Prange,2012-09-06 A Blade of Dark Ebony tells the story of Ebon, who at the age of 20, is forced to face the reality of the world in which he lives, a world that can be capricious, but can also offer exciting rewards. Supported by key friends (Mendel, Gabriel and Caliel, the love of his life) he leaves the sheltered life of his youth to search for his real identity. Is he just like the father who raised him, or is he someone quite different? One thing he knows: the man who raised him as a father was one of the most skilled swordsmen of his day and he will have to work long and hard to follow in his footsteps. Impatient to gain glory, he needs to learn patience and commitment and come to understand that the training of the mind is every bit as important as the training of the body. As the story develops, the thoughts and ideals of his youth are severely challenged and he must decide the path he will follow. Even as his friends follow their planned path to glory through the army, Ebon is torn from their tight-knit fellowship and becomes a part of a mercenary army known as the Black Knights led by Arthur Pandell. Arthur, himself a swordsman of growing legend, decides to mentor Ebon. Enrolling Ebon in the intensive training program of mind and body he will need to succeed, Arthur unwittingly prepares Ebon to enter the first great tournament of the best warriors in the country. To gain glory Ebon must not only overcome the intrigue of his opponents, but the temptation to yield the very ideals of his young life. The pressure to

win only intensifies when Ebon learns that only by winning can he help his beloved Caliel.

**Dragon Dance** Jordan Zlotow,2022-04-13 Dragon Blade It all started when a lowly computer programmer discovered he had been hypnotized with a false identity. He was somebody. Better than that, he was a hero in another world that direly needed him back. Jim Foley inadvertently dragged his company's best secretary, Summer Quinn, along with him for the trip back to his magical home of Calladrin as their romance was just budding. Home, Jim learned of his true name and heroic persona, Jalen Bloom, and that he was needed to destroy an evil plaguing the land called Black Death. Once creating the magic talisman, Dragon Blade, Jim defeated Black Death, his army, destroyed the talisman in the process, and brought Summer home, making her Mrs. Foley. Dragon Flute After quitting his programming job, Jim Foley started Dragonsoft, the family-owned laptop business that ran successfully for fifteen years. All was right in the world until Gillius, a dwarven ghost from Jim's old life, came to call him back home again. This time, Ralius, Jim's spitting image fifteen-yearold son, and Riel, Ralius's best elf friend, would come along as they hunted for the lost Dragon Flute. After a harrowing journey across a prehistoric sea with an intrepid crew aboard the giant royal ship dubbed the Tempest, the fabled object was finally obtained. Delbin, a powerful trickster demon who had threatened the subversion of Calladrin's kingdom under King Joel, as well as all the multiverses, was finally destroyed by the Dragon Flute, wielded by a fifteen-year-old. The land was restored to normal then, and the Blooms came back to Los Angeles in order to resume their normal lives with Ralius becoming the captain of the soccer team and discovering his love of writing. Dragon Dance Things have largely settled in the magical land of Calladrin over the last fifteen years. The various kingdoms, factions, and tribes have retreated to their strongholds to live their separate lives, and the super continent is at peace. King Jalen and Queen Summer Bloom have ruled their people fairly through this entire prosperous period. Prince Ralius, having returned to Los Angeles to study English, has become a professor of literature at the lovely beach side Pepperdine University. All seems right with life while Ralius, going as Dr. Foley now, teaches his classes and lives his happy yet somewhat lonely life with Ramses, his cat. His days are full of sunshine and the never-ending work of a university professor until, one day during lecture, the past comes back to haunt Dr.F. Being in the middle of a lecture about the Red Death, Dr. F is surprised by an old foe returning to settles cores. Like any good teacher, Dr. F's priority is to his students--TJ or Telemachus Jones, the athlete; Amy, the pacifist; Akim, the clown; and Bianca, a foreign exchange student and former model. Caught up in the struggle for supremacy over Calladrin, Dr. F has no choice but to take his university students with him back to Calladrin in order to keep them safe and to check on Mom and Dad. What follows is the final adventure in a series of mystical discoveries and epic battles as we greet familiar friends and make new ones, culminating in the third and final installment of the thrilling Dragon Talisman Trilogy.

*Midnight Amethyst* Linda Austin,2014-02-05 My name is Vellin. I have been commissioned by a power much greater than myself to be your guide through this adventure. Storyteller, I never considered myself to be, but I will do my best to bring you this tale of magic and majesty. I am not the major player in this cycle, but to properly set the stage, you need to know a few bits about me. There are other places in this ebon void of ours than this amethyst and crystal shard upon which you abide in such bright beauty and boundless bounty. My shard broke into being the same time yours did, when the Dark Rebellion destroyed the crystal world the Elder Gods formed. My kind live a long time and I chose, after my family returned to the light and the air as we do when our lifepaths end, to travel. The Bright Goddess allowed me a wondrous blue orb, so soft and comfortable. I do admit to enjoying my comforts and I will confess to being spoiled. This lighted circle of transportation allowed me to visit several neighboring islands in this vastness in which we float. I traveled, observed, abided for a time. I thought, wrote, sang and learned. On your beautiful shard I found my bliss.
