

Dragula

Bill Klein

Dragula: A Transgender Tale John Arthur Long,2020-04-07 NOTE FROM THE PUBLISHER: Although the print and Kindle editions of DRAGULA: A Transgender Tale are available, to fully enjoy the music and club atmosphere of this tale which is based on the theatrical musical by Long and Kastrinos, we recommend the AUDIO BOOK narrated and performed by the author, John Arthur Long, which includes sound design and musical accompaniment and performances. Of course, reading along with one of the other editions, can make the experience of this entertainment even more satisfying. // DRAGULA is a tale filled with sensitivity to personal struggle, raucous humor and musical entertainment. Peter, a vulnerable young man, makes the decision to transition, becoming the gender and human being he was meant to be. Unfortunately, Peter's stage persona of the musical entertainer DRAGULA draws the judgmental ire of the Right Reverend Bobby Swagger. Reverend Swagger is determined to prove by whatever means necessary that Peter's lifestyle and entertainment choices are sinful and wrong. Finally, Peter finds the courage to open up to those around him, and take an uncompromising stand against bigotry, proving that it's all right to be true to yourself, no matter what lifestyle you choose. *Author's note: DRAGULA, A Transgender Tale, conveys a message that is clearly and uncompromisingly stated by the main character: Bigotry, the inability to tolerate the differences in others, is one of the great flaws of our society! Moreover, when presenting entertainment that represents individuals of the LGBTQIA community, I have endeavored to be sensitive to the courage these individuals have shown and empathetic to what they have endured by living in a manner that allows them to be true to themselves.

Dragula Ma'am Stoker,2018-09-27 In a land where the wolves howl 'yassss kween' and Bloody Marys are the only cocktail on offer, Jonathan Harker (a most basic b*tch) makes a series of horrifying discoveries at the House of Dragula. A battle between old queens draws fresh blood as the VAMPageant grudge match looms closer. Will Dragula defeat the infamous Van High Heelsing? Will a new protege werk the cape? Will the old bat ever learn to contour? It's all to play for as these classic characters step out of the shadows and into the shade for a tale of unflinching death drops and the ultimate lip sync for your (after) life.

Dragula Ben Sheldon,2004-05 DRAGULA, a vampire often in drag, frequents the gay establishments of San Francisco and the Bay Area, in search of blood victims. He proves to be an elusive flying bat for S.F.P.D and Oakland police, across the Bay. Search is complicated when a homophobic Oakland officer is assigned to investigate alongside a gay San Francisco counterpart. Friction galore ensues as the S.F. officer introduces the straight, uptight Oakland cop to gay Castro Street and its unholy haunts. By the time the two solve the puzzle of DRAGULA, the Oakland cop solves the enigma of his personality. The novel is a trip into horror, humor, and evolving human relationships.

Brawn Stroker's Dragula Nicole Carro,2013-10-30 Ybor City, Florida. November 1999 On the Tuesday before Thanksgiving, lowly female impersonator Chris Reynolds brings a mysterious stranger home. In the four-day weekend which follows, Chris and his friends become embroiled in the secret world of Dr. Stephen Bartow, a reluctant & incompetent vampire who only wants his humanity restored so he can return to his one true love. Yet they are all in danger when a demon from Dr. Stephen's past returns to destroy them. One romantic evening gone wrong for Chris and his alter ego Dee Flaytable is forever transformed into a formidable creature of the night- fabulous and seductive, her siren's song captivates every audience. But can she triumph in the face of true evil? When the Vampire Queens battle, who will win?

Interdisciplinary Essays on Monsters and the Monstrous M. Susanne Schotanus,2022-10-20 Interdisciplinary Essays on Monsters and the Monstrous analyses and explores the enduring influence and imagery of monsters and the monstrous on human societies, and from a unique interdisciplinary scope tackles the critical question: when faced with an existential threat, what can we do?

Monsters and Monstrosity in Media: Reflections on Vulnerability Yeojin Kim,Shane Carreon,2024-04-16 As monstrous bodies on-screen signal a wide range of subversive destabilization of the notions of identity and community, this anthology asks what meanings monsters and monstrosity convey in relation to our recent circumstances shaped by neoliberalism and the pandemic that have led to the intensified tightening of border controls by nation-states, the intensive categorization of (un)identifiable bodies, and subsequent forms of isolations and detachments imposed by social distancing and the rapid transition of sociality from reality to virtual reality. Presenting various thinkings along the lines of the body and its representations as cultural text, together with popular or recent media productions showing various bodies deemed to be monstrous as they either cross conventionally held borders or stay in liminal spaces such as between human-animal, human-machine, virtual bodies-corporeal flesh, living-death, and other permeable borders, this volume looks into the on-screen constructions of the monster and monstrosity not only as they represent notions of difference, perceived (non)belongings, and disruptions of traditional identity markers, but also as they either conceal various vulnerabilities or implicitly endorse violence towards the labeled Other.

The Oxford Handbook of Decadence Jane Desmarais,David Weir,2022 Edited by Jane Desmarais and David Weir.

Dracula Bram Stoker,1982-04-12 String garlic by the window and hang a cross around your neck! The most powerful vampire of all time returns in our Stepping Stone Classic adaption of the original tale by Bran Stoker. Follow Johnathan Harker, Mina Harker, and Dr. Abraham van Helsing as they discover the true nature of evil. Their battle to destroy Count Dracula takes them from the crags of his castle to the streets of London... and back again.

Reactive with ClojureScript Recipes Nicolas Modrzyk,2017-09-28 Use ClojureScript to create powerful serverless Web applications that are responsive and engaging. This book presents Reactive recipes with Reagent, a ClojureScript reactive framework, to create interactive applications. Throughout the book, Reactive with ClojureScript Recipes uses progressively more complex examples and introduces you to a set of powerful tools that target rapid web application development. In the last chapter, you'll use these concepts for an HTML5-based deployment to smart phones. ClojureScript is your functional programming language for the web. ClojureScript looks like a LISP, and compiles to JavaScript, and thus runs nicely run in the browser. What You'll Learn Write simple static web apps with Boot Integrate ClojureScript and its libraries Animate content, play with sound and videos Use Reagent, and be Reactive in the browser. Run your Application on a smart phones. Who This Book Is For Clojure developers who want to turn their functional skills to the web and JavaScript advanced developers who want reuse their web skills in a different language

In the World of Vlad Alexandru Simon,2021-10-07 The life (in fact the lives) of Vlad III the Impaller or Dracula is a Rorschach test. Everybody sees what they want to see in the “documentary stains”. And these “stains” are expanding. Based on research in the archives and libraries of Budapest, Dubrovnik, Genoa, Mantua, Milan, Modena, Munich, Rome, Venice and Vienna, the book focuses on the conflictive medieval, and modern images created by the clash between the classical pictures of Vlad and the still preserved coeval sources.

Minnesconsin Bill Klein,2006-08-01 The rich history of the ill-fated town of Minnesconsin is detailed in all it's ragged, shameful and downright moronic glory. Enjoy history written as it really should be...by the losers.

Notebook - Dragula Mika Eriksson,2019-06-18 A great Personal Organizer to plan your activities. 120 Pages for you and your ideas. This Notepad is nice gift for Christmas, Birthday or Easter. Keep track of your thoughts and write or sketch on dotted grid pages.

#31Days: A Collection of Horror Essays, Vol. 1 Robert J Gannon,2020-12-22 Imagine immersing yourself in a world of unimaginable horrors for a month. Now imagine

doing it every year for 16 years. Horror critic Robert J Gannon does it ever year. The #31Days challenge is to watch and review a different horror property--film, TV series, book, game, play, etc.--every day for the month of October. In this newly revised and expanded collection of essays, Robert J Gannon celebrates the horror genre with a focus on film and television. #31Days features 65 essays and reviews covering everything from Don Coscarelli's Phantasm series to the anthology horror show Masters of Horror. This non-fiction collection follows the spirit of Sketching Details, Robert's long-running entertainment media criticism website. Horror deserves the same level of respect and analysis as any other genre. Robert J Gannon has built a career out of analyzing and sharing a passion for genre fiction--horror, sci-fi, and fantasy--and he's ready to show the world in his debut non-fiction collection.

That's Not Funny, That's Sick: The National Lampoon and the Comedy Insurgents Who Captured the Mainstream Ellin Stein,2013-06-24 Smart, knowing, and deeply reported, the definitive history of one of modern American humor’s wellsprings. –Kurt Andersen, author of Fantasyland, host of NPR’s Studio 360 Labor Day, 1969. Two recent college graduates move to New York to edit a new magazine called The National Lampoon. Over the next decade, Henry Beard and Doug Kenney, along with a loose amalgamation of fellow satirists including Michael O’Donoghue and P. J. O’Rourke, popularized a smart, caustic, ironic brand of humor that has become the dominant voice of American comedy. Ranging from sophisticated political satire to broad raunchy jokes, the National Lampoon introduced iconoclasm to the mainstream, selling millions of copies to an audience both large and devoted. Its excursions into live shows, records, and radio helped shape the anarchic earthiness of John Belushi, the suave slapstick of Chevy Chase, and the deadpan wit of Bill Murray, and brought them together with other talents such as Harold Ramis, Christopher Guest, and Gilda Radner. A new generation of humorists emerged from the crucible of the Lampoon to help create Saturday Night Live and the influential film Animal House, among many other notable comedy landmarks. Journalist Ellin Stein, an observer of the scene since the early 1970s, draws on a wealth of revealing, firsthand interviews with the architects and impresarios of this comedy explosion to offer crucial insight into a cultural transformation that still echoes today. Brimming with insider stories and set against the roiling political and cultural landscape of the 1970s, That’s Not Funny, That’s Sick goes behind the jokes to witness the fights, the parties, the collaborations—and the competition—among this fraternity of the self-consciously disenchanted. Decades later, their brand of subversive humor that provokes, offends, and often illuminates is as relevant and necessary as ever.

Chapter One, An Anthology Various Authors,2013-07-08 An anthology of short fiction with stories diversified as its authors: from battlefield reality to suicide intervention, historical non-fiction to crime family escapades, foster care horror to heroes' journeys, a breadth of tales to hold interest and capture attention. Readers encounter a range of talent to make them cry, laugh, reminisce and astound.

Lotsa Laughs Ben Sheldon,2014-09-18 LOTSA LAUGHS is a book of jokes and hilarious observations, which Ben Sheldon had recorded in his note books, over several years. It's a very funny collection of mostly one- or two-liners. Each one of them was original or independently conceived at the time of recording and dating in the author's note books. References to real known personalities are not necessarily true, but is done in parody, within protected free speech on satire. There are seven sections to the book, labeled “Chapters”, in the Index. Each chapter is aimed at the reader who would enjoy predominantly that kind of humor. For instance, one may laugh at the unique observations in politics, but pass on to another friend or family member some funny aspects of different faiths or innocent, lighthearted takeoffs on ethnicity. A prudish reader may want to save the chapter on bedroom humor for an unblushing neighbor. In any case, said bedroom chapter is written in good taste, with no pornography. The eclectic, broad-minded reader will, of course, enjoy all the levels of humor in this unique joke book, Lotsa Laughs. For those who love the creative use of words in different unexpected contexts, there is a chapter on Tongue Twisters. Another chapter is about “Fun with Words”. All the humor in Lotsa Laughs is innocent and harmless fun at ourselves and our social, political and religious mores. It is meant to laugh WITH and NOT AT the subjects of humor. Lotsa Laughs would also make a good reference book for speakers seeking an attention-getting funny opening remark for their speech. A future Henny Youngman may find the one-liners in Lotsa Laughs a good fit for their training manual.

25 Top Rock Bass Songs Hal Leonard Corp.,2015-02-01 (Bass Recorded Versions Mixed). This is not your typical bass tab book. In the Tab+ series from Hal Leonard we provide you guidance on how to capture the bass tones for each song as well as tips and advice on the techniques used to play the songs. Where possible, we've confirmed the gear used on the original recordings via new and previously published interviews with the bassists, producers, and/or engineers. Then we make general recommendations on how to achieve a similar tone, based on that info. Some of the songs will be easy to play even for advanced beginner students, and others might present a much greater challenge. In either case, we've identified key technique that should help you learn the songs with greater ease. This volume will help you master 25 must-know bass classics, including: Another One Bites the Dust * Around the World * Blurred Lines * The Boys Are Back in Town * Freewill * Hey Joe * The Joker * London Calling * My Generation * Sledgehammer * Strange Brew * Sweet Emotion * You Can Call Me Al * Young Lust * and more.
