

Dragonfly

Julia Golding

Dragonfly Leila Meacham, 2019-07-09 Read the USA Today bestseller from the author of *Roses*, a sumptuous, full-bodied, and emotional novel about five young spies embedded among the highest Nazi ranks in occupied Paris (Adriana Trigiani, NYT bestselling author of *Tony's Wife*). At the height of World War II, a handful of idealistic young Americans receive a mysterious letter from the government, asking them if they are willing to fight for their country. The men and women from very different backgrounds -- a Texan athlete with German roots, an upper-crust son of a French mother and a wealthy businessman, a dirt-poor Midwestern fly fisherman, an orphaned fashion designer, and a ravishingly beautiful female fencer -- all answer the call of duty, but each for a secret reason of her or his own. They bond immediately, in a group code-named Dragonfly. Thus begins a dramatic cat-and-mouse game, as the group seeks to stay under the radar until a fatal misstep leads to the capture and the firing-squad execution of one of their team. But is everything as it seems, or is this one more elaborate act of spycraft?

Dragonfly Julia Golding, 2009 A young adult fantasy about a teenage couple who are forced to marry to join their two kingdoms

The Mark of the Dragonfly Jaleigh Johnson, 2015-07-21 For fans of *Wrinkle in Time* and *The School of Good and Evil*, the New York Times bestseller *The Mark of the Dragonfly* is a fast-paced adventure story about a mysterious girl and a fearless boy, set in a magical world that is both exciting and dangerous. Piper has never seen the Mark of the Dragonfly until she finds the girl amid the wreckage of a caravan in the Meteor Fields. The girl doesn't remember a thing about her life, but the intricate tattoo on her arm is proof that she's from the Dragonfly Territories and that she's protected by the king. Which means a reward for Piper if she can get the girl home. The one sure

way to the Territories is the 401, a great old beauty of a train. But a ticket costs more coin than Piper could make in a year. And stowing away is a difficult prospect—everyone knows that getting past the peculiar green-eyed boy who stands guard is nearly impossible. Life for Piper just turned dangerous. A little bit magical. And very exciting, if she can manage to survive the journey. Praise for *The Mark of the Dragonfly*: □ “This magnetic middle-grade debut...[is] a page-turner that defies easy categorization and ought to have broad appeal.”—Publishers Weekly, Starred □ “Heart, brains, and courage find a home in a steampunk fantasy worthy of a nod from Baum.”-- Kirkus Reviews, Starred □ “A fantastic and original tale of adventure and magic...Piper is a heroine to fall in love with: smart, brave, kind, and mechanically inclined to boot.”—School Library Journal, Starred “A complex and impeccably developed plot—there is plenty to recommend in this novel.”—The Bulletin “Appealing characters and lots of action make it a good choice for young adventure readers.”—Booklist

Dragonfly Stephanie St. Pierre, 2008 How many wings do dragonflies have? Why do dragonflies shiver? How do dragonflies change? Are you brave enough to find out more about these interesting creatures? How are born? How do they grow, feed, move, and have babies? Where do they live and what do they look like? What makes them special?

Are You a Dragonfly? Judy Allen, Humphries Tudor, 2004-05-13 The most colorful wings on the pond belong to the nimble dragonfly, but this delicate flying insect didn't begin life in the air. In *Backyard Books: Are You a Dragonfly?* by Judy Allen with illustrations by Tudor Humphries, the secrets of metamorphosis are unfurled through the story of a familiar backyard creature.

It's a Dragonfly! Elisa Peters, 2008-08-01 Simple text introduces dragonflies, including facts on what they look like, their life cycle, where they live, and what they eat.

Dragonfly Song Wendy Orr,2017-10-13 The girl has had many selves in her short life. The first she remembers is Aissa, the daughter of Mama and Dada, sister to Zufi who watched the goats. Then the Bull King's raiders came, and Mama said, Don't make a sound till I come back. And when the villagers found her she was silent as stone, because Mama never came back again. So the villagers cursed her as back luck and made her No-Name, lowest of the servants to the Lady, the island's priestess. But there were whispers, as she grew, of another self: of the Lady's rejected first daughter, born imperfect with two extra thumbs. The silent girl looks at the scars on her wrists and wonders, but she has more pressing concerns. The villagers blame her bad luck for the tribute the Bull King now demands of them: two youths given each spring to dance with his bulls and die for his god's glory. And the servants hate and fear the unnatural way the animals all come to her. For Aissa, though, this bond with creatures of fur and scale is the first clue in finding the true self that no one else can give to her, or take away. Wendy Orr, the author of *Nim's Island*, introduces a resourceful and resilient heroine for slightly older readers. Inspired by an archeological trip to the island of Crete, where frescoes show figures leaping over the backs of bulls, Orr weaves an intriguing mythological portrayal of the Bronze Age Minoan civilization. Lyrically written and refreshingly unpredictable, *Dragonfly Song* suggests a fascinating origin for the legend of the Minotaur and his dark tribute.

Dragonflies and Damselflies Dennis Paulson,2019-03-14 This book brings these insects to life. As well as providing a broad introduction to their natural history, it features profiles of sixty of the most interesting and beautiful species from around the world.

A Dazzle Of Dragonflies Forrest Lee Mitchell,James Lasswell,2005 This is a passionate look at a ubiquitous group of insects.

A Dragon in the Sky Laurence Pringle, 2014-06-30 A beautifully illustrated story of the life cycle of the Green Darner Dragonfly from American Association for the Advancement of Science (AAAS) Lifetime Achievement winner Laurence Pringle.

A Dragonfly's Life Ellen Lawrence, 2012-08-01 A young child enjoys watching the colorful dragonflies at the pond near her home and decides to spend the summer keeping a dragonfly diary. Readers will follow along as the narrator observes female dragonflies laying eggs in the pond, and then keeps watch for nymphs in the water. When a nymph climbs from the pond and undergoes its incredible metamorphosis into an adult dragonfly, the excited diarist is there to describe every moment! Colorful photos, diagrams, and clear, age-appropriate text will engage young readers as they explore the life cycle, natural habitat, physical characteristics, diet, and behavior of these beautiful insects. The diary format models scientific observation and critical thinking—and encourages children to keep notebooks recording their own investigations into the natural world.

Dragonfly John Farris, 1997 Abby Abelyard is beautiful, wealthy, and the biggest-selling romance writer in America today. Dr Joe Bryce, Abby's guest, has spent the last three years in war-torn Africa. He has sins on his conscience and a frightening past he can never outrun. Can it be that his sins are catching up with him?

Dragonfly on My Line Gregory Guyton, 2022-02-08 *Dragonfly On My Line* is a captivating and heartwarming story of a father and son embarking on one of their favorite extra-curricular activities. A father surprises his son with an early morning fishing trip to their favorite fishing spot. The Father and Son loved spending time together doing all sorts of things, but fishing is by far the son's favorite activity to share with his dad. However is not simply because the son likes to fish. It's because the son is infatuated with dragonflies, and he knows that dragonflies are often at the pond. The son has

never caught a fish before and he doesn't mind because he's there only to watch dragonflies. His father has often told him that dragonflies bring you luck and if a dragonfly lands on your fishing line that you would soon catch a fish. The two share a joyful day as the father teaches his son how to fish. The father catches fish after fish and his son only catches a small fish that get stuck in the grass. However an exciting turn of events soon cast the two into the fight of their lives. Join us on this journey of excitement and share in the joy of a father and son bonding over a new adventure that will build a lifelong friendship.

The Dragonfly's Journey Benjamin Tunby, 2018 With such small, thin wings, it's hard to imagine dragonflies flying long distances. But some dragonflies travel for thousands of miles! From egg to adult dragonfly, follow the journey of migrating dragonflies.

The Family Tree: The Night of the Storm Laurie Copmann, 2016-03-16 Many years ago, strong hands planted a tiny tree into the ground. Throughout the years, the tree grew and grew and became a wondrous sight. Its many branches offered shade in the summer and provided a home to birds and shelter to animals. It became known as the family tree with its branches representing each person in the family. One night a strong wind tore a branch from the family tree. The loving hands that planted the tree helped ease the feeling of loss by coming up with a creative plan for the broken branch. A picture book for all ages, *The Family Tree* shares an inspiring promise of hope in the aftermath of a storm.

The Dragonfly Pool Eva Ibbotson, 2008-09-04 *The Dragonfly Pool* by Eva Ibbotson is an enchanting tale of friendship and determination during the Second World War, from the author of *The Star of Kazan*. Tally Hamilton is furious to hear she is being sent from London to a horrid, stuffy boarding school in the countryside. And all because of the stupid war. But Delderton Hall is a far

more interesting place than Tally ever imagined, and an exciting school trip to the beautiful and luscious kingdom of Bergania whisks Tally into an unexpected adventure . . . will she be able to save her new friend, Prince Karil, before it's too late?

Nancy the Dragonfly Lavinia Conley, 2017-10-27 Nancy is a beautiful dragonfly. In fact, her friends say that she is the most beautiful dragonfly ever! Her friends are Freddy Tree Frog and Little Blue Baron. Together, they are best friends, and they always have fun. Nancy thought her life would be perfect forever, until one day ... While diving to catch a mosquito, Nancy doesn't notice Blackie the Widow Spider's web. Her wing gets caught, and in a panic, Nancy pulls herself loose. A piece of her beautiful wing is left behind, so she flies away and hides. She doesn't think her friends will like her, so she remains hidden. She expects her friends to laugh, but her best friends make her realize something important. They don't love Nancy because she's beautiful on the outside but because of a different reason altogether!

Dragonfly Erica Hayes, 2012-12-01 Carrie Thatcher is a tough Imperial counter-terrorism agent. Her mission: pose as a sexy cyber-thief to entrap the notorious rebel Dragonfly, who's planning a heist on the space station Casa de Esperanza - an orbital casino on the fringe of Imperial space. And this assignment's personal: Dragonfly murdered her closest friend, and she's in no mood to show him mercy. Even getting stuck with the partner from hell—Malachite, her sociopathic ex-lover and the Empire's most dangerous agent—can't dampen her relish for the kill. With Carrie's expert weapons skills and penchant for cracking codes, insinuating herself into Dragonfly's confidence should be easy. But is he the ruthless killer she was led to believe? Or has her precious Empire deceived her? With Malachite watching her every move, the slightest flinch in loyalty means death. Carrie is soon racing to uncover an audacious treachery that will shock the Empire to its core ... if she can stay

alive for long enough to expose it.

Dragonfly Migration Grace Hansen, 2020-08-01 Follow a dragonfly on its multi-generational migration through North America. Also discover the longest insect migration from southern India to Africa made by dragonflies! This amazing insect will delight readers, as will the photos and exciting information, and migration route map! Aligned to Common Core Standards and correlated to state standards. Abdo Kids Jumbo is an imprint of Abdo Kids, a division of ABDO.

Dragonfly Dean Ray Koontz, K. R. Dwyer, 1975

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Dragonfly**

In a global inundated with displays and the cacophony of instant transmission, the profound power and emotional resonance of verbal beauty often fade in to obscurity, eclipsed by the continuous onslaught of noise and distractions. Yet, nestled within the musical pages of **Dragonfly**, a fascinating work of fictional elegance that pulses with organic thoughts, lies an unique journey waiting to be embarked upon. Written by a virtuoso wordsmith, that enchanting opus instructions visitors on a psychological odyssey, gently revealing the latent possible and profound affect embedded within the elaborate internet of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is central subjects, dissect their captivating writing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
