MORE WAR... A desperate attack on the Kilrathi homeworld had succeeded in destroying the entire planet, including the Emperor and his warlords. The surviving Kilrathi, on warships and on their colony worlds were hopelessly demoralized and had sued for peace. The catlike warrior race was no longer a threat to Earth and its colonies. Thirty-five years of war had finally come to an end, bringing peace in our time. They thought... The reality was more ominous. There were still plenty of independent Kilrathi warlords surviving, commanding a formidable array of warships and weaponry. Some wanted revenge on the apes who had

destroyed the sacred homeworld, some wanted to set up their own new empires, and some were simply content to go pirate, raiding human colonies at will. But back on Earth, the war-weary people and their leaders turned a deaf ear to reports of Kilrathi belligerence, preferring to look forward to a peaceful and prosperous future. But it was only the calm before a new story... At the publisher's request, this title is sold without DRM (Digital Rights Management).

Fleet Action William R. Forstchen, 2016-12-06 The Kilrathi Empire is in a bind. For the last five years they have been constructing a secret fleet so powerful that it will slice straight through to Earth and destroy the Confederation. There is a problem, however: the Confederation has become increasingly successful with its behind-the-lines raids and the Prince fears that before the new fleet is ready, the Empire will be on the ropes. At a Kilrathi council of war a simple solution is agreed upon: sure for peace, lull the humans into disarming and then when all is ready, launch a surprise offensive. True to the tradition of democracies everywhere, the Confederation falls for it; the military stands down. Luckily for the human race, however, there are a few who

don't trust soft words from a Kilrathi mouth. Admiral Tolwyn and his veterans must fight a delaying action, buying time with their lives for humanity to make ready for the final battle... At the publisher's request, this title is sold without DRM (Digital Rights Management).

*Wing Commander: End Run* Christopher Stasheff,William R. Forstchen,1994-01-04 For generations the Terrans have battled the alien Kilrathi to a standstill. But now the slightly superior human technology is slowly giving way before the vast resources the catlike beings can bring to bear. The only hope is a suicidal end run. At the publisher's request, this title is sold without DRM (Digital Rights Management).

*The Price of Freedom* William R. Forstchen,Ben Ohlander,2017-01-03 In Heart of the Tiger the Kilrathi empire was eradicated through the bravery of a few flying aces. Now, Captain Blair and his wing are fighting a more familiar menace—their fellow humans. Blair had settled down to the quiet life of a farmer, but he's been called back into action to fight rebels from the Border Worlds. And Captain Blair finds that dog-fighting with people is a whole different kettle of kittens than fighting an alien cat species. Those humans are tricky in ways the

Kilrathi never dreamed of! At the publisher's request, this title is sold without DRM (Digital Rights Management).
