The Eliminator Mike Ryan, 2021-09-20 As Jacobs becomes more at ease with his nickname, and starts using his abilities to help others, he finds he is still not done with Mallette's bunch. Or at least what they used to be known as. Lawrence Wiggins, Mallette's lawyer, is found dead, leading the imprisoned crime boss to getting a new attorney appointed from New York. Only this one comes with caveats. Roger Alexander is not only Mallette's new lawyer, but he's also taking over his organization. But in order to completely take over, he needs Mallette, and the rest of his men, eliminated. He calls for a truce with Jacobs, speaking to him at the cemetery, and offers up the rest of Mallette's men for him on a silver platter. But something isn't right. Is Alexander really just serving up the rest of Mallette's men, or is he luring Jacobs into a trap to try and get rid of *The Eliminator* once and for all?

The Eliminator Series Books 10-12 Mike Ryan, Books 10-12 in *The Eliminator Series*, including: *The Combative*, *The Return*, & *The Finish* *The Combative* The battle with Wilson Ames continues to rage. Jacobs worries about the safety of Tiffany, and her parents. Concerned about having a repeat of what happened to his family, he hires a bodyguard to protect them. Nathan Thrower, an ex-Navy SEAL, is the man Jacobs chooses. Thrower has his hands full, trying to thwart off repeated attempts at their lives. Jacobs, with a new ally in Thrower, gives Ames all he can handle. But the crime boss has ideas of his own on how to end the conflict, and he has a sinister plan on how to take out what Jacobs now holds dear. Will Ames finally succeed in taking out Tiffany, and bringing Jacobs to his knees? Or will Jacobs finally put an end to this fight? *The Return* Rich Mallette is out of prison, and he's gunning for

Jacobs. He's willing to do anything it takes to eliminate The Eliminator, even if it means creating uneasy alliances with men who have been trying to take his place. In addition to Mallette, Jacobs now has to worry about people he may have placed trust with in the past. Luckily, he still has Thrower by his side to help with the additional threats being thrown his way. Will Mallette finally succeed in taking down his long-term adversary by luring him into a trap? Or will Jacobs finally put an end to this fight? The Finish Brett Jacobs continues in his quest for revenge in this final installment of The Eliminator Series! Rich Mallette is still a menacing force, and he's still got Jacobs first on his hit-list. Complicating matters is that Wilson Ames is still in the city, and trying to occupy the spot that Mallette once held. But there's not enough room for everybody, and nobody is safe. Will Jacobs finally get the revenge he has long been seeking? Or will he finally fall, and join his family again?

The Eliminator Series Books 7-9 Mike Ryan, Books 7-9 in The Eliminator Series, including: The Contract, The Connection, The Conflict The Contract There's a contract out on Brett Jacobs. He knows it has something to do with Mallette, but he keeps hearing the name of Harper. There are multiple teams of hitmen scouring the city streets for him, all looking for a chance at a big payday. Even Gunner now has a contract out on him. It will all culminate in a final, bloody mess inside a warehouse. Will Jacobs and Gunner make it out alive? Or will one of them succumb to the contract that was placed upon their heads? The Connection Rich Mallette is nothing but a distant memory. But with him out of the picture, it doesn't mean Brett Jacobs is living on easy street. With the city wide open for a new leader for the criminal element, new prospects emerge, hoping to take over. And that means Jacobs will get drawn into another war. Now the question will be, who gets dragged in with

him? Not only will new players in town look to notch Jacobs' name on their belts, but Eddie Franks also has a bullseye on his back. Jacobs has his hands full in protecting those closest to him, as well as seeking revenge on those who have been targeted because of him. Filled with action, *The Connection* will take you on an emotional ride as Jacobs meets new enemies, saves friends in trouble, and possibly meets someone who might be able to help put his past in the past. The Conflict The war with Ames only intensifies for Brett Jacobs in this explosive edition of *The Eliminator Series*. With Wilson Ames now his number one focus because of what he did to his friend, Eddie Franks, Jacobs is willing to do anything to get his revenge. And that includes teaming up with people he normally wouldn't. But Ames will not go down without a fight. He will attempt to do what Rich Mallette couldn't. He will try to finish *The Eliminator* and he will do it in any way possible. That includes using someone who appears to be getting closer to Jacobs' affections. It will all culminate in an action-packed and explosive finale as Jacobs tries to prevent history from repeating itself.

The Eliminator Series Books 4-6 Mike Ryan, Books 4-6 of *The Eliminator Series: The Eliminator* As Jacobs becomes more at ease with his nickname, and starts using his abilities to help others, he finds he is still not done with Mallette's bunch. Or at least what they used to be known as. Lawrence Wiggins, Mallette's lawyer, is found dead, leading the imprisoned crime boss to getting a new attorney appointed from New York. Only this one comes with caveats. Roger Alexander is not only Mallette's new lawyer, but he's also taking over his organization. But in order to completely take over, he needs Mallette, and the rest of his men, eliminated. He calls for a truce with Jacobs, speaking to him at the cemetery, and offers up the rest of Mallette's men for him on a silver platter. But something

isn't right. Is Alexander really just serving up the rest of Mallette's men, or is he luring Jacobs into a trap to try and get rid of The Eliminator once and for all? The Betrayal It's just another ordinary day for Brett Jacobs. He's spending it in the cemetery with his family like usual. But suddenly, his quiet morning is about to get thrown for a loop. Standing in the crosshairs of a sniper, Jacobs is saved from certain death by a beautiful private investigator named Abbie Johnson. As the two start getting to know each other, the coincidences and strange occurrences keep piling up, giving Jacobs room to believe that his new friend may not be what she claims she is. Is Abbie the woman Jacobs needs to finally move on and get rid of the hurt that he's been carrying? Is she really interested in helping Jacobs in his fight against the criminal element? Or is she not the person she claims to be and is waiting for the right opportunity to twist the knife in Jacobs' back? The Comeback Franks finds himself in a bind and enlists the help of his friend, Brett Jacobs, to help alleviate the problem. Barberio's Butchers, a small-time gang with big-time aspirations, is looking to put a hurting on the pawn shop owner. It's up to Jacobs to make sure that doesn't happen. While that's going on, Mallette finds himself with a new lawyer, one he didn't ask for. This one, though, has better news for him than Alexander did. It seems that Mallette is on the comeback and retaking control of his operation. With that in mind, some of the holdovers from Alexander's bunch are intent on impressing their new boss and put a hit out. Someone is taking a bullet. But who?

cop. He's honest, hardworking, and intent on bringing down a major criminal organization. But he's soon going to have his limits tested. After he finishes an undercover assignment, resulting in the arrest of a major crime boss, he'll find out just how dirty the bad guys play. His world comes crashing down after an unspeakable tragedy, leaving Jacobs virtually despondent and wondering about his role in the unthinkable act. Jacobs soon realizes that in order to beat a low-life criminal organization like this, he has to fight fire with fire. Will he really throw his badge away and become a one man wrecking crew? Or will he try to get retribution within the confines of the law? One thing's for certain, the men he's going up against have severely underestimated the lengths that he'll go to. And he'll stop at nothing in order to extract his revenge. The Payback Even while Rich Mallette is in prison, he's still calling the shots. Brett Jacobs may have taken out a dozen of his men, but he's not ready to throw in the towel just yet. He's still got a few things up his sleeve for the former detective, one of which is another heinous act aimed to destroy what's left of Jacobs' soul. While Jacobs battles more of Mallette's Maulers, he also learns the identity of the second man who was with Frazier when his family was killed. As he searches for the killer, he finds and takes in a dog named Gunner, who he starts training to be by his side throughout the ordeal. All of which will culminate in Jacobs and Mallette finally meeting face to face for the first time since Mallette ordered the hit on Jacobs' family. The Reprisal Frustrated that his organization is crumbling while he's in prison, Mallette starts getting desperate. Willing to do anything to get the former detective out of his life, and further drive him into a hole he can never recover from, Mallette orders the kidnapping of the kids of Jacobs' brother. Fearful that the kids might end up like the rest of his family, Jacobs

frantically searches the city to find them before they end up in the cemetery. With time growing short, and Jacobs knowing that his enemy is willing to do the unthinkable, Jacobs enlists the help of unlikely allies in order to find them before it's too late. Will Jacobs find them before Mallette's men do the horrific act? Or will Jacobs get there too late and cause his pain and suffering to go to even lower proportions.

The Eliminator R. Terry McAnally,2011-06-01 There was a light mist in the air suddenly a car came up behind. Becky, she knew should have listened to Darnell and let him drive her. Whoever killed Royce is now after her, has he found her, he wants her dead, she knew she was going to die like Royce? Before she dies, she wants to know why__why is this happening to her, why had they killed Royce. As she sped down the road trying to escape, her car was racing out of control it crashed through a gated fence and onto a lawn. This was total insanity; she tried to turn the wheel into the skid, but she couldn't, she lost control. Her body flung forward, then back as the car hit a tree. Raising her hands in front of her face trying to protect it from flying glass as she flung forward again, about to hit the steering wheel, the airbag deployed, like a cork from a champagne bottle, it slammed hard against her hands causing them to smash into her face. She slammed backward her head hitting the headrest. The airbag released a choking cloud of powder, filling the car's interior. The pain was sharp, and biting, she tried to hold her breath to avoid breathing in the residue from the powder. The pain seared through her, vertigo and dizziness spun all around, fear twisted her thoughts; she was losing consciousness falling deeper into a blackness that she couldn't control. Off

in the distance she could hear voices; they were coming for her...Oh, God no...

The Eliminator Christopher Nicole, 1967

The Eliminator Richard B. Westbrook, 2017-08-16 THE Eliminator has now been before the public nearly two years. I have seen nothing worthy of the name of criticism respecting it. A few Unitarian ministers have said that Christ must have been a person instead of a personification, for the reason that men could not have conceived of such a perfect character without a living example, and that the great influence exercised by him for so long a time, over so many people, proves him to have been an historic character. These arguments are anticipated and fully answered. (See pp. 283, 284, 306.) Our Unitarian friends are the greatest idealists upon the globe! They only accept the Gospel biography of Jesus (and we have no other) just so far as the story accords with what they think it ought to be. They deny the immaculate conception and miraculous birth of the Christ, and have very great doubts about his crucifixion and resurrection. Their Christ is purely ideal. The fact is that Christendom has worshipped the literal Jesus for the ideal Christ for nearly twenty centuries, though their conceptions of him have been manifold and contradictory. No wonder that so many intelligent Christian sects in the early ages of the [Pg iv] church utterly denied the existence of Jesus as an historic person. (See pp. 266, 267, 357.) But

there is indubitable evidence that this Christ character (called by many Unitarians the Universal Christ) was mainly mythical, drawn from the astrological riddles of the older Pagan mythologies.
