Yours to Take Joely Sue Burkhart,2022-06-27 Use me. Take me all the way. I'm yours. Working for one of Dallas's top law firms should have been a dream come true. But the day one of her old clients gunned down a cop, former defense attorney Vicki Connagher lost her passion for justice, and more importantly, her lover. Evidently Detective Elias Reyes, the dead cop's partner, can't stomach the sight of her, since she hasn't even talked to him in months. She left her job to live out her dream of starting her own fashion line, but heartache is her only companion. Until she brings Jesse, a homeless street artist, in from a freak Texas snowstorm. His submissive flirting brings out dominant tendencies she never knew she possessed, demanding she take him as hard and far as he'll let her go. And he wants her to take everything he's got. Pride kept Elias away from Vicki's side, until she brings a homeless junkie into her house. She won't be hurt by anyone. Not on his watch. As the days go by, the three work out an uneasy alliance. But Vicki's joy at having Elias back in her life is tempered with a growing desire to have Jesse under her command too. Both in her bed, and in her heart. The only question that remains is whether her tough alpha cop is willing to embrace all that she is...even while she's embracing another man.

Courage, Resistance, and Women in Ciudad Juárez Kathleen Staudt,Zulma Y. Méndez,2015-01-15 Ciudad Juárez has recently become infamous for its murder rate, which topped 3,000 in 2010 as competing drug cartels grew increasingly violent and the military responded with violence as well. Despite the atmosphere of intimidation by troops, police, and organized criminals, women have led the way in civil society activism, spurring the Juárez Resistance and forging powerful alliances with anti-militarization activists. An in-depth examination of la Resistencia Juareense, *Courage, Resistance, and Women in Ciudad Juárez* draws on ethnographic research to analyze the resistance's focus on violence against women, as well as its clash with the war against drugs championed by Mexican President Felipe Calderón with the support of the United States. Through grounded insights, the authors trace the transformation of hidden discourses into public discourses that openly challenge the militarized border regimes. The authors also explore the advocacy carried on by social media, faith-based organizations, and peace-and-justice activist Javier Sicilia while Calderón faced U.S. political schisms over the role of border trade in this global manufacturing site. Bringing to light on-the-ground strategies as well as current theories from the fields of sociology, political anthropology, and human rights, this illuminating study is particularly significant because of its emphasis on the role of women in local and transnational attempts to extinguish a hot zone. As they overcome intimidation to become game-changing activists, the figures featured in *Courage, Resistance, and Women in Ciudad Juárez* offer the possibility of peace and justice in the wake of seemingly irreconcilable conflict.

Jericho Charles Bowden,2020-05-01 In a career defined by an allegiance to the truth, Charles Bowden's reporting continually unearthed the gritty realities behind high-profile hype, including the doomed War on Drugs. His daring expeditions to Ciudad Ju rez, which resulted in such books as his bestseller *Murder City*, left him with haunting images of ruthless drug lords and their prey. In *Jericho*, an unpublished work brought to light after Bowden's death in 2014, he captures the monumental corruption and addiction to power that fuel Mexico's drug cartels--and that have fueled much of humanity's suffering throughout the ages. Interspersed with scenes from the battle of the walled city of Jericho, which in Bowden's eyes is not a story of inspiring strength but of bloodthirsty plunder, the world of El Sicario (the hitman) unfolds in brutal detail. Bucolic settings such as the Falcon International Reservoir become the site of an unsolved murder as Bowden examines why the high murder rate in Ju rez has yet to spill across the border. Yet, recalling his younger days in Louisiana and retracing the atrocities of racism in America, Bowden reveals a history where greed knows no borders, while undaunted voices (including his own) relentlessly expose its perpetrators.

La Lucha ,2015-04-06 The Mexican border state of Chihuahua and its city Juarez have become internationally notorious for violence, as drug cartel battles and official corruption have colluded to produce more murders annually than in war-torn Afghanistan. Ninety-seven percent of the killings in Juarez remain unsolved, contributing to a culture of impunity for perpetrators. In the midst of this climate of fear, a small group of human rights activists, exemplified by the Chihuahua lawyer and organizer Lucha Castro, continue to point fingers at the killers and their official enablers. This is the story this book tells, rendering in graphic detail the stories of families ripped apart by disappearances and murders - especially gender-based violence - and the remarkably brave advocacy, protests, and investigations of ordinary citizens who turned their grief into resistance.

Awake My Soul Candice Reyes,2021-07-16 Have you questioned your purpose? Or wondered, if you are enough? I battled with those two questions, but I found a way not to let them haunt me. The key to eliminating the power those questions have over us... is to meet with the One who formed us. I found it vital to sit with God on a one-on-one each day. For some, the idea of sitting in a quiet place by yourself with your prayer journal and Bible might overwhelm you, but it doesn't have to. And for some, you do this already, but maybe that fire in your spirit is a smoldering pile of ember, and you want ablaze. If you want to grow intimate and confident while engaging in Prayer, Reading God's Word, and Praise, this book will guide you through personal one-on-one time with God requiring a minimum of 15 minutes. Yes, 15 minutes is what this book needs, and this is usually easy to find, even on the craziest day. And it's in those 15 minutes a day, friend, you find your answers. You will see for yourself that you are enough and identify your purpose. Hooks2Crook Ministries, Inc. and Candice Reyes would like to thank several missionaries and pastors for wisdom and guidance on this edition to inspire men and women worldwide to develop and strengthen their relationship with God. A special thank you to Laura Leatherwood: global missionary, Omar Garcia: Mission Pastor @ Kingsland Baptist Church, Kelsey Engel: Missionary Care Associate @ Houston Baptist, Pastor Rudra Singh in India, Pastor Coleman Philley @ Katy's First Baptist, and multiple missionaries who will remain unnamed for their safety.
