The War of the Worlds H. G. Wells,2016-03-15 The science fiction masterpiece of man versus alien that inspired generations, from Orson Welles's classic radio play to the film starring Tom Cruise. At the turn of the twentieth century, few would believe that mankind is being watched from above. But millions of miles from Earth, the lords of the Red Planet prepare their armies for invasion, waiting for the moment to strike. When they land in the English countryside, baffled humans approach, waving white flags, and the Martians burn them to a crisp. The war has begun, and mankind doesn't stand a chance. As Martian armies roll across England, one man fights to keep his family safe, risking his life—and his sanity—on the front lines of the greatest war in galactic history. H. G. Wells's groundbreaking novel, adapted to radio and film, among other mediums, by visionary artists from Orson Welles to Steven Spielberg, remains one of the most chilling, unforgettable works of science fiction ever written. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Warrior Wolf Women of the Wasteland Carlton Mellick,2009-10 Road Warrior Werewolves versus McDonaldland Mutants...post-apocalyptic fiction has never been quite like this. They call themselves the Warriors, their enemies call them the Bitches. They are a gang of man-eating, motorcycle-riding, war-hungry werewolf women, and they are the rulers of the wasteland. A century after the fall of civilization, only one city remains standing. It is a self-contained utopian society protected by a three-hundred-foot-high steel wall. The citizens of this city live safe, peaceful lives, completely ignorant to the savagery that takes place beyond the walls. They are content and happy, blindly following the rules of the fascist fast food corporation that acts as their government. But when Daniel Togg, a four-armed bootlegger from the dark side of town, is cast out of the walled city, he soon learns why the state of the outside world has been kept secret. The wasteland is a chaotic battleground filled with giant wolves, mutant men, and an army of furry biker women who are slowly transforming into animals. Trapped on the wrong side of a war zone, Daniel Togg makes new friends and new enemies, while uncovering the mysteries of the people living in the wasteland and how they came to be there. Including 45 illustrations by the author, Warrior Wolf Women of the Wasteland is an epic bizarro tale of dehumanization, gender separation, consumption, and violent sexual awakenings. A fast-paced post-apocalyptic adventure in the vein of The Road Warrior, featuring a very unique werewolf mythology.
