Being Dragonborn Mike Piero,Marc A. Ouellette,2021-09-28 The Elder Scrolls V: Skyrim is one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of Skyrim is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, Skyrim is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. Being Dragonborn, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing Skyrim, in many ways, is akin to playing 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics of modding, rhetorics of gameplay, and narrative features.

Star Born Andre Norton,2019-11-24T20:35:18Z This sequel to *The Stars Are Ours!* was first published in 1957 by the World Publishing Company. It continues the tale of the humans who escaped an anti-intellectual Earth and founded a colony on Astra, a planet across the galaxy. Astra has a vibrant, intelligent species, as well as the ruins of a much older civilization. Norton weaves two stories together by alternating points of view with each chapter. We follow a 4th generation colonist, as well as a mechanic-pilot newly arrived on Astra as a member of a research mission from a recently revived Earth. Each is on a journey of discovery, and they find themselves allied with opposing sides of an ongoing war between two intelligent, indigenous species. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Doubleborn Toby Forward,2015-02-03 Bound together by a magical force in spite of their differences, Tamrin and Sam embark on respective missions only to discover that Ash holds the key to unlocking their mysterious pasts.

Dragonborn Toby Forward,2013-03-05 The great wizard Flaxfield's death leaves his twelve-year-old apprentice Sam half-trained, but when other wizards gather and debate his fate Sam, not knowing whom to trust, leaves with only his dragon, Starback, for company, unaware of the perils he mustface.

Return Brett Humphrey,2020-02-17 Two arduous journeys. One physically demanding, the other emotionally exhaustive. The young Dragon King faces both simultaneously and shoulders the burden with the strength and resolve only the King of Shifters can muster. With limited resources and only a month to prepare, Alister Drake, the new King of all shifters, calls on the loyalty, expertise and support of his dedicated Inner Circle to prepare a battle plan. His goal—to return to Theria and wrest the kingdom from Dimitri; murderer, usurper and oppressor of the masses. Haunted, yet inspired, by dreams of his royal parents, Alister believes they are still alive, despite reports of their deaths at the hands of Dimitri thirteen years before. Aware of Alister's plans to retake the throne of Theria, Dimitri lies in wait with an army of thousands, determined to crush and humiliate the inexperienced boy king. Ruling the land with fear and coercion, Dimitri has no conscience when it comes to harming anyone in his quest for power. Two powerful shifters, both intent on destroying the other. One will stop at nothing to reach his goal with death and destruction. The other will stop at nothing to... Protect the Weak!

Dragonborn Donna Sundblad,2021-10 Dragons. Magic. Rents in time. Dragonborn follows the journey of the young prison guard, Ervig Greenfields, as he seeks out dragons to remove a curse. The dragons offer him access to the Labyrinth of Times, which purges dark magic. But there's a catch. To enter, he must take the Dragon Oath-an oath to secrecy that requires allegiance to the dragons and a promise to fight alongside

dragonkind for centuries, never to return to his own time. Dragonborn conjures up a winning recipe with prophecies of destiny, humans, and dragons working together to navigate through time to put the pieces in place. Dragons of the Thornose and Goldenhorn clans must learn to work together and to trust the humans. Not all humans, but the handful of people chosen to be Dragonborn. Together, they must overcome the spirits of evil living within the magically protected Book Darkmore. The Dragonborn, and their dragons, become seeds of change in this epic tale, of sacrifice for the greater good. Ride along with them as they slip through a tear in time to the past to change the future.

Fireborn Toby Forward,2013-12-03 If magic sets the world on fire, something new is born from the flames. When an old, dying wizard steals magic from his young apprentice, Bee, he changes his own life and nearly destroys hers. But he also releases something new into the world - a wild magic that turns fields to flames and upsets the order of the world. It will take another apprentice, Cabbage, to find Bee and try to set the world right again. Remarkable for its deft, dramatic prose and thrilling magical adventure, Toby Forward's Dragonborn delighted critics and fans. This companion novel, set in the same world in a different time, is a breathtaking work of magic and suffering, friendship and transformation - and the new power that rises from the ashes of a terrible deed.

Duel of Dragons Michael Dahl,2014-11-01 Sam has dragon blood. So do the teenagers who find him. Only one of them can lead.

Cracked Open T.L. Christianson,2020-08-19 Dragons, bonded mates, and irreversible decisions. After a car accident left my only parent – my father in the hospital, I was swept away to the Dragon Born Academy by my estranged grandmother. If I had to be there, I'd be an observer of this place with its rituals and superstitions... After all, everyone's made it clear I don't belong. But then it happened...and Ashe Carrick – my impossibly irresistible bond-mate happened. Being Cracked Open changed everything... Who I thought I was, WHAT I thought I was... DRAGON BORN. The words alone bring to mind monsters and princesses in castles. I am the princess and the monster they locked away. However, my story has no damsels in distress, waiting to be rescued. It's self-rescue time, and I'm done playing nice. “the chemistry, the romance, the anger, the betrayal just wow!... in my top 5 2020 reads!!” – Goodreads reviewer “Wonderfully written... impossible to put down.” – Goodreads reviewer “Wow! Absolutely loved this book, cannot wait for the next in the series.” – Goodreads reviewer

Hard Boiled T L Christianson,2021-02-20 A hidden world, secrets, love, betrayal... and dragons. Sydney Miller-Almost seventeen, unschooled world traveler until the you-know-what hit the fan. Reality? Gone... yanked out from under me like a cheap Ikea rug. Here are the doozies: Dragons exist in this whole other world! And bondmates exist. Yeah... I'm now bound to a heart-throb Prince to the Dragonborn-Ashe Carrick. Only, the gap is kind of thing for him. When I end up at the Dragonborn base, Briony, Ashe is there! I'm trying to resist his gorgeous baby blues and focus on other more important things... like George! He's the only one who has answers about my mom, her research, and the dragon realm. According to him, she might be alive! So this is my new obsession and I won't stop until I get to the bottom of it all!  Ashe Carrick-Twenty-three, Lieutenant for the Dragonborn Guard and the Elibera's hope to become Prime Leader of the Dragonborn. I have a whole host of problems but I can't stop thinking of Sydney, the girl I'm bonded to. I've done my best to keep her at arm's length but she's like a siren. One look from her heats my blood... rousing something ancient and primal within me. Besides her, I'm dealing with at the Dragonborn base, Briony. The PL has gone entirely off the rails and when George Miller is brought into lockdown, he might have the evidence to bring PL Lambert down-if we can keep him alive.  **Hard Boiled** is written in dual point of view. Fall into this emotional continuation of the Dragon Born Academy!
