Call Me By Your Name Andre Aciman, 2022-10-20 Never before available in hardback, this is a lavish edition of one of the greatest love stories of our time. The perfect gift for anyone captivated by Elio and Oliver. A sudden and powerful romance blossoms between Elio, an adolescent boy, and Oliver, his parents' guest, over the course of one summer. Each is unprepared for the consequences of their attraction, when, during the hot restless weeks, unrelenting currents of obsession, fascination, and desire intensify their passion and test the charged ground between them. Recklessly, the two verge toward the one thing both fear they may never truly find again: total intimacy.

Dear Elio Franco Marabelli, 2021-03-16 The world and creativity of Elio Fiorucci seen from the inside and recounted by those who took part in his fashion adventure. The fashion and stores created by Elio Fiorucci in the late 1960s were a great creative hotbed for the following decades, anticipating many of the trends that emerged later and the ideas of the next generation of designers. Elio Fiorucci's innate curiosity led him to explore the unknown, to broaden his vision towards new currents of freedom of expression, beyond the borders of his country, in search of other energies. This book recalls his new, joyful, mocking, free realm, and the conception of unconventional clothing that upset the rules of the bourgeois, conformist world of the 1960s. It is a choral fresco, told through the letters of those who worked with him, including absolute beginners, professionals who knew him and shared his passions, family, and friends: architects such as Antonio Citterio and Michele De Lucchi, photographers, artists (Andy Warhol and Keith Haring, who decorated the entire Milan store in 1983), singers, and actors who attended his stores and parties. Direct testimonials come from the likes of Biba (Barbara Hulanicki), Oliviero Toscani, Donna Jordan, Terry Jones, Italo Lupi, Alessandro Mendini, Paul Caranicas and Joey Arias. The book also features a preface by Janie and Stephen Schaeffer, the current brand owners.

The Diary of Elio Schmitz Carmine G. Di Biase, 2013 The Diary of Elio Schmitz is a beautiful and moving portrait of an artistic young man living in late nineteenth-century Trieste. It is also the first English translation of the single most important document for anyone interested in the early life of Italo Svevo, Italy's greatest modern novelist. Elio Schmitz was the younger brother of Ettore Schmitz, better known today as Italo Svevo, Italy's greatest modern novelist. Much of what we know about Svevo - about his family and its origins, about his childhood in Trieste, about his temperament and his formation as a writer - we know because Elio Schmitz decided to set it down in his diary. In Elio, Ettore found a constant, reliable source of appreciation and encouragement, the ideal confidant. Many of the most important moments of this relationship are vividly preserved in The Diary of Elio Schmitz, making it a precious, indispensable account of Svevo's early years. The relevance of this diary, however, extends beyond the life and work of Italo Svevo, for the picture that Elio Schmitz paints of his family and his city captures all of the contradictions and ambiguities of nineteenth-century Trieste.

Dragon Seed Pearl S. Buck, 2012-08-21 A New York Times–bestselling historical novel about the Japanese invasion of Nanking from the author of The Good Earth. Farmer Liang Tan knows only a quiet, traditional life in his remote Chinese farming community. When news filters in that Japanese forces are invading the country, he and his fellow villagers believe that if they behave decently to the Japanese soldiers, the civilians might remain undisturbed. They're in for a shock, as the attackers lay waste to the country and install a puppet government designed to systematically carry out Japanese interests. In response, the Chinese farmers and their families form a resistance—which not only carries grave risk, but also breaks their vow of nonviolence, leading them to wonder if they're any different than their enemy. Later adapted into a film featuring Katharine Hepburn, Dragon Seed is a brilliant and unflinching look at the horrors of war. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Elio Petri Roberto Curti, 2021-06-30 Elio Petri (1929-1982) was one of the most commercially successful and critically revered Italian directors ever. A cultured intellectual and a politically committed filmmaker, Petri made award-winning movies that touched controversial social, religious, and political themes, such as the Mafia in *We Still Kill the Old Way* (1967), police brutality in *Investigation of a Citizen Above Suspicion* (1970), and workers' struggles in *Lulu the Tool* (1971). His work also explored genre in a thought-provoking and refreshing manner with a taste for irony and the grotesque: among his best works are the science fiction satire *The 10th Victim* (1965), the ghost story *A Quiet Place in the Country* (1968), and the grotesque giallo *Todo modo* (1976). This book examines Elio Petri's life and career, and places his work within the social and political context of postwar Italian culture, politics, and cinema. It includes a detailed production history and critical analysis of each of his films, plenty of never-before-seen bits of information recovered from the Italian ministerial archives, and an in-depth discussion of the director's unfilmed projects.

Elio Vittorini: The Writer and the Written Guido Bonsaver, 2017-12-02 Elio Vittorini holds a major position in 20th-century Italian literature thanks to both his narrative production and his activity as editor and militant intellectual. This work aims to present the English-speaking reader with a comprehensive study of the author, his times and his work. Particular attention has been paid to the interconnection between Vittorini's work as a fiction writer and his political commitment which saw him move from revolutionary fascism to communism, to independent left-wing militancy. The combination of extensive archival research with a re-appraisal of his fiction and of his editorial activity provides a full picture reaching beyond the traditional restricted view of Vittorini as the anti-fascist author of *Conversazione in Sicilia*.

The Boy Who Reached for the Stars Elio Morillo, 2023-06-06 Heartwarming... infectious ... [Morillo's *The Boy Who Reached for the Stars*] is every bit the inspiration he means it to be. —Kirkus Reviews The engineer known as the “space mechanic” speaks to both our future and past in this breathless memoir of his journey from Ecuador to NASA and beyond. Elio Morillo's life is abruptly spun out of orbit when economic collapse and personal circumstances compel his mother to flee Ecuador for the United States in search of a better future for her son. His itinerant childhood sets into motion a migration that will ultimately carry Elio to the farthest expanse of human endeavor: space. Overcoming a history of systemic adversity and inequality in public education, Elio forged ahead on a journey as indebted to his galactic dreams as to a loving mother whose sacrifices safeguarded the ground beneath his feet. Today, Elio is helping drive human expansion into the solar system and promote the future of human innovation—from AI and robotics to space infrastructure and equitable access. *The Boy Who Reached for the Stars* is both a cosmic and intimate memoir spun from a constellation of memories, reflections, and intrepid curiosity, as thoroughly luminous as the stars above.

Writings on Cinema and Life Elio Petri, 2013-01 Italian writer/director Elio Petri (1929-1982) is of the cinematic era of Pasolini, Bertolucci, and Bellocchio, and although he is recognized by film scholars as one of

the major figures of Italian cinema, his work remains largely unknown outside of Italy. Hardly a marginal figure, Petri began as an assistant to Giuseppe De Santis and his future collaborators would include many of the most renowned film artists of the 20th century: Marcello Mastroianni, Gian Maria Volonte, Dante Ferretti, Ennio Morricone, Ugo Pirro, and Tonino Guerra. Due to Petri's belief that culture is inextricable from political struggle, he was a central figure in the fervent debates of his time on both Italian cinema and culture that arose from the aftermath of World War II to the 1980s. However, while generally characterized as a political filmmaker, this view is limited and reductive, for Petri's films are polemical interrogations of social, religious, and political phenomena as well as acute analyses of moral, psychological, and existential crises. His cinema is also informed by a rich and profound understanding of and engagement with literature, philosophy, psychology, and art, evident for instance in his adaptations of Sciascia's novels, Miller's *The American Clock* (for the stage), and Sartre's *Dirty Hands*, as well as in his use of Pop and Abstract Art in *The Tenth Victim*, *A Quiet Place in the Country*, and other films. Available for the first time in English, *Writings on Cinema and Life* is a collection of texts Petri originally published mainly in French and Italian journals. Also included are several art reviews, as well as Petri's essay on Sartre's *Dirty Hands*, a text forgotten until recently. Petri's affinity for subtle analysis is evident in his clear and precise writing style, which utilizes concrete concepts and observations, cinematographic references, and ideas drawn from literature, philosophy, and psychoanalysis. There is as well an acute and scathing sense of humor that permeates many of the texts. Petri was the recipient of the Palme d'Or, an Academy Award, and the Edgar Allan Poe award among many others, and in 2005 he was the subject of the documentary *Elio Petri: Appunti Su Un Autore*. This collection of Petri's writings is an important contribution to the history of cinema and offers further insight into the work, thought, and beliefs of one of cinema's most ambitious and innovative practitioners.

A Vittorini Omnibus: In Sicily, The Twilight of the Elephant, La Garibaldina Elio Vittorini, 1973 This representative collection of works by the late Elio Vittorini (1908-1966) brings under a single cover three short novels. *The Twilight of the Elephant* (II Sempione strizza l'occhio al Fréjus, 1946) is a haunting, mythlike tale bearing strong affinities with music and abstract art. It is the story of a poverty-stricken family and its extraordinary grandfather--a veritable elephant of a man. One of the recognized classics of modern literature, *In Sicily* (Conversazione in Sicilia, 1937) recounts a city man's rediscovery of himself and the basic values of life when he returns for a visit to the primitive Sicilian village where he was born. Included in this edition is an introduction written in 1949 by Ernest Hemingway, who greatly admired Vittorini. The third novella, *La Garibaldina* (1950), is a vivid portrait of an eccentric old woman, a former camp follower of Garibaldi's army, and her encounter with a young soldier on a night-train journey across Sicily.

The Technology of the Dreamer Elio D'Anna, 2020-02-27 Remember! The entire universe is only a pale shadow of your inner being. There is a sun out there because the real sun is in you. There is a moon in the sky because the real moon is within you. There are planets, stars and galaxies out there, but they are only a symbolic representation of the infinity inside you. There are gods and demons, UFOs and aliens, ghosts and monsters out there that can enslave you and eat you if you forget that they are mere figments of your own imagination. Realise that you yourself are the dreamer, the sole creator and governor of the entire universe and of all the matter that surrounds you which is no more than the dust of your own projections. The world exists because of you. Without you, the world simply collapses.

Desire and Consent in Representations of Adolescent Sexuality with Adults Maureen Turim, Diane Waldman, 2023-09-29 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media. Analyzing teenage sexual encounters with adults across a variety of media, including films, television, novels, and podcasts, the volume takes a positive stance on the expression of teenage sexuality, while remaining sensitive to the power of adults to abuse and manipulate. The anthology treats these representations as negotiations between conflicting forces: desire, sexual self-knowledge, unequal power, and the law, the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense.

Questions of unequal power inherent in such relations are theorized. The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives, to consider how various forms of expression rework it formally. These essays are attuned to both nuances of presentation and contexts of reception, and they consider how aesthetics play a role. Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality, this book will be of great interest to scholars and students of media studies, cultural studies, film studies, television studies, sociology, and gender studies
