- 📖 [AFTERSHOCK](#) DAVID MATAS, 2005-09-03 Verbal attacks against Israel for human rights violations have turned into physical attacks against the Jewish community worldwide. How has that happened? This book attempts to explain the phenomenon. Anti-Zionists, whose primary goal is destruction of the State of Israel, use accusations of the worst forms of human rights violations against Israel to delegitimize the state. These accusations criminalize the Jewish population worldwide for actual or presumed support of the State of Israel. The contemporary international human rights system and the existence of the State of Israel are twin legacies of the Holocaust. The failure of the human rights system to prevent attacks on Israel and the Jews is an aftershock of the Holocaust.
- 📖 [EVENT](#) DAVID L. GOLEMON, 2010-04-01 In the summer of 1947, an unidentified object crashed in Roswell, New Mexico. There were no survivors. Now it's happened again. But this time, two creatures have emerged from the wreckage alive . . . One is a small being that is kind and benevolent, brimming with intense emotion and intelligence. The other, however, is an animal of remarkable strength and power. It has been brought clandestinely to our world with one sole purpose: the total extinction of all life on Earth. It is called the Destroyer of Worlds. Only the Event Group, the most secret agency in the history of the U.S. government, is prepared to wage battle against such a creature. The Event Group is a dedicated collection of the nation's most brilliant men and women of science, philosophy and the military. Their difficult task: solving the mysteries of the past and uncovering the hidden truths behind the myths and legends propagated throughout world history. In doing so they protect America from past mistakes---and ensure that history's errors will never be repeated. An act of war that started in New Mexico decades ago, and was covered up by another far darker organization, has been discovered by the Group at the same time as the new and seemingly identical incident threatens to wipe out the Earth's population. In the desert wastelands of the American Southwest, a battle is about to commence as the two creatures set out to fulfill their own destinies among the human race. Led by the valiant Major Jack Collins, the Event Group wages total war in the heat-soaked sands of the desert landscape. Using the benevolent creature as an ally and resource, they combine forces with the powerful might of the U.S. military and prepare themselves for an epic battle against the most dangerous threat against human existence that history has ever seen. Event tells of an epic struggle between two worlds. Author David Lynn Golemon has written a classic supernatural thriller, each page bringing human civilization closer to extinction, that proves a blistering roller-coaster ride of thrills and adventure.

- 📖 [2.5 DIMENSIONAL SEDUCTION VOL. 1](#) YU HASHIMOTO, 2022-02-08 I have no interest in real girls! So claims Okumura, the president of the school's manga club. He's your typical otaku, obsessed with a sexy (fictional) 2D manga character known as Liliel. Then the new school year starts, and a (real!) 3D girl named Lilya whose passion is cosplay joins the club. Lilya convinces Okumura to become her photographer--and guess who her favorite manga character is? Not only that, but Lilya is into modeling the fetishy stuff! The boundaries between 2D and 3D start to blur as this hot-blooded romantic comedy unfolds.

- 📖 [JOAN OF ARC](#), 2013-01-01 This sourcebook collects together for the first time in English the major documents relating to the life and contemporary reputation of Joan of Arc. Also known as La Pucelle, she led a French army against the English in 1429, arguably turning the course of the war in favour of the French king Charles VII. The fact that she achieved all of this when just a seventeen-year-old peasant girl highlights the magnitude of her achievements and also opens up other ways of looking at her story. For many, Joan represents the voice of ordinary people in the fifteenth century; the victims of high politics and warfare that devastated France. Her story ended tragically in 1431 when she was put on trial for heresy and sorcery by an ecclesiastical court and was burned at the stake. This book shows how the trial, which was organised by her enemies, provides an important window into late medieval attitudes towards religion and gender, as Joan was effectively persecuted by the established church for her supposedly non-conformist views on spirituality and the role of women. Presented within a contextual and critical framework, this book encourages scholars and students to rethink this remarkable story. It will be invaluable reading for those working in the fields of medieval society and heresy, as well as the Hundred Years' War.

- 📖 [WHERE THE MONEY WAS](#) WILLIE SUTTON, EDWARD LINN, 2004-03-23 The Broadway Books Library of Larceny Luc Sante, General Editor for more than fifty years,

Willie Sutton devoted his boundless energy and undoubted genius exclusively to two activities at which he became better than any man in history: breaking in and breaking out. The targets in the first instance were banks and in the second, prisons. Unarguably America’s most famous bank robber, Willie never injured a soul, but took on almost a hundred banks and departed three of America’s most escape-proof penitentiaries. This is the stuff of myth—rascally and cautionary by turns—yet true in every searing, diverting, and brilliantly recalled detail.

Patterns of Force: Star Wars Legends (Coruscant Nights, Book III) Michael Reaves,2009-01-27 After the Empire’s bloody purge of the Jedi, one lone knight still fights for those who cannot, unaware that he’s about to be swept into a cataclysmic battle against the Master of Darkness himself. Throughout the galaxy, a captured Jedi is a dead Jedi, even in Coruscant’s most foul subterranean slums, where Jedi knight Jax Pavan champions the causes of the oppressed with the help of hard-nosed reporter Den Dhur and the wisecracking droid I-5YQ. But Jax is also involved in another struggle—to unlock the secrets of his father’s death and his own past. While Jax believes that I-5YQ holds some of those answers, he never imagines that the truth could be shocking enough to catapult him to the frontlines of a plot to kill Emperor Palpatine. Worse yet, Darth Vader’s relentless search for Jax is about to end . . . in triumph. The future looming over the valiant Jedi and his staunch pals promises to be dark and brief, because there’s no secret whatsoever about the harshest truth of all: few indeed are those who tangle with Darth Vader . . . and live to tell the tale.
