Halfway across the world, British, American, and Allied forces are now also fighting the Japanese Empire. Twice before, the teens have helped battle the forces of darkness, but once again face strange and wicked creatures sent from deep within Nazi Germany. Secret of the Dragons Claw further develops the friendship and alliance between this teenage trio and the eccentric Sir Thaddeus Osbert. The dragon has become accustomed to battling a myriad of dangerous foes over the ages, but protecting Gavin, Emily, and Bunty has become a full-time endeavor. Thaddeus must deal with his nagging sweet tooth, which this time gets him into several compromising situations. However, the dragons addiction to sugar has unforeseen benefits too. The children band together with their dragon friend, of course, but they also discover magical powers are commonplace throughout the United Kingdom. Will a hasty alliance with a senile old wizard be enough to prevent something so horrible, so unimaginable, that it threatens to plunge the entire world into permanent darkness?
