Provisions are gathered, blades sharpened, and, trying to shake the feeling of dread, you set out to find your way...Into the Dungeon. Into the Dungeon is a 100+ page choose-your-own-path game-in-a-book, where all you need to play is a pencil. Dungeon World Jonathan Brooks,2019-03-02 In a distant world five times the size of planet Earth, dungeons and their dungeon cores have become the top of the food chain. Millions of dungeons inhabit the planet, utilizing the various human kingdoms as a source of much-needed mana to facilitate their own growth; in turn, the humans delve into the dungeons and acquire their own power in the form of Essence, which allows them to develop and enhance themselves in a multitude of different ways. It is a symbiotic relationship that has lasted centuries and has brought about a measure of peace. Far in the northern wilds where no humans (and therefore - no dungeons) regularly frequent, a young man is left alone when his parents are murdered suddenly and unexpectedly. Now, without friends, family, or even supplies, he embarks on a journey to find out who targeted his parents - and who he needs to enact his revenge upon. Along the way, he discovers something about himself that his parents said was impossible from the moment he was born. Will he learn to control the new powers he has gained, or will his newly awakened dungeon core abilities consume him?Contains LitRPG elements such as statistics and leveling. No harems and no profanity.

Dungeon Crawler Carl Matt Dinniman,2020-09-21 The apocalypse will be televised! A man. His ex-girlfriend's cat. A sadistic game show unlike anything in the universe: a dungeon crawl where survival depends on killing your prey in the most entertaining way possible. In a flash, every human-erected construction on Earth--from Buckingham Palace to the tiniest of sheds--collapses in a heap, sinking into the ground. The buildings and all the people inside have all been atomized and transformed into the dungeon: an 18-level labyrinth filled with traps, monsters, and loot. A dungeon so enormous, it circles the entire globe. Only a few dare venture inside. But once you're in, you can't get out. And what's worse, each level has a time limit. You have but days to find a staircase to the next level down, or it's game over. In this game, it's not about your strength or your dexterity. It's about your followers, your views. Your clout. It's about building an audience and killing those goblins with style. You can't just survive here. You gotta survive big. You gotta fight with vigor, with excitement. You gotta make them stand up and cheer. And if you do have that it factor, you may just find yourself with a following. That's the only way to truly survive in this game--with the help of the loot boxes dropped upon you by the generous benefactors watching from across the galaxy. They call it Dungeon Crawler World. But for Carl, it's anything but a game.

Now, instead of exploring, Clay must learn how to interview new monsters, set traps and position slimes around the dungeon. Will this new career path bring her any closer to finding her father?

Dungeon Quest Book 2 Joe Daly,2011-04-05 In 2010’s Dungeon Quest Book One, Millennium Boy decided to grab his hobo stick, his bandana, and his Swiss Army knife, bid his mom goodbye, and head off on a quest for adventure. Joined by his best friend Steve (weapon: baseball bat; clothing: wife beater, cargo pants and sandals), the muscle-bound Lash Penis, and the silent but deadly Nerdgirl, he began a mystical quest to find the missing parts of the Atlantean Resonator Guitar. In this second book, our heroes continue their quest by wandering through the primeval gloom of Fireburg Forest in search of the prophet and poet Bromedes, who can unlock the mysteries of Atlantis for them. Along the way, they encounter giant spiders, river trolls, and copious amounts of killer weed. Joe Daly’s delightfully unique stoner/philosopher dialogue and distinctive character designs, coupled with hilarious over- the-top Role Playing Game action (complete with periodic updates for each character’s status in ten criteria, including “dexterity,” “intelligence,” and “money”), propel Daly’s story into heretofore unachieved action-comedy heights.
