Dullahan the Headless Horseman and Other Legendary Creatures of Ireland Craig Boutland,2018-07-15 The Headless Horseman has been a part of the folklore of quite a few different cultures for many years. In Ireland, the Dullahan is the name of the creature that rides atop a horse, often carrying its own head under an arm. Other legendary creatures, such as leprechauns and lake monsters, are discussed in this innovative volume. Readers will learn that these kinds of creatures and tales can sometimes exist similarly within different cultures. Packed with colorful images and illuminating sidebars, this engaging text is sure to be a popular addition to any library or classroom.

The Wolves of Dullahan Candace L. Bowser,T. E. Blackburn,2014-07-27 Leigh O'Bannon comes from a long, distinguished, line of Irish who settled in Dullahan Hollow. The opportunity of a lifetime is offered to her after graduation to become the Lead Archeologist at a newly discovered Native American burial ground. Leigh quickly discovers all is not as it seems once she and her team reaches the site. Realizing she needs the expertise of another, Leigh enlists the aid of a renowned authority on Native American Tribes and Culture, Jon Two Feathers. The longer Leigh is at the site, the more she begins to realize that she is somehow strangely tied to the woman whose remains lie in the grave and the wolf who was buried with her. As the dig continues, Leigh begins to understand her place within the Hollow. The wolves who once inhabited the Hollow are returning and only Leigh with the aid of her friends and the creatures who once protected the Hollow can save them from destruction.

Dullahan Mary Ann Poll,2017-04-01 A sinister secret lies hidden in the swamps of East Texas. One which has been kept for centuries.

A small town, a headless apparition, and a young man in a hospital hold the keys to unlocking the mystery. Four thousand miles away, Kat Tovslosky, Ken Melbourne and Bart Andersen prepare to leave Ravens Cove for a routine conference. What begins as a well-needed break becomes the fabric of most people's nightmares. For Kat, Ken and Bart, though, it's just another day in the life. Look out, East Texas, the Cove is coming to town. You might want to take cover. Because, you see, their all-too-familiar nemesis is waiting for them in the small town of Bordman's Crossing and will destroy anyone who gets in his way.

The Wolves of Dullahan Candace Bowser, T. E.

Blackburn, 2015-03-26 The O'Bannon family and the Minqua have learned that with peace always comes war. Through the ages they

have endured their share of both, but as the threat in the landscape continues to morph, the residents of Dullahan discover the threat they need to fear resides not far from the birthplace of Ari's roots. Farrah's visions are stronger, deeper than they have ever been before and she knows nothing can be settled until whatever troubles Tim is drawn to a close. A new child being born looms in the distant future, one unlike any born into the O'Bannon family. Is she the key to the way to lasting peace or does that elusive quest lie elsewhere?

The Dullahan S. A. Abeel, 2019-10-05 You might think there's not enough time for reading. Short stories, however, have one certain benefit: they are short. It's about the fast pace, a single-minded plot and concise form. This book The Dullahan has four short stories mostly about the Irish: Shanghaied is what you might think, but with a much different twist at the end. The Dullahan (sometimes known as the Headless Horseman) is set in Ireland during the time of the Great Hunger. So many struggles and obstacles just to stay alive. Summer Harvest takes place during the Civil War with an emigrant family from Ireland. The young girl disguises herself as a boy and joins the Union Army to keep from starving. The Chosen Road is something of a fable about choices we're given in life. Some good, others foolish.

The Curse of the Dullahan Taylor S Hoch, 2016-06-11 On his eleventh birthday, Prospero Clydesdale O'Shaughnessy, a red-headed, freckled-faced, nerdy, Irish/American kid who is small enough to be a kindergartener even though he's in the fifth grade and who is constantly bullied because of it, finds out he is not entirely human, he can use magic-though it usually makes him puke-and he even has a room full of gold in his basement! But as cool as that might sound to the average kid, for Prospero it means more than having a secret weapon to use against his tormentor, arch-nemesis, and school bully, Minor Barty. It means that with the help of the clan of gnomes that live in his backyard, a living enchanted suit of armor named Sir Nigel, his tomboy best friend Sadie, and his crazy Aunt Suki, he has to find a way to defend home, family, and friends from an evil headless monster called the Dullahan-a fairy the sidhe call the harbinger of death-who cursed Prospero's family generations ago and has been searching the world for them ever since, intending to destroy them all. And now he knows where Prospero lives!

Crossing the Threshold Taylor S. Hoch, 2016-12-04 Ailen swayed from side to side, whispering something over and over like he was in some sort of trance. In a sing-song voice, he said: In the flash, he is reborn Soul to soul the enemy sworn On Sanheim as the moon shines down To stand atop Binn Ghulbain's crown With bravest two beside him there To free the cursed, if he dare! Like a punch to the stomach, Prospero knew it was true. The Dullahan wasn't in some weird other world on the far side of a mirror. He was here, in Greenville, right now, riding around in that black limo. And if he could find him at the baseball field, then it wouldn't be long before he found . . . home! The prophecy says Prospero is supposed to be the hero who finally breaks

the curse put on his family generations ago by the Dullahan, but the Dullahan is a monster who leads an army of other monsters. What can one scrawny eleven year old half-leprechaun possibly do to protect his home and family from that? He knows it must have something to do with Ailen's strange chant . . . but what? The Dullahan has finally caught up to the O'Donnellan heir, so now Prospero, the Clan Glas Dair gnomes, Sir Nigel, Sadie, Chelsey-One-Eyed-Jack, and Aunt Suki are in for the battle of their lives! And they are out of time . . .

Edward Crane's Oisín and the Dullahan Edward Crane, 2015

Age of Aeon Candace Bowser, T. E. Blackburn, 2015-11-09 In a world filled with darkness, there is always light - a counterbalance to the evil that lurks beneath the surface of humanity. Through the ages they fought, fought to keep their lives, and the lives of those they knew, safe and protected in a world filled with uncertainty. The Clans saw the rise and fall of humanity, of civility, of what man was at both his greatest and his worst, and despite what they saw, hope was held onto with vigor that one day a world would come to be where the darkness no longer existed. When first the O'Bannon Clan met the Minqua, they could not have known the bond they would share, or how an unlikely friendship would bloom, yet it did and continued to flourish as centuries passed with the ease of a summer wind. The darkness they fought and defeated came under many guises, some old and strange, some new yet oddly familiar. In the end, only one truth remained - in the end an unexpected champion arose and that one piece of ancient wisdom continued.... in a world filled with darkness, there is always light - a counterbalance to the evil, for evil shall exist just as it had aeons ago.

The Wolves of Dullahan Bela's Curse Candace L. Bowser, The

Irishman,2014-04-13 Peace. It was a concept heartily embraced yet often elusive in the ever changing and sometimes challenging world in which the inhabitants of Dullahan now lived. It appeared some semblance of normalcy was possible and embraceable at last as the village expanded, families grew, and children became the hope of the new generation. Yet it quickly became apparent fate would once again intervene - leaving the Minqua Tribe and the O'Bannon family left to fight the most dangerous enemy they would ever face and forcing them to understand one undeniable truth. The past and present are intricately connected no matter the choices made. (Series Book 5)

Allies and Enemies Taylor Hoch,2016-09-20 Being the O'Donnellan heir and a leprechaun means that Prospero Clydesdale O'Shaughnessy can talk to fairy tale creatures, has a few tricks up his sleeve for dealing with the school bully, and can do some leprechaun magic-though it usually makes him puke. But it also means that with the help of the gnomes who live in his backyard, a living enchanted suit of armor named Sir Nigel, his tomboy best friend Sadie, his faithful dog Chelsey-One-Eyed-Jack, and his crazy Aunt Suki, he has to find a way to break the curse put on his family generations ago by an evil headless monster called the Dullahan who has been searching the world for Prospero's family for generations, intending to destroy them all. Irish legends and the sidhe call the Dullahan the harbinger of death and say he can kill with a word or a look, but they also tell of a prophecy saying a hero will be born who can stand up to the Dullahan and defeat him once and for all. The gnomes say all the signs point to Prospero being that hero . . . whether he likes it or not.

The Wolves of Dullahan Lupus Rising Candace L. Bowser,2012 Serenity was a feeling long lost to the Hollow until Leigh's discovery.

The lost tribe of the Minqua returned to their home; a home they had not known in many centuries. Peace became as commonplace as dew on the morning grass and prosperity followed. Leigh and her family became intertwined in the growing Minqua Nation. The destiny of not only Leigh O'Bannon Two Feathers, but also that of her family begins to reveal itself in ways Leigh had not expected. But when a long lost descendant returns the peace is endangered and the true destiny of those who live in the valley will be tested.

The Wolves of Dullahan Rise of the Celts Candace L. Bowser, The Irishman, 2012-09 The peace of the prior age and the long lasting tranquility was broken. Not even the cryptic messages spoken by beloved Chepi could have foretold. Tim and Ian O'Bannon must take fate into their hand if any of the family is to survive.

Hunting the Headless Horseman Mark Latham, 2016-12-15 This book asks the question, what if there was more to the ghostly fable than meets the eye? What if Washington Irving's legend of Sleepy Hollow was based on fact? Readers will learn long-forgotten lore about the headless spirits that have plagued mankind for centuries, and perhaps even now seek to invade our world.

The Headless Horseman of Sleepy Hollow Mark Latham, 2015-09-20 The legend of Sleepy Hollow is one of the great tales of American folklore, supposedly stemming from Washington Irving's famous short story. But what if there was more to the ghostly fable than meets the eye? What if Irving's account was based on fact? And what if the Headless Horseman of Sleepy Hollow was not unique, but merely one of a strange line of malevolent spirits sighted across the world, bringing misfortune to all that witness them? Within this book you will find long-forgotten lore about the headless spirits that have plagued mankind for centuries, and perhaps even

now seek ingress into our world. The Headless Horseman, and others like him, is at large in the dark places of the world, and should one encounter such a revenant, it is said that tragedy will surely follow...

The Wolves of Dullahan Age of the Lupus Candace L.

Bowser, The Irishman, 2013-10 Peace, ever the elusive dream, suddenly seemed a reality to the people of the valley and surrounding settlements. The O'Bannon Clan, the Two Feathers family and the Buscamante enclave knew the greatest dangers had yet to be discovered. Frightening conflicts had been foreseen. Warriors with abilities never imagined. Tim O'Bannon knew blood would flow and his family would pay any price for peace in the valley; and for some reason the thought excited him.

Dullahan Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dullahan has revolutionized the way we

consume written content.

Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dullahan has opened up a world of possibilities. Downloading Dullahan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dullahan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources

to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dullahan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dullahan. Some websites may offer pirated or illegally obtained copies of

copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dullahan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dullahan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free

PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
