their shared pursuit of realness. ● Is Reading Someone to Filth Allowed? Rutger Birnie asks whether there are ethical restrictions on reading someone, since reads are ultimately insults and could cause harm. ● Serving Realness? Dawn Gilpin and Peter Nagy approach the concept of realness in Drag Race, to discuss the differences between realness, authenticity and the nature of being. ● Death Becomes Her. Hendrik Kempt explores the topic of death both in philosophy and in Drag Race, starting from the claim that “Philosophy is training for death.” ● We're All Born Naked. Oliver Norman follows up on Ru's mantra, “We are all born naked and the rest is drag.” ● Fire Werk with Me. Carolina Are looks into the fan-subcultures of Drag Race and Twin Peaks, which have come together to form a unique sub-subculture, in which members of both fan-subcultures create memes and idiosyncrasies. ● Towards a Healthier Subjectivity? Ben Glaister looks at the way Drag Race contestants adopt their drag personae almost as second selves, without finding themselves violating their other self. ● RuPaul versus Zarathustra. Julie and Alice van der Wielen ask the question, Who would win an intellectual lip-sync battle—RuPaul or Nietzsche's Zarathustra? ● Playing with Glitter? Fernando Pagnoni and pals explore the game and play elements of Drag Race. ● The Origins of Self-Love. Anna Fennell expounds upon RuPaul's question, “If you can't love yourself, how in the hell you gonna love somebody else?” ● The Sublime. Sandra Ryan thinks about Kant's concept of the sublime and explores how we find its applications in Drag Race. ● You Want to Be Anonymous? You Better Work! Alice Fox watches Drag Race through the lens of criminal law and the problem of decreasing anonymity through ubiquitous data surveillance. Drag Race can teach us how to create misleading patterns of online behavior and public presentation to render the blackbox persona useless. ● Drag and Vulnerability. Anneliese Cooper contrasts Drag Race's demand for vulnerability and perceived authenticity with the inherent inauthenticity of creating a new persona.

**Con Drag Ula Tions!** Maddison Pedler P,2019-05-03 Only \$6.99! Perfect Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9 - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift!

**Drag Race** Anabel Dean,1972 Woody persists in his drag racing career despite sabotage, accidents, and bad luck.

*Barris Kustoms of the 1960s* George Barris David Fetherston,

**How You Get Famous** Nicole Pasulka,2023-06-06 A “funny, poignant, dishy, and even enlightening” adventure through a tight-knit world of drag performers making art,

mayhem, and dreaming of making it big, this book is “the story of America now” (Alexander Chee, *The New York Times*). In *How You Get Famous*, journalist Nicole Pasulka raucously documents the rebirth of the New York drag scene, following a group of iconoclastic performers with undeniable charisma, talent, and a hell of a lot to prove. In the past decade, drag has become a place where edgy, competitive showoffs can find security in a callous and over priced city, a shot at real money, and a level of recognition queer people rarely achieve. But can drag keep its edge as it travels from the backroom to the main stage? A “joyful and scrappy” (Esquire) portrait of the 21st-century search for celebrity and community, *How You Get Famous* is “dripping in plush detail and drama” (Mother Jones) and “stitched together with great respect and love” (The Guardian). It’s the story of an aimless coat check worker who sweet-talked his way into hosting a drag show at a Brooklyn dive bar, a pair of teenagers sneaking into clubs and pocketing tips to help support their families, and eclectic performers who have managed to land a spot on TV and millions of followers...all colliding in an unprecedented account of a subculture on the brink of becoming a cultural phenomenon. “If you like to have a good time, you want to read this book!”—BuzzFeed

*Who Is RuPaul?* Nico Medina, Who HQ, 2021-05-11 Learn how this Emmy-winning host, producer, and television personality became the world's most famous drag queen. RuPaul Andre Charles always knew he was meant to be a performer. Even as a young child, he loved to dress up and imitate the glamorous women he saw on television. When he turned fifteen, he began studying theater in a performing arts school in Atlanta and never looked back. Ru developed his drag-queen personality and launched his career in the 1980s. He now hosts and judges the widely popular and long-running show *RuPaul's Drag Race*, which has raised the profile of the art of drag, and drag queens around the world.

*Contemporary Drag Practices and Performers* Mark Edward, Stephen Farrier, 2020-03-19 In recent years drag performance has moved from the fringes to emerge as a mainstream phenomenon, showcased on TV shows in the US and the UK. This collection offers a diverse range of critical engagements by drag performers, makers, scholars and writers reflecting on work from the UK, USA, Israel, Germany and Australia. Moving beyond discussions of gender theory, the essays consider contemporary drag performance practices, connecting them to the histories, communities and politics that produced them. Chapters range across discussions of drag kings in the US, UK and drag and activism; the influence of RuPaul on the generation of new forms of work in New York; transfeminist critiques of drag; 'bio'/faux queens; engagements with race and ethnicity through drag performance; drag andragogy; audience concerns; drag intersections with animal personas, and how drag performance relates to personal narratives of history and identity. Collectively the contributions focus on drag as a mode of performance that is diverse and that uncorsets the easy thought that drag is simply a cross dressing man in a dress or a woman in a suit.

*Translocas* Lawrence La Fountain-Stokes, 2021-04-05 *Translocas* focuses on drag and transgender performance and activism in Puerto Rico and its diaspora. Arguing for its political potential, Lawrence La Fountain-Stokes explores the social and cultural disruptions caused by Latin American and Latinx “locas” (effeminate men, drag queens, transgender performers, and unruly women) and the various forms of violence to which queer individuals in Puerto Rico and the U.S. are subjected. This interdisciplinary, auto-ethnographic, queer-of-color performance studies book explores the lives and work of contemporary performers and activists including Sylvia Rivera, Nina Flowers, Freddie Mercado, Javier Cardona, Jorge Merced, Erika Lopez, Holly Woodlawn, Monica Beverly Hillz, Lady Catiria, and Barbra Herr; television programs such as *RuPaul's Drag Race*; films such as *Paris Is Burning*, *The Salt Mines*, and *Mala Mala*; and literary works by authors such as Mayra Santos-Febres and Manuel Ramos Otero. Lawrence La Fountain-Stokes, a drag performer himself, demonstrates how each destabilizes (and sometimes reifies) dominant notions of gender and sexuality through drag and their embodied transgender expression. These performances provide a means to explore and critique issues of race, class, poverty, national identity, and migratory displacement while they posit a relationship between audiences and performers that has a ritual-like, communal dimension. The book also analyzes the murders of Jorge Steven López Mercado and Kevin Fret in Puerto Rico, and invites readers to challenge, question, and expand their knowledge about queer life, drag, trans performance, and Puerto Rican identity in the Caribbean and the diaspora. The author also pays careful attention to transgender experience, highlighting how trans activists and performers mold their bodies, promote social change, and create community in a context that oscillates between glamour and abjection.

**RuPaul's Drag Race and the Cultural Politics of Fame** John Mercer, Charlie Sarson, Jamie Hakim, 2023-10-10 This book explores the connections between drag stardom and contemporary sexual and cultural politics in the *RuPaul's Drag Race* franchise. With *Drag Race* alumni achieving fame in fields such as music, fashion, theatre and beyond, this edited collection interrogates the relationships between gender, sexuality, performance, identity and celebrity culture that lie at the very heart of the show. *RuPaul's Drag Race* has recently completed its 15th season after having won 26 Emmys. The show is a popular culture phenomenon, broadcasting drag into the homes of middle America, spawning spin off shows and an ever-expanding international franchise. Its success has made global stars of its host, guest judges and contestants alike. This edited collection explores the connections between drag stardom and contemporary sexual and cultural politics that *RuPaul's Drag Race* stages and dramatizes. Alumni of *Drag Race* have gone on to become globally famous. Adore Delano and Sharon Needles have launched music careers. Violet Chachki is the first drag model to become the face of *Bettie Page* *Lingerie* whilst Jinkx Monsoon has achieved success as a Broadway star. In 2017 *RuPaul* was named as one of *Time Magazine's* 100 Most Influential People. Above everything else *RuPaul's Drag Race* is a show about celebrating the glamour, artifice and the labour of fame. Whilst *Drag Race* has

already attracted scholarly attention (Brennan & Gudelunas eds. 2017) the relationships between gender, sexuality, performance, identity and celebrity culture that lie at the heart of its dynamic and appeal remain to be explored. RuPaul's Drag Race and the Cultural Politics of Fame will be a key resource for academics, researchers, and advanced students of Media and Cultural Studies, Gender Studies, Performing Arts, Media and Film Studies, Communication Studies and Sociology. The chapters included in this book were originally published as a special issue of Celebrity Studies.

The Munsters Stephen Cox,2006 Take a Trip Down Mockingbird Lane with The Munsters, one of the most beloved families ever to haunt the small screen. For the first time, the complete story of this 1960s sitcom is unmasked, as prolific TV and film historian Stephen Cox ushers you into the house of Munster.

**HMM Dallas Music and Entertainment Memorabilia Auction Catalog #688** ,2008-02

**The Cultural Impact of Rupaul's Drag Race** Cameron Crookston,2022-03-25 This edited volume is an exploration of the social, cultural, political, and commercial implications of the trailblazing reality television series RuPaul's Drag Race. Going beyond mere analysis of the show itself, the contributors interrogate the ways RuPaul's Drag Race has affected queer representation in media, examining its audience, economics, branding, queer politics, and every point in between. Since its groundbreaking and subversive entry into the reality television complex in 2009, the show has had profound effects on drag and the cultures that surround it. Bringing together scholarship across disciplines--including cultural anthropology, media studies, linguistics, sociology, marketing, and theater and performance studies--the collection offers rich academic analysis of Ru Paul's Drag Race and its lasting influence on fan cultures, queer representation, and the very fabric of drag as an art form in popular cultural consciousness.

## Drag U La Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Drag U La free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Drag U La free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Drag U La free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Drag U La. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Drag U La any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Drag U La Books

**What is a Drag U La PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Drag U La PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Drag U La PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Drag U La PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Drag U La PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
