**Masterpiece** Elise Broach,2008-09-30 Marvin lives with his family under the kitchen sink in the Pompadays' apartment. He is very much a beetle. James Pompaday lives with his family in New York City. He is very much an eleven-year-old boy.After James gets a pen-and-ink set for his birthday, Marvin surprises him by creating an elaborate miniature drawing. James gets all the credit for the picture and before these unlikely friends know it they are caught up in a staged art heist at the Metropolitan Museum of Art that could help recover a famous drawing by Albrecht Dürer. But James can't go through with the plan without Marvin's help. And that's where things get really complicated (and interesting!). This fast-paced mystery will have young readers on the edge of their seats as they root for boy and beetle. In Shakespeare's Secret Elise Broach showed her keen ability to weave storytelling with history and suspense, and Masterpiece is yet another example of her talent. This time around it's an irresistible miniature world, fascinating art history, all wrapped up in a special friendship— something for everyone to enjoy. Masterpiece is a 2009 Bank Street - Best Children's Book of the Year.

Elise the Actress Norma Jean Lutz,2013-06-01 Time Period: Jan. 1864 - April 1865 With the nation convulsed by civil war, Elise Brannon wants people to look past the depressing news that arrives daily from the battlefields: Through her love of acting, she'll make them laugh and forget-at least for awhile. But even her optimism is challenged when a family friend dies from battle wounds. . .she's captured by a band of deserters. . .and President Lincoln is assassinated. Elise the Actress uses actual historical events to tell the poignant fictional story of a ten-year-old girl growing up in very trying times. It's an excellent tool for teaching both history and the Christian faith!

Happily Ever Afters Elise Bryant,2021-01-05 Jane the Virgin meets To All the Boys I've Loved Before in this charming debut romantic comedy filled with Black Girl Magic. Perfect for fans of Mary H. K. Choi and Nicola Yoon, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Sixteen-year-old Tessa Johnson has never felt like the protagonist in her own life. She's rarely seen herself reflected in the pages of the romance novels she loves. The only place she's a true leading lady is in her own writing—in the swoony love stories she shares only with Caroline, her best friend and #1 devoted reader. When Tessa is accepted into the creative writing program of a prestigious art school, she's excited to finally let her stories shine. But when she goes to her first workshop, the words are just...gone. Fortunately, Caroline has a solution: Tessa just needs to find some inspiration in a real-life love story of her own. And she's ready with a list of romance novel-inspired steps to a happily ever after. Nico, the brooding artist who looks like he walked out of one of Tessa's stories, is cast as the perfect Prince Charming. But as Tessa checks each item off Caroline's list, she gets further and further away from herself. She risks losing everything she cares about—including the surprising bond she develops with sweet Sam, who lives across the street. She's well on her way to having her own real-life love story, but is it the one she wants, after all?

**Second Rain** Elise Hempel,2016-08-29 In Second Rain, Elise Hempel gleans anecdotes of uncommon poignancy from the seemingly commonplace, and crafts them into memorable poems. Family settings and the world of nature are captured and shaped into insight through the poet's discerning eyes: here an only child in her room with a lone and captive katydid; here a feisty grandmother in the hospital; here a father fond of household projects, building two swimming pools, a basketball hoop in the driveway, and transforming the yard into a skating rink. This inspirational debut collection, charged with nostalgia and longing, is fittingly finalist in the 2015 Able Muse Book Award. PRAISE FOR SECOND RAIN: The apparently domestic poems in Second Rain (poems about family, gardening, dogs, birds, and a few memorable tigers) deliver enough controlled intensity “to shake the trees all down.” A special gift of Elise Hempel's art is to evoke and suggest passions without spelling them out; we readers get to unscramble the anagram, to find the ache—and our own corresponding ache—beneath the poised surface. —Rachel Hadas, author of Questions in the Vestibule [Elise Hempel's] curiosity and insights singled her out as special, but her ability to shape her feelings into words remains what I find most unique . . . From the opening title poem on, this is a book about the often ignored, simple gifts that come to us, like “the second rain that comes/ when the first is over,” that “gentle scattering of drops” the breeze shakes down from the trees and “briefly blesses you.” —Bruce Guernsey (from the

foreword), author of *From Rain: Poems, 1970–2010* From the title poem on, Elise Hempel’s *Second Rain* matches form with feeling, delivering insights that seem at once inevitable and necessary. Her sense of the sonnet—its grace and shape—lends quiet force to what’s remembered and observed, from a pet shop crow to memories of now-absent loved ones, mother-daughter conflicts to the ambiguities of language itself. Like the flock of geese described in one poem here, Hempel’s collection succeeds in many “different keys.” —James Scruton, author of *Thrift* Through admirably controlled and marvelously controlling language, the compressed imagery in Elise Hempel’s powerfully compact poems subtly evokes emotional responses, while the poet also smartly engages readers with an authentic and persuasive voice. Indeed, to borrow a phrase from the eighth and final line in the collection’s title poem, each piece in *Second Rain* “briefly blesses you.” —Edward Byrne, author of *Seeded Light*

**The Other Alcott** Elise Hooper,2017-09-05 A People Magazine and POPSUGAR pick! “[May’s] adventures illuminate the world of intrepid female artists in the late 1800s [...] The Other Alcott comes alive in its development of the relationship between Louisa and May.” --The New York Times Elise Hooper’s debut novel conjures the fascinating, untold story of May Alcott—Louisa’s youngest sister and an artist in her own right. We all know the story of the March sisters, heroines of Louisa May Alcott’s *Little Women*. But while everyone cheers on Jo March, based on Louisa herself, Amy March is often the least favorite sister. Now, it’s time to learn the truth about the real “Amy”, Louisa’s sister, May. Stylish, outgoing, creative, May Alcott grows up longing to experience the wide world beyond Concord, Massachusetts. While her sister Louisa crafts stories, May herself is a talented and dedicated artist, taking lessons in Boston, turning down a marriage proposal from a well-off suitor, and facing scorn for entering what is very much a man’s profession. Life for the Alcott family has never been easy, so when Louisa’s *Little Women* is published, its success eases the financial burdens they’d faced for so many years. Everyone agrees the novel is charming, but May is struck to the core by the portrayal of selfish, spoiled “Amy March.” Is this what her beloved sister really thinks of her? So May embarks on a quest to discover her own true identity, as an artist and a woman. From Boston to Rome, London, and Paris, this brave, talented, and determined woman forges an amazing life of her own, making her so much more than merely “The Other Alcott.” “Elise Hooper’s thoroughly modern debut gives a fresh take on one of literature’s most beloved families. To read this book is to understand why the women behind *Little Women* continue to cast a long shadow on our imaginations and dreams. Hooper is a writer to watch!”—Elisabeth Egan, author of *A Window Opens*

*Elise Boulding* Mary Lee Morrison,2015-09-15 Elise Boulding has been among the most influential of social reformers to advocate the integration of peace studies and women’s studies. Her ideas inspired a number of works addressing the role of the family in producing social change and discussing women’s unique capacity for promoting peace through nurturing and networking. Boulding’s additional ideas on transnational networks and their relationship to global understanding are considered seminal contributions to modern peace studies and have earned her the title of “matriarch” of the 20th century peace movement. This biography is divided into three parts. The first and third deal chronologically with the life of Elise Boulding, beginning with her childhood experiences as a Scandinavian immigrant. The 1940 Nazi invasion of Norway significantly influenced her concepts of pacifism and Quaker spiritualism, laying the foundation for her future work as a leader in the Women’s International League for Peace and Freedom and her dynamic professional partnership with and marriage to the internationally known Quaker economist and poet Kenneth Boulding. Part Two expounds upon Boulding’s philosophy of education, her role as a member of the Religious Society of Friends, her espousal of the conceptual evolution of cultures of peace, and her theoretical work in women’s studies and peace research. In recognition of these achievements, Boulding has been the recipient of more than 19 awards and was a 1990 nominee for the Nobel Peace Prize.

*Lotus Elise and Exige 1995-2020* Johnny Tipler,2021-04-26 Named after Elisa, the granddaughter of Lotus's owner at the time, Romano Artioli of Bugatti fame, the Lotus Elise was launched at the Frankfurt Show in 1995. In the subsequent twenty-five years it has not only established itself as the embodiment of what Lotus stands for, it retains a unique place in the international sports car market. No other manufacturer came up with a car to seriously rival the Elise, nor the Exige, in terms of handling dexterity on both road and racetrack, and it aptly characterizes the definition of a sports car. Written in Johnny Tipler's inimitable style this book includes a detailed evolution of the Elise and Exige, including full specification tables; interviews with key individuals involved in their design and development, including Richard Rackham, Gavan Kershaw, Neil Thomas, Russell Carr, Barney Hatt and Andy Pleavin; Elisa Artioli on her namesake, its past and future; motor sport adaptations and successes and finally, driving experiences on road and track. The production of the Elise and Exige was sustained through four corporate upheavals. Now in Geely ownership, the future for Lotus looks bright.
