Loose Screws - Tornillos Suelos Janet Rosario, 2019-11-06 Poesía sarcástica 2 es una compilación de cartas, poemas y quejas, agresivas pasivas de forma “constructiva”. Criticismo lleno con toda la ira, cólera y enojo; cumplidos y sentimientos de una mujer ordinaria, que puede ser fácilmente relacionada con la mayoría de las mujeres hoy día. Una vez más, Janet Rosario utiliza su elocuencia y humor sarcástico, en una forma artística para expresarse en una forma moderna, aunque urbana para su entretenimiento. Esta compilación promete ser interesante y muy entretenida. “Supervisión parenteral es recomendada” Contenido adulto como lenguaje inapropiado, tendencias oscuras, y humor erótico, explícito son expresados de manera jocosa. No apto para menores, o gente demasiado sensitiva. Para una doble dosis de sarcasmo jocoso, vea también poesía sarcástica 1 edición bilingüe. Sarcastic poetry 2 is a compilation of letters, poems and complaints, in a passive aggressive and constructive way. Criticism; filled with all anger, animosity and fury; compliments and feelings of an ordinary woman; which can be easily related to most women on this day and age. Once again Janet Rosario uses her eloquence and sarcastic humor, in an artistic way to express herself in a modern, albeit urban way, for your entertainment. This compilation promises to be interesting and very entertaining. “Parenteral supervision is recommended for this book” Adult content such as inappropriate language, dark tendencies and explicit erotic humor is expressed in a joyful way. Not recommended for minors or sensitive people.

Loose End Eva Mikula, 2021-06-11 I thought that writing all my story in a book was the best tool to make Eva Mikula known even to those who believe they already know everything about me. I felt the need to appease my indignation and my anger for a truth never fully revealed by the Italian

institutions and for having suffered yet another unjustified attack by those who still, despite my sentences of acquittal, from their privileged seat and after 26 years after the capture of a gang of criminal police, still claims to label me as responsible for all those mourning, uttering only phrases of hatred and contempt towards me, regardless of the effects that they continue to cause on my life. I have been fighting injustice since I was a child, I have to do it even as an adult, mine is a cruel destiny but I have no choice but to face life and my fears. It was 1991, a girl lost in the woods of life abandons her family. She seeks her way. She still does not know that a year later, it would take her to Italy where she will meet her big bad wolf. Alone, frightened and above all subjugated, she asks for help from a distant friend: "Help me!! There are captive girls, missing girls and cops involved!" Thus it was that the Italian police began to investigate the bad wolves, following the red herring on an alleged human trafficking. Thus begins the story of the true story of the capture of criminals known as "the gang of the white one" who from 1987 to 1994 bloodied the streets of Emilia Romagna and Marche, killing 24 people, injuring 103. It seems incredible that for seven long years the hunters could not find the bad wolves. It took Little Red Riding Hood, the girl from the fairy tale of Charles Perrault and the Brothers Grimm, to show the right way in the dark undergrowth of justice. In fact, the end of the band bears the indelible signature of Eva Mikula, a nineteen year old Hungarian-Romanian girl who for all was the woman of the boss. She challenged dangerous men, unscrupulous killers. She also challenged the power nestled in the buildings which wanted and still wants to teach the truth. Yet it was thanks to her meticulous testimony, rendered thanks to an unshakable memory, that all members of the gang were arrested, putting an end to their criminal enterprises, thus saving other innocent lives. Could it have been her deep knowledge of the truth that actually made her an expendable pawn from that system that first used her and then, in fact,

abandoned her? So far, the story of a fact read in the newspapers and heard on TV. But who is Eva Mikula really? What was her life like before the encounter with the ferocious wolf? How did the community reciprocate her gesture that exposed her to grave risk and danger, now more timely than ever awaiting the next end of sentence? In short, has Eva finally come out of the woods? Who knows... maybe by writing this book she will finally free herself from the stinging brambles and wild beasts that populate the forest.

Werewolves on the Loose! D. E. Daly,2020-08-01 Chloe gets a new dog and notices that it stands outside every night howling at the moon. Her dog isn't the only one in town that has started doing this, and some of the howls are coming from the old railroad station. What's worse is that the boys on the football team who always hassle the Z Team start acting really funny. Almost like...werewolves! The Z Team has a new case to crack.

The Loose Ends of My Life Vincent J. Guastella,2016-05-27 The stories you are about to read are the memories of my life, but not all of them. Names have been altered to protect peoples images and innocence. Although no one is ever totally innocent. All descriptions of people, places, and events are purely coincidental. It really hurts me to write this disclaimer shit to cover my ass. Such is the world today, little or no responsibility for ones actions. If you feel you have been written about in this book, you are wrong.

Wisdom in Loose Form Nikolaos Lazaridis,2007 Drawing on proverbs and proverb-like sentences found in Ancient Egyptian and Greek wisdom collections, this book offers an original insight into the literary production of these two Mediterranean civilizations, comparing their manner of conveying timeless wisdom and reconsidering the status of their cultural contact.

Loose Space Karen Franck,Quentin Stevens,2006-10-16 In cities around the world people use a variety of public spaces to relax, to protest, to buy and sell, to experiment and to celebrate. Loose Space explores the many ways that urban residents, with creativity and determination, appropriate public space to meet their own needs and desires. Familiar or unexpected, spontaneous or planned, momentary or long-lasting, the activities that make urban space loose continue to give cities life and

vitality. The book examines physical spaces and how people use them. Contributors discuss a wide range of recreational, commercial and political activities; some are conventional, others are more experimental. Some of the activities occur alongside the intended uses of planned public spaces, such as sidewalks and plazas; other activities replace former uses, as in abandoned warehouses and industrial sites. The thirteen case studies, international in scope, demonstrate the continuing richness of urban public life that is created and sustained by urbanites themselves. Presents a fresh way of looking at urban public space, focusing on its positive uses and aspects. Comprises 13 detailed, well-illustrated case studies based on sustained observation and research by social scientists, architects and urban designers. Looks at a range of activities, both everyday occurrences and more unusual uses, in a variety of public spaces -- planned, leftover and abandoned. Explores the spatial and the behavioral; considers the wider historical and social context. Addresses issues of urban research, architecture, urban design and planning. Takes a broad international perspective with cases from New York, London, Berlin, Amsterdam, Rome, Guadalajara, Athens, Tel Aviv, Melbourne, Bangkok, Kandy, Buffalo, and the North of England.
