A Pilgrim's Journey Leslie Feast,2022-04-29 When life doesn't have the answers about living up to the expectations of society and you just don't fit in anywhere, what else can you do? Well, this pilgrim packed his bags, said goodbye and set out to for the Holy Mountain to seek God and to find answers, if such a divine energy existed. So began the adventure. As he travelled through different countries with different religions and political beliefs, he found he upset the locals which put his life in danger. Somehow, he realised he needed to take chances and with the help of others managed to keep himself and the journey alive – moving forward, never ever giving up or quitting because he found it too hard. You will find that this is your story too. So come and read an adventure and get some insights that just might save your life as well. Even though this is an epic fantasy story, some divine loving truths are held within the story for you

to discover and maybe apply to your life. Buy this book and discover who you really are and what your life's journey is all about.

Folk Stories of Southern Nigeria + Travels in the Interior of Africa + the Emerald Tablets Lio Ekans, 2021-03-13 Here we have a classic compilation of work relating to the African/European relationship. Folk Stories of Southern Africa is an archive of literature about and by the old African World. It's full of the West African perspective, creativity, and moral. This segment of the compilation is an introduction into the African way of thought. This book is overrunning with the character and personality of West Africa. Travels in the interior of Africa, though at times insensitive, is an honest look into the mind of the European as he adventured into Black World. It is important to experience the historical value in this journal. So the first section is the Africans Idea of the world. The second is a window into the mind of the historical European man of encroachment and conquest. This leaves us with The Emerald Tablets of THOTH the Atlantan. This is such an appropriate ingredient for this compilation. This work is a product of the mingling of the Old world African scholars and the Greeks. THOT is Tahuti a Neter of ancient Egypt and Nubia. He is called Hermes by the Western tongue. This work is an amalgamation of ancient African principle and Western Alchemy. Read. Love. Know Thyself.

Dubcon Milena Popova,2021-10-05 How the treatment of sexual consent in erotic fanfiction functions as a form of cultural activism. Sexual consent is--at best--a contested topic in Western societies and cultures. The #MeToo movement has brought public attention to issues of sexual consent, revealing the endemic nature of sexual violence. Feminist academic approaches to sexual violence and consent are diverse and multidisciplinary--and yet consent itself is significantly undertheorized. In Dubcon, Milena Popova points to a community that has been considering issues of sex, power, and consent for many years: writers and readers of fanfiction. Their nuanced engagement with sexual consent, Popova argues, can shed light on these issues in ways not available to either academia or journalism. Popova explains that the term dubcon (short for dubious consent) was coined by the fanfiction community to make visible the gray areas between rape and consent--for example, in situations where the distribution of power may limit an individual's

ability to give meaningful consent to sex. Popova offers a close reading of three fanfiction stories in the Omegaverse genre, examines the arranged marriage trope, and discusses the fanfiction community's response when a sports star who was a leading character in RPF (real person fiction) was accused of rape. Proposing that fanfiction offers a powerful discursive resistance on issues of rape and consent that challenges dominant discourses about gender, romance, sexuality, and consent, Popova shows that fanfiction functions as a form of cultural activism.
