She has been tasked by the king to kill the remaining dragon population as well as Micah, the king's own son.With the portal guarded by the king's army, the Dusk eggs hidden deep within Dusk Territory, and the deadly Destroyer on the loose, the trio's task grows more impossible with each passing day. Talker 25 Joshua McCune,2015-06-02 Debut author Joshua McCune's gritty and heart-pounding novel is a masterful reimagining of popular dragon fantasy set in a militant future reminiscent of Paolo Bacigalupi's Ship Breaker and Ann Aguirre's Outpost. The Horn Book called it absolutely gripping and absolutely horrifying. It's a high-school prank gone horribly wrong—sneaking onto the rez to pose next to a sleeping dragon—and now senior Melissa Callahan has become an unsuspecting pawn in a war between Man and Monster, between family and friends and the dragons she has despised her whole life. Chilling, epic, and wholly original, this debut novel imagines a North America where dragons are kept on reservations, where strict blackout rules are obeyed no matter the cost, where the highly weaponized military operates in secret, and where a gruesome television show called Kissing Dragons unites the population. Joshua McCune's debut novel offers action, adventure, fantasy, and a reimagining of popular dragon lore. The story packs significant punch.—Publishers Weekly

Stray Bats Margo Lanagan,2019-11-05 Dachshund droids, mad crones, shapeshifting children, a plethora of witches, dragonstalkers, familiars, slithering eels and, of course, bats, flit and fly through these pages, aided and abetted by Kathleen Jennings's deft and inspired pencil drawings. Stray Bats is a glorious miscellany of vignettes based on poems by Australian women. While some of the pieces hie close to the originals in form and theme, some stray far, far from them even as Lanagan delights in playing with language, rhyme, and rhythm. This could be the perfect gift for that slightly otherworldly person in your life—or for yourself, when you need a moment of magic, a dip into darkness, a spark of light. For the reader who would like to explore further, there are a list of poems that inspired the author and notes on where those poems might be found.
