**Earthshaker** John Benjamin,2012-10 What in the world is going on? Almost overnight our modern world has entered into a period of great change, very suddenly and unexpectedly, with the largest and most violent storms, earthquakes, solar flares, flooding, droughts, severe weather anomalies, and earth changes than the greater majority of us have ever experienced in our lifetimes. The largest drought ever recorded in America's history struck so quickly in 2012 that it was called a flash drought, encompassing over half of the entire nation. The full extent of the damage that this has caused through crop loss has yet to be realized on the world's markets, but there will most certainly be food shortages soon, and prices are already beginning to skyrocket worldwide! Water shortages and actual water wars are also beginning to occur. The rest of the entire world is also experiencing these same disastrous events. Gigantic earthquakes are happening worldwide causing untold destruction! So many people have lost their lives or have been displaced by these unexpected tragedies that there is simply no way to account for them all. India had a power outage so great that seven hundred million people were without electricity for weeks, and people worldwide fear that something of this same magnitude may also strike their area in the very near future. What in the world is going on here? This book provides the answer to this question and gives sound advice on what you can do to prepare yourself as well as your family and friends to survive the even more severe earth events that may be set to occur shortly in our modern, rapidly changing world. It is my earnest hope that this book will be a great help and source of strength for you in the uncertain times that lie directly ahead. John Benjamin

**Earthshaker** Adrienne Lemke,2016-12-08 Jason is furious. As is the voice screaming in his head. The Mastermind has taken everything from him. Now, he is out for blood... Lena wants to help him find justice, but the suddenly hostile Jason only snaps back at her outstretched hand. She is further hindered when he decides to leave on his hunt with the worst possible ally at his side. When he is pulled in two directions-justice or vengeance-will Jason be able to make the right choice? Or will he continue down his new, dark path?

Earthshaker Robert Jeschonek,2012-05-22 Sexy private eye Gaia Charmer brings new meaning to the words Earth Angel. This mysterious (and bipolar) bombshell has the power of the Earth itself at her fingertips, but the murder of her best friend knocks her world off its axis. Out for blood on the killer's trail, Gaia and a tough-as-nails rock hound sheriff must overcome Landkind--a secret society of movers and shakers with the hearts and minds of landforms (mountains, rivers, islands, etc.)--and a vicious enemy with the key to her true identity. She risks everything to reclaim her legacy as Mother Earth in human form. A woman with the weight of the world on her shoulders in more ways than one. Don't miss this paranormal urban fantasy, now available from award-winning urban fantasy writer Robert T. Jeschonek, author of My Favorite Band Does Not Exist.

**Kindred** Adrienne Lemke, 2013-12-06 "You saved me, consider this a gift. I will be watching. Be safe, Tracker- Kindred." With this message, left alongside the murdered body of Jason's father, Kindred entered Jason's life as a protector- and a threat. Jason is still trying to work through the repercussions of being kidnapped and tortured, along with the reluctant guilt he feels about ending a life. Adding Mason's former assassin, who thanks Jason for his freedom by killing people, is too much. When Kindred's vendetta against those he sees as a threat to Jason leads to confrontation between the two men, Jason needs to fight his instinct to grab his belongings and run in order to stay and protect the people he loves. After watching Jason suffer through the injuries accrued while under Mason's control, Hannah wants him to stop working with the police and live a more normal life. She tries to get Jason to talk about everything he's been through so he can learn from it and move on. When Kindred refuses to stop sending messages, she realizes Jason can't sit idly by while the other man kills more people. Unfortunately Kindred is no longer happy simply observing Jason and keeping him safe, and

he gets in the way of Jason's attempt to live a normal life. Hannah wants to keep Jason safe from the threat Kindred has become. She must learn to let Jason deal with things his own way, even if it could mean losing him.

**Tamerlane: The Earth Shaker** Harold Lamb, 2021-11-09T23:14:00Z During his lifetime, Tamerlane conquered more territory than anyone except Alexander. Although at times a brutal conqueror, he was also a man of compassion and great intelligence. He spoke several languages and was a patron of art, poetry and music.

**Poseidon** George O'Connor, 2013-03-19 A NEW YORK TIMES BESTSELLER In the fifth installment of the Olympians series of graphic novels, author/artist George O'Connor turns the spotlight on that most mysterious and misunderstood of the Greek gods, Poseidon: Earth Shaker. Thrill to such famous myths as Theseus and the Minotaur, Odysseus and Polyphemus, and the founding of Athens--and learn how the tempestuous Poseidon became the King of the Seas. This title has Common Core connections.

**Serpent Daughter** D.J. Butler, 2020-11-03 DRAGON AWARD-NOMINATED SERIES. New entry in the Witchy War series, blending alternate history, Appalachian Folklore, and epic fantasy. Sarah Calhoun has taken her father's throne and ascended into her goddess's presence in Unfallen Eden as her father never did. And Sarah Calhoun is dying. Her uncle Thomas Penn isn't done with her. Armed with new powers conferred upon him by the Necromancer and with new allies won via his impending marriage, Penn aims to remove Sarah from her throne--and from the world of the living. In the meantime, Sarah has fallen out with one of her best allies. Against Sarah's advice, her brother Nathaniel heads into Imperial Philadelphia with the reckless and likely impossible aim of healing the Emperor Thomas. On the shores of the northern seas, agents of Franklin's Conventicle with an unlikely connection to the Emperor struggle to win allies among the pole-dwelling giants, who are torn between seizing land covertly from the Firstborn of the Ohio and entering the war openly on the side of Simon Sword. In the west, the Heron King rides an

explosive storm into war, crushing the mortal kingdoms in his path and bearing down on Sarah's Cahokia. To survive—and to gain the strength she needs to fight this impossible war—Sarah must unite the Moundbuilder kings to enact an ancient rite that will propel her beyond mortality. To do so, she must not only win over doubters among the Firstborn kings, but she must also beat back a rebellion among the Handmaids of her goddess—for there are some of the goddess's priestesses who long for the dark days of human sacrifice, and who are willing to throw Sarah herself upon the altar. Praise for *Witchy Winter*: "Butler follows *Witchy Eye* with a satisfying second tale of a magic-filled early America. . . . Deep and old magic influences both places and characters, and the story is tightly focused on the determined Sarah . . . Fans of epic and alternate historical fantasy will savor this tale of witchery and intrigue."—*Publishers Weekly* For readers who love history-based fantasy, steampunk, or urban fantasy . . . this series that gives the genre a new twist.—*Booklist* Praise for *Witchy Eye* and D.J. Butler: " . . . you can't stop yourself from taking another bite . . . and another . . . and another . . . I didn't want to stop reading . . . Kudos!"—R.A. Salvatore "Excellent book. I am impressed by the creativity and the depth of the world building. Dave Butler is a great storyteller."—Larry Correia "*Witchy Eye* is an intricate and imaginative alternate history with a cast of characters and quirky situations that would make a Dickens novel proud." —Kevin J. Anderson Butler's fantasy is by turns sardonic and lighthearted; ghoulish shadows claw into the most remote areas and heroism bursts out of the most unlikely people. Sarah is the epitome of the downtrodden hero who refuses to give up until she gets what she needs, and her story will appeal to fantasy readers of all stripes.—*Publishers Weekly* David's a pro storyteller, and you're in for a great ride.—Larry Dixon . . . a fascinating, grittily-flavored world of living legends. Hurry up and write the next one, Dave.—Cat Rambo This is enchanting! I'd love to see more.—Mercedes Lackey "*Goblin Market* meets *Magical Musketpunk* . . . A great ride that also manages to cover some serious cultural terrain." —Charles E. Gannon *Witchy Eye* is a brilliant blend of historical acumen and imagination, a tour-de-force that is at once full of surprises and ultimately heart-warming. This is your chance to discover one of the finest new stars writing today!—David Farland "A gritty, engrossing mash-up of history, fantasy, and magic. Desperate characters careen from plot twist to plot twist until few are left standing."—Mario Acevedo Captivating characters. Superb world-building. Awesome magic. Butler fuses fantasy and history effortlessly, creating a fascinating new American epic. Not to be missed!—Christopher Husberg [A] unique alternative-history that is heavily influence by urban and traditional fantasy and steeped in the folklore of the Appalachians. . . . Fans of urban fantasy looking to take a chance on something with a twist on a historical setting may find this novel worth their time.—*Booklist*

Seismosaurus David Gillette, Mark Hallett, 2010-06-01 The first book to clearly explain the science used by paleontologists and the new, cutting-edge techniques that led to the discovery of Seismosaurus, the longest dinosaur yet known---and possibly the largest land animal to have ever lived. The book also illustrates the exciting collaboration between Gillette, the chemists and physicists who helped to reconstruct Seismosaurus.
