

Drakkar

Rodney C. Monson

Drakkar Paul E. Ohl,1989

Lure of the Drakkar Rodney C. Monson,2014-07-29 The story starts during World War II and introduces you to a very old model of a Viking ship, known as a Drakkar. The family history also explains how Vilfrid, born years later and raised in Southern California, is fluent in Swedish. Vilfrid is a very bright but unassuming, even meek person. The model Drakkar seems to have some kind of influence on Vilfrid and causes him to have daydreams or fantasies. He also has a surreal experience when visiting a campground in Canada. The women in Vilfrid's life repeatedly cause him emotional distress. Nothing goes well for him in that area, until he finds himself in a Viking village. We wonder how he got there, will he survive and will he find true love?

Drakkar Sandra Bischoff,2016-12-14 Drakkar Dragoni, the only son of Princess Absinthe Dragoni, always believes what his mother tells him. Humans are nothing more than cattle bred to nourish their kind, and her half brother, Jared Bonatelli, stole a kingdom which is rightfully hers. Drakkar vows to right this wrong, even if it means Jared dies by his hand. But what if none of it is true? What if this his mother's biggest lie yet? Who can he turn to? Who will help him escape the prison within his own home?

Drakkar Noir Michael Chang,2021-05 Drakkar Noir is a chapbook of poems written by MICHAEL CHANG. Drakkar Noir won the 2020/2021 BOOM Chapbook contest from Bateau Press.

Drakkar Noir Jeramy Dodds,2017-09-27 Following the Fratellini Family of clowns, Jeramy Dodds astonishes readers and non-readers alike. Techniques such as his patented triumph, the Grand Mal Caesura, along with other favourites, are on display inside. Dodds is a warlock

of words, only to be outdone by them, enslaved by them, freed by them – maybe even loved by them. A haunting, yet hilarious depiction of a journey to and from the furthest limits of the human experiment.

Drakkar Coven Chronicles Leigh Jarrett, 2020-10-17

Callum of Drakkar Coven - How much humanity would one sacrifice in order to survive. Come nightfall, the inhabitants of the ancient castle perched high on the mountain above their picturesque valley would awaken, and then no one left outside the village walls would be safe. The torches set into the thick stone walls of the castle would be lit, the evening bells would toll-then Lord Callum would release his riders, led by his brother Oleander, an alabaster, screeching creature of nightmares; thundering through the night as he collected his victims. After one of Oleander's raids unexpectedly breaches the walls of the village, Laramie finds himself face to face with Lord Callum-a dark, majestic beast like none he has ever seen before. His first glimpse of Lord Callum sets his heart racing, partially out of fear, but mostly out of fascination-and something else, and Callum takes note of that, pleased to have found his next plaything. Oleander, Son of Drakkar - Unfulfilled ...pointless, insignificant-until Oleander. The unrelenting seduction of Oleander's cool, flawless skin-and deep, captivating eyes. The concern in his voice-the touch of his hand. The exhilaration and pride elicited by the sight of Oleander waiting for him after the visit with his family had left him feeling disappointed and unfulfilled. Amidst the chaos of his sexual reckoning, Timothy is compelled to uphold an intimate pact struck between himself and Oleander, and chooses to follow him north to Drakkar Castle-the threat of war upon them. Grimmr Coven is advancing deep into Drakkar Coven territory, and only Oleander may know the reason why. He had lived amongst

the Coven Grimm for many decades with his human lover, Torkel, and fears that a far greater threat is coming, forcing Grimm Coven south into Drakkar Coven territory. Left behind while Oleander goes in search of answers, Timothy's inner turmoil becomes unbearable. His only company enroute to Drakkar Castle, Alexis, a vivacious, blue-eyed seductress with a secret, intent on stealing him away for reasons that would launch the already fractured family of Drakkar at each other's throats. Alexander, Prince of the North - War has a way of binding unlikely creatures together. Alexander, Prince of the North, Alex, should have anticipated that his profound love for Oleander would blind him-fuel his desire to protect his forbidden love and his love's human companion-far beyond reason. His actions send his small group, including Oleander and Timothy, fleeing into the forest, aligning themselves with distant allies and negotiating with Seraphine, Queen of the North. Grimm Coven and the Garam Horde are caught in the middle of two enemies bearing down upon one another; Drakkar Coven and the Queen of the North. Something has provoked the queen to march south with her entourage of animated dead, out of her frozen ancestral lands. She has a weapon, in fact two, the taming of which will surely bring about her victory. The first, she must retrieve, the second walks straight into her hands.

The World of Thorgal: The Early Years - Volume 6 - The Frozen Drakkar Yann, 2019-10-16T00:00:00+02:00 After years of torment, the Queen of the Frozen Seas has finally escaped the clutches of Gandalf-the-Mad... and it appears that she knows something of Thorgal's origins. In order to find him, though, she'll have to survive in an unfamiliar world that seems bent on revenge. Could Slivia be the last of her kind? Plus, Thorgal is desperately searching for the

love of his life, lost at sea in a storm. He prays to all the gods and goddesses that, against all hope, Aaricia is somehow alive...

A Drakkar in the Mist Margaret Carradus,2018-10-24 Gyrth son of Godwin finds his nuptials interrupted by news that King Edward intends to rid his country of Earl Godwin and his clan once and for all. He creates a situation Godwin cannot win, and the whole family are dispossessed and thrown out of the country. Godwin has a plan for revenge, but before he can put it into action the kidnapping of the daughter of the Count of Flanders puts everything in jeopardy. Only with the help of a wild girl from the Airish lands can the brothers fight to regain what is truly theirs.The story is based around the events of 1051, when Edward of England and his Norman allies forced Godwin to defy the king's word, leading to the expulsion of the whole family and banishment of his wife, Godwin's daughter, to a nunnery. Tostig Godwinson married Judith, daughter of Baldwin of Flanders giving Godwin the backing to attack England, forcing Edward to agree to the family's return.

These attacks were aided by the King of Dublin and Leinster, who gave sanctuary to Harold and Leofwine. The story is an imagining of how these events came to pass, as there is so little historical detail to be found beyond that in the Anglo Saxon Chronicle.

Callum of Drakkar Coven Leigh Jarrett, 2012-07-23 Laramie had grown up listening to stories regaling Lord Callum's strength and beauty, but also warning of his ferocity and bloodlust. But was it true? Were Lord Callum and his brothers really vampires? Laramie's first glimpse of Lord Callum set his heart racing, partially out of fear, but mostly out of fascination and Lord Callum took note of that, pleased to have found his next plaything.
