Glutton Ed Gamble,2023-10-26 'This book made me laugh and then order an unholy amount of takeaway.' GREG DAVIES 'One of my favourite comics has now written an annoyingly great book.' ROMESH RANGANATHAN 'Full of belly laughs and full bellies, this book is warm, honest and wonderfully entertaining.' TOM KERRIDGE 'One of the funniest comedians in the world, Ed is only serious about one thing - dinners.' NISH KUMAR --- The hilarious memoir from comedian, Off Menu host and Great British Menu judge, Ed Gamble. From a young age, Ed Gamble's immaculate bibs and extremely dirty nappies hinted at his capacious appetite. Before he could walk, Ed already knew that he preferred poached salmon to puree, that celery was a calorie-sapping waste of time, and that mashed potatoes should be made with lashings of butter. Whilst he might ordinarily have been upset by the calls of 'precocious little sh*t' coming from his family, he was too busy stuffing his gob and staging rebellions against the patronising list of misery that is a children's menu. In Glutton, Ed shares a relatable buffet of experiences and stories from a life lived through food. From the trials of being a diabetic with a sweet tooth to his teenage battles with obesity, to the joy of cooking and the power of food to bring us together, this is a wonderful, hilarious and heart-warming memoir of a delightful obsession.

You Get Two For the Price of One! Ed Gamble,1995-06-30 In his introduction, Ed Gamble points out the intriguing relationship of political cartoonist and politician. It is a relationship that can range from downright antagonistic to one of mutual praise. While political cartoonists would have a hard time making a livelihood without politicians, politicians often do wish that they were living without editorial cartoonists. It is a sentiment one might infer from the forewords by former presidents George Bush and Gerald Ford. President Bush discusses how you have to take the good with the bad in the world of editorial cartoons. Grin and bear it, he says, that's the best way. President Ford feels that humor is indispensable to democracy and the clearest and most resounding expression of freedom that we have, although he too has felt the sting of cartoonist attacks. Overall, his best advice after nearly three decades of political service in the nation's capital is to smile; maybe the next one will be nicer. In this collection of cartoons, the editorial cartoonist for the Florida Times-Union focuses on the ups, downs, and pitfalls of the political world. The title refers to Bill and Hillary Clinton, the subject of the first seven chapters. These chapters include: In the Beginning: The Campaign, Bill and Hillary Take Over, Foreign Affairs: The New Confused Order, Domestic Affairs: More Disorder!, Hillary's Health Care, Whitewater, and Foreign Affairs II: Help! Other chapters discuss topics from the O. J. Simpson trial to the November 1994 elections to the new Republican agenda.

In fact it is the only book about running I have ever read, but it is HILARIOUS!' - David Walliams '...insightful, inspiring and laugh-out-loud funny!' - Michael McIntyre 'Pain. Hope. Misery. Joy. All the big stuff. Excellent.' - Dara Ó Briain 'This book is funny (which I expected) and concerns running (ditto), but it is also exceptionally moving and profound. Don't be fooled: it's not really about completing a marathon. It's about life and all its joy and weirdness. Recommended to all...' - Miranda Sawyer 'Very good book... very funny, very insightful, very inspiring' - Chris Evans, Virgin Radio 'Fabulous book' - Radio 2 The hilarious trials and tribulations of stand-up comedian Paul Tonkinson as he attempts to beat the much lauded 3-hour mark at the London Marathon. With a supporting cast of fellow comedians, this is a warmly written and wonderfully honest adventure-through-sport that will both entertain and inspire. Along the way, we are introduced to the characters helping Paul with his quest. Celebrity names such as Bryony Gordon, Russell Howard, Roisin Conaty and Vassos Alexander pop up with wit and wisdom, alongside an alpine adventure to the Mayr Clinic with Michael McIntyre that pushes Paul to the limit. And not forgetting the 'words of wisdom' and derision from Paul's anti-running friend, Richard.

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster,2017-08-24 **THE SUNDAY TIMES BESTSELLER** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER,MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.

The One Ed Decter,Laura J. Burns,2009-03-10 Chloe Gamble knows three things: she's better than the tiny Texas town she grew up in; there's just one person she can trust; and she wants to be famous. And what Chloe wants...Chloe gets.

Running Tracks Rob Deering,2021-08-05 Rob Deering has been listening to music his whole life, but it was only in his mid-thirties that - much to his surprise - he found himself falling in love with the hugely popular, nearly perfect, sometimes preposterous activity of running In this vividly conjured collection, Rob shares stories of when a run, a place and a tune come together in a life-defining moment. His adventures in running have spanned four continents, fifteen marathons and numberless miles of park and pavement, and the carefully chosen music streaming through his headphones has spurred him forward throughout. What makes the perfect running tune? Where can you find the best routes, even in an unfamiliar town? Why do people put themselves through marathons? In Running Tracks, Rob Deering shares his sometimes surprising answers to these questions, and explains how a hobby became an obsession that changed his life forever.
