The Quest for the Trilogy Mel Odom,2007-03-20 The secret to protecting the civilized world from an ancient threat may lie in the pages of three books...and it is up to master librarians of the past and present to secure these pages of knowledge. Set in the years after Lord of the Libraries, young halfer Juhg is still growing into his job as Grandmagister when an ally from the past, the wizened wizard Craugh returns with warnings of an ancient threat that may resurface--the so-called Kharrion's Wrath which endangers the existence of the world. Juhg must now unlock the secrets contained in the journals of his now absent mentor Wick, the former Grandmagister and legendary hero known as The Rover. He must also continue his documented but clandestine search for a trilogy of books, which brings him through many different realms of their very dangerous world...and into conflict and contact with other races (elves, dwarves, and men) whose fates are all intertwined among the pages of the great book of Time. The Quest for the Trilogy weaves three separate quests into one as the young historian races against the clock to protect not just his world, but all others as well. Iii Wars Trilogy John E. Thompson,2010-07-19 It was the last image however, taking shape just before the entrance to his treasure room, that shook Thirds very soul and filled him with more terror and dread he had ever felt before. An imposing human warrior stood barring Thirds entrance into his destiny of power and fame. The man stood resolute in his battle ready stance, and Third felt as though he was seeing death incarnate. The warrior held a metallic rod in one gauntleted hand and a shield at the defensive ready in the other. A single stonework battle tower was emblazoned upon the circular shield. Somehow, Third knew that he would forever remember this warriors determined face. Third tried to focus his mind to remove the vision, but it remained. He tried to slow his drifting approach toward the warrior, but he couldnt. Some force was compelling them to each other. With calculating eyes the warrior sensed his presence and raised his battle rod to strike. An aqua-blue hue enveloped the metal rod as it shimmered, transformed, and lengthened into a long sword. Flames burst to life over the entire surface of the gleaming blade as the terrifying warrior raised it high overhead. With his shield held in perfect defense he lunged forward and slashed the blazing sword downward into Thirds mind.
