The Cultural Gutter Carol Borden, Chris Szego, Ian Driscoll, 2011 Science fiction, fantasy, comics, romance, genre movies, games all drain into the Cultural Gutter, a website dedicated to thoughtful articles about disreputable art-media and genres that are a little embarrassing. Irredeemable. Worthy of Note, but rolling like errant pennies back into the gutter. The Cultural Gutter is dangerous because we have a philosophy. We try to balance enthusiasm with clear-eyed, honest engagement with the material and with our readers. This book expands on our mission with 10 articles each from science fiction/fantasy editor James Schellenberg, comics editor and publisher Carol Borden, romance editor Chris Szego, screen editor Ian Driscoll and founding editor and former games editor Jim Munroe.

BMO's Day Out Max Brallier, 2013 There are so many things to do in the Land of Ooo that the characters need a little help--your help. Solve the riddles, puzzles, and codes in this story to alter the characters' paths and lead them on many different adventures!--Page 4 of cover

Adventure Time: Candy Capers Yuko Ota, Ananth Panagariya, Pendleton Ward, 2014-05-13 With Finn and Jake missing, Peppermint Butler and Cinnamon Bun are tasked with protecting Candy Kingdom.

Analyzing Adventure Time Paul A. Thomas, 2023-07-20 In 2010, Cartoon Network debuted a new animated series called Adventure Time, and within just a few short years the show became both a pop culture phenomenon and a critical darling. But despite all the admiration, not many works of scholarship have assessed the show through a critical lens.

This anthology is an attempt to fill this scholarly oversight and spark a wider conversation about the show's deeper themes. Across 15 scholarly essays, this book's contributors study Adventure Time from a variety of angles, proving just how insightful the series really is. From a consideration of BMO's queer identity to a psychoanalytic reading of Lemongrab and an examination of how anime has impacted the show, the topics explored in this anthology are diverse and unique and are likely to appeal to scholars and fans alike.

Adventure Time and Philosophy Nicolas Michaud, 2015-04-14 Adventure Time and Philosophy is a monster-beating, wild ride of philosophical mayhem. One of the deepest and most thoughtful television shows ever to assault human brain waves, Adventure Time shows us what the world could be like, challenging everything we know about life, meaning, heroism, and even burritos, and it's time to give the show some serious thought. This book screws open our cranial lids, mucks about in the mess that is our heads, and attempts to come to some answers about the nature of reality. Adventure Time and Philosophy is a chance to put down your broadsword, put your exhausted monster-slaying feet up, and try to figure out why you spend your time rescuing people in distress and fighting for justice. Who better than Finn and Jake to have as companions when taking on Plato, Nietzsche, and Baudrillard or encountering the Slime Princess, the Ice King, and

Marceline the Vampire Queen? Filled with chapters written by a colorful cast of characters, *Adventure Time and Philosophy* enlightens us about the profound and life-affirming spiritual subtext and dark comedic elements of an awesomely fantastic show.

Exploring the Land of Ooo Paul A. Thomas, 2023-08-16 *Exploring the Land of Ooo: An Unofficial Overview and Production History of Cartoon Network's Adventure Time* is a guide through the colorful and exuberant animated television series that initially aired from 2010 to 2018. Created by visionary artist Pendleton Ward, the series was groundbreaking and is credited by many with heralding in a new golden age of animation. Known for its distinct sense of humor, bold aesthetic choices, and memorable characters, *Adventure Time* has amassed a fan-following of teenagers and young adults in addition to children. Popularly and critically acclaimed, the show netted three Annie awards, eight Emmys, and a coveted Peabody. In this thorough overview, author Paul A. Thomas explores the nuances of *Adventure Time's* characters, production history, ancillary media, and vibrant fandom. Based in part on interviews with dozens of the creative individuals who made the show possible, the volume comprises a captivating mix of oral history and primary source analysis. With fresh insight, the book considers the show's guest-directed episodes, outlines its most famous songs, and explores how its characters were created and cast. Written for fans and scholars alike, *Exploring the Land of Ooo* ensures that, when it comes to *Adventure Time*, the fun truly will never end.

Adventure Time: The Official Cookbook Jordan Grosser, 2016-11-29 Grab your friends and get cooking in the land of Ooo with *Adventure Time: The Official Cookbook*, featuring recipes from all your favorite characters and kingdoms. In the Founders' Island

Library, Finn discovered the remains of an old cookbook filled with dishes such as “lasagna” and “boiled eggs.” And he was pretty sure that the cookbook had belonged to his mom at some point. Weird. But a lot of the pages had been lost to the cruel sands of time. So Finn took it upon himself to fill up the book with as many crazy delicious food ideas as he could. And since that only filled around six pages, he recruited Jake, Marceline, Princess Bubblegum, and the other citizens of Ooo to help complete the cookbook. There was pouring! There was mixing! There was a pasta-related Wizard Battle! Are you ready to feast your eyes and prepare your stomach for the most awesome, most delicious meals this side of the Candy Kingdom? Grab your friends and start cooking, Ooo-style, with *Adventure Time: The Official Cookbook*.

The Adventure Time Encyclopaedia (Encyclopedia) Martin Olson, 2013-07-22 What time is it? Adventure Time™! Explore the magical world of Ooo with Jake the Dog and Finn the Human, along with the Ice King, Princess Bubblegum, Marceline the Vampire Queen, and all your favorite Adventure Time characters, in this New York Times bestselling companion book to Cartoon Network’s hit animated series. Written and compiled by the Lord of Evil himself, *The Adventure Time Encyclopaedia* matches the playful, subversive tone of the television series, detailing everything anyone will ever need to know about the postapocalyptic land of Ooo and its inhabitants—secret lore and spells, fun places you should visit and places where you will probably die, whom to marry and whom not to marry, how to make friends and destroy your enemies—plus hand-written marginalia by Finn, Jake, and Marceline. An indispensable guide to the show fans love to watch, this side-splittingly funny love letter to Adventure Time is sure to appeal to readers of all ages.

Heck yeah! From the Back Cover: Written by the Lord of Evil Himself, Hunson Abadeer (a.k.a. Marceline the Vampire Queen's dad), to instruct and confound the demonic citizenry of the Nightosphere, The Adventure Time Encyclopaedia is perhaps the most dangerous book in history. Although seemingly a guidebook to the Land of Ooo and its postapocalyptic inhabitants, it is in fact an amusing nightmare of literary pitfalls, bombastic brain-boggles, and ancient texts designed to drive the reader mad. Complete with secret lore and wizard spells, fun places you should visit and places where you will probably die, advice on whom to marry and whom not to marry, and how to make friends and destroy your enemies, this volume includes hand-written marginalia by Finn, Jake, and Marceline. Arguably the greatest encyclopaedia ever written since the beginning of the cosmos, it is also an indispensable companion to humans and demons who know what time it is: Adventure Time! Praise for The Adventure Time Encyclopaedia: "Even if you're an adult Adventure Time fan, the book will make you feel like you're 10 again." —USA Today's Daily Candy blog "The brand-new Adventure Time Encyclopaedia will tell viewers everything they need to know about the post-apocalyptic magical land and its inhabitants." —Entertainment Weekly's Family Room blog "The . . . Theorizing Stupid Media Aaron Kerner, Julian Hoxter, 2019-11-05 This book explores the stupid as it manifests in media—the cinema, television and streamed content, and videogames. The stupid is theorized not as a pejorative term but to address media that “fails” to conform to established narrative conventions, often surfacing at evolutionary moments. The Transformers franchise is often dismissed as being stupid because its stylistic vernacular privileges kinetic qualities over conventional narration. Similarly, the stupid is often present in genre fails like *mother!*, or in instances of narrative dissonance—joyously in *Adventure Time*; more controversially in *Gone Home*— where a story “feels off” It also manifests in “ludonarrative dissonance” when gameplay and narrative seemingly run counter to one another in videogames like *Undertale* and *Bioshock*. This book is addressed to those interested in media that is quirky, spectacle-driven, or generally hard to place—stupid!
