Edward Scissorhands: the Final Cut Kate Leth, 2016-09-13 All 10 issues of the critically acclaimed series by writer Kate Leth and artist Drew Rausch are collected in this deluxe, oversized hardcover. Once adored by the Boggs family and the neighborhood that welcomed his arrival, Edward Scissorhands' intervening years of reclusion have not been kind to him. But now, decades later, his lost-love Kim has her own family, and her granddaughter is about to discover the wonder her mother wishes she could forget. SciFi Pulse says Beautiful, sad, hopeful, and scary. Everything you could want and more. The highest possible recommendation.

Studying Edward Scissorhands Warren Holmes, 2010-08-01 Initially pitched as the story of an uncommonly gentle man, Edward Scissorhands (1990) not only confirmed the unique cinematic vision of director Tim Burton but also attracted audiences of all ages with its open yet sophisticated story and set. In the years since its release, Edward, the central character, and his unique impairment have been appropriated and reworked in a range of media texts. Such updates highlight the timelessness of Burton's distinctive fairytale while ensuring that the original movie and its iconic protagonist remain as popular as ever. In response to common assessments that cast Edward Scissorhands as nothing more than a skilfully crafted family film, Warren Holmes considers the work's production history and polysemic

character, as well as its reception among viewers, facilitating a highly detailed reading of an endlessly fascinating media text. Studying Edward Scissorhands can be used either to introduce the central concepts of media and film studies or to explore patterns of output by certain filmmakers and screen performers.

Edward Scissorhands Volume 2: Whole Again Kate Leth,2015 An all-new adventure revisiting Edward Scissorhands' two decades after the end of the fan-favorite movie! In a castle just outside a sleepy suburban town, a brilliant inventor created Edward Scissorhands but left him tragically unfinished. Two generations of exile have left Edward digging through abandoned experiments, but once he wakes up a creature left buried, he discovers he isn't the only one missing a vital piece. As Edward tries to fix a grave mistake, he comes face-to-face with a teenage girl who was sure he was only myth despite the stories her grandmother told her about the man she could never touch.

Burton on Burton Tim Burton,2008-11-20 Tim Burton is one of the great modern-day visionaries of cinema, a director who has fabricated his own deliciously nightmarish universe in movies as extraordinary as Beetlejuice, Edward Scissorhands, Mars Attacks! and The Nightmare before Christmas - not to mention his twisted takes on the tales of Batman, Sleepy Hollow and Planet of the Apes. Following the release of his re-imagining of Roald Dahl's Charlie and the Chocolate Factory with long-time comrade Johnny Depp (who also provides a new foreword here), this updated and fully illustrated new edition of the definitive Burton interview book casts light on Burton's Burbank childhood, his early work at Disney, the recurrent themes and stunning designs of his movies, and the creative obsessions that fuel them.
