Dragon in Chains Daniel Fox,2009-01-27 From award-winning author Daniel Fox comes a ravishingly written epic of revolution and romance set in a world where magic is found in stone and in water, in dragons and in men—and in the chains that bind them. Deposed by a vicious usurper, a young emperor flees with his court to the small island of Taishu. There, with a dwindling army, a manipulative mother, and a resentful population—and his only friend a local fishergirl he takes as a concubine—he prepares for his last stand. In the mountains of Taishu, a young miner finds a huge piece of jade, the potent mineral whose ingestion can gift the emperor with superhuman attributes. Setting out to deliver the stone to the embattled emperor, Yu Shan finds himself changing into something more than human, something forbidden. Meanwhile, a great dragon lies beneath the strait that separates Taishu from the mainland, bound by chains that must be constantly renewed by the magic of a community of monks. When the monks are slaughtered by a willful pirate captain, a maimed slave assumes the terrible burden of keeping the dragon subdued. If he should fail, if she should rise free, the result will be slaughter on an unimaginable scale. Now the prisoner beneath the sea and the men and women above it will shatter old bonds of loyalty and love and forge a common destiny from the ruins of an empire.

The Dragon's Stone Daniel Kuhnley,2018-01-30 A wizard told him the stone gave life to the dead. Could it be

real, or was it merely a legend sought after by fools? Up until that moment, Nardus had no reason to live. A year ago, the love of his life and his three children were murdered in a brutal attack. Even though his flesh still lived, he died with them that fateful day. Now, hope burned within his heart once again. The wizard claimed many had sought the stone, yet none had returned. But Nardus didn't fear death. He would pay any price to resurrect his family, even if it meant facing otherworldly creatures in a magical trial that no man had ever survived. It sounded simple enough, but there was a catch: he loathed magic. So how could he trust this wizard? Out of all the people in Centauria, why did the wizard choose him? Then again, what difference did it make? What more could he possibly lose? Nothing. His name was Nardus, and thus began his quest for the dragon's stone... The Dragon's Stone is the first book in The Dark Heart Chronicles epic fantasy series. If you like vivid new worlds, action-packed adventures, and courageous characters, then you'll love Daniel Kuhnley's imaginative novel. Buy The Dragon's Stone to embark on an epic quest today!
