**Encyclopedia of Television Miniseries, 1936–2020** Vincent Terrace, 2021-09-22 In 1936, as television networks CBS, DuMont, and NBC experimented with new ways to provide entertainment, NBC deviated from the traditional method of single experimental programs to broadcast the first multi-part program, Love Nest, over a three-episode arc. This would come to be known as a miniseries. Although the term was not coined until 1954, several other such miniseries were broadcast, including Jack and the Beanstalk and Women in Wartime. In the mid-1960s the concept was developed into a genre that still exists. While the major broadcast networks pioneered the idea, it quickly became popular with cable and streaming services. This encyclopedic source contains a detailed history of 878 TV miniseries broadcast from 1936 to 2020, complete with casts, networks, credits, episode count and detailed plot information.

**Rejected** Jon Friedman, 2009-01-27 Besides being born and dying, the most common human experience is being rejected—dissed, dumped on, or downsized—by lovers, parents, and employers. Now here's a hilarious collection of rejection stories—and rejected works—by some of today's most accomplished comic writers and performers (some world famous) sharing their pieces that were ripped to pieces and their own experiences of being handed their hats, heads, and hearts on a platter. • Bob Witfong recalls being hired as a correspondent by The Daily Show but never called in to work; then being fired by mistake; then going on air and called “creepy” by bloggers; and then actually being fired. • Meredith Hoffa has her pubescent crush destroyed by a new haircut modeled on Mary Stuart Masterson's in Some Kind of Wonderful just when “the size of my face and body had caught up to the gigantic size of my teeth.” • Joel Stein (celebrity interviewer for Time) receives an earful from Buddy Hackett who, before slamming down the phone, says: “You're being kind of, what do you call it, I don't know, those wise-guy papers? Tabloids.” • Dave Hill offers his piece for a British “lad” mag in which he went undercover with a police vice squad, an article killed because he didn't go “far enough” with a transvestite prostitute. • Jackie Cohen fails her audition for the synagogue choir—at age five. And many more too painful to mention. Featuring essays, jokes,

sketches, cartoons, and articles passed on by venues as varied as Saturday Night Live and Reader's Digest, Rejected is a priceless compilation that reminds us it's a-okay to be a big loser.

**The Dead Moms Club** Kate Spencer, 2017-11-21 Kate Spencer lost her mom to cancer when she was 27. In The Dead Moms Club, she walks readers through her experience of stumbling through grief and loss, and helps them to get through it, too. This isn't a weepy, sentimental story, but rather a frank, up-front look at what it means to go through gruesome grief and come out on the other side. An empathetic read, The Dead Moms Club covers how losing her mother changed nearly everything in her life: both men and women readers who have lost parents or experienced grief of this magnitude will be comforted and consoled. Spencer even concludes each chapter with a cheeky but useful tip for readers (like the It's None of Your Business Card to copy and hand out to nosy strangers asking about your passed loved one).

**Parent Goals** Lindsay C.M. Garrett, 2021-11-15 Child welfare and adoption specialist Lindsay Garrett, LCSW, teaches Millennials considering having kids how to emotionally prepare for parenthood, determine their parenting style and values, and establish sustainable support. In your prime child-rearing years and mulling the question Am I ready to have a baby? Millennials contemplating kids can now turn to Parent Goals, a guide to emotional preparedness for parenthood. Child welfare and adoption specialist Lindsay Garrett leverages her professional expertise and experience as a new parent to lead readers through the mental prep work needed before embarking on this important life choice. Parent Goals is the book to turn to before you make the decision to become a parent. Unlike other books on the topic that focus on pregnancy and kids' life stages, Parent Goals outlines the most important—and least explained—aspects of having children, including emotional readiness, attachment theory, and determining your values as a parent. In addition to offering advice and guidance, Parent Goals is the first book to address the emergence of the co-parenting style popular with Millennials, which involves a more equitable division of labor than we have seen in previous generations. Garrett's down-to-earth and sometimes cheeky writing style makes Parent Goals an accessible and engaging read for the Millennial generation.

**Connections** Elizabeth Guider, 2018-06-19 Spanning the last fifty years, this family saga focuses on three generations of women, who grapple with sex and marriage, the elusiveness of success and the power of love to get them through tough times. Told chiefly from the alternating points of view of two sisters who come of age in the 1960's, the story takes us from Princess phones and prom dresses to the Vietnam War, women's lib, the lure of Hollywood, 9/11 in Manhattan—and a family emergency like no other. Throughout the years the sisters often misread their own hearts or are mistreated by those they care about. When real crisis arises, they are challenged to summons their better angels. But can they?

**Laurel Heights** Elizabeth Linc, 2004-10 Laurel Heights is a rich, character driven, story offering a glimpse into the lives of its four primary souls as they are confronted by the challenges of love, career, loyalty, honor, and a bevy of other considerations faced by each of us in every day life. Laurel Hawthorne and Drew Wayzata are the central characters, who discover their mutual capacity for love as well as their individual capacity for labor. Morgan Sheridan and Winntenia Gardinardo round out the cast with their shared bond for the secret organization one wants the other to become a member of to realize her heritage. Laurel Heights is sure to offend some and be greatly appreciated by others. Its author hopes you fall into the latter category. In any event, it cannot be denied that it is an extremely well written story. May you enjoy the read. If you do, please don't be shy about referring it to a friend!

**Mrs. Tree's Will** Laura Elizabeth Howe Richards, 1905

**Lisette Leigh** Elizabeth Gaskell, 2023-04-14 Dans la campagne anglaise du 19e siècle, une famille de paysan est en deuil. Anne Leigh pleure la mort de son époux. Au lendemain de l'enterrement, elle décide de partir pour Manchester avec ces deux fils dans le but de retrouver sa fille, Lisette, bannie de la famille. Malgré la honte et le déshonneur dans une société anglaise particulièrement rigide, Anne mettra tout en œuvre pour se rapprocher de sa fille tandis que le fils aîné rencontrera le grand amour. Entre romance et tragédie, cette novella s'inscrit dans la plus pure tradition du roman sentimental avec une histoire prenante et des personnages attachants. Extrait : Quand la mort entre dans une maison le jour de Noël, le contraste de ce qui est avec ce qui a été donne au chagrin une amertume nouvelle et ajoute à la désolation le sentiment d'un isolement plus complet. Jacques Leigh mourut au moment même où les cloches lointaines de l'église de Rochdale appelaient les fidèles au service du matin, le jour de Noël 1836. Quelques minutes avant sa mort, il ouvrit des yeux déjà voilés, et, par un mouvement presque imperceptible des lèvres, fit signe à sa femme qu'il avait quelque chose à dire. Elle se pencha vers lui et recueillit ces paroles entrecoupées : « Je lui pardonne, Anne ; que Dieu me pardonne ! »

*Becoming Liz Taylor* Elizabeth Delo, 2024-03-07 An unforgettable story of baby abduction, which examines motherhood, grief and the legacy of melancholy. Val, a widow living in Weston-super-Mare, spends lonely evenings dressing up as the movie star Elizabeth Taylor. It seems to be a way of coping with the loss and sadness she has experienced in her life. One day, when Val sees a pram left unattended on the seafront, on a whim she kicks off the brake and walks away with it... Set in the present and the 1970s, *Becoming Liz Taylor* is a vivid and touching depiction of love, loss and bereavement - thought-provoking, moving fiction for fans of Rachel Joyce, Emma Healey and Ruth Hogan.

**A Woman Without Lies** Elizabeth Lowell, 2009-10-13 An artist in glass and light, Angel has loved with passion and fire -- and learned the true depths of sadness when what she loved was taken from her. When she first meets Miles Hawkins -- a solitary, distant man -- their mutual mistrust seems insurmountable. Hawk has never known what Angel has freely enjoyed, having experienced only cruelty and betrayal from the women in his life. But Angel is willing to risk everything that proud, silent Hawk cannot, as she strives to bring truth and love to a tormented soul who believes in neither. Yet giving her heart again could be a gamble with stakes too high and too painful for her to endure -- for she fears that, by loving Hawk, she will surely lose him.

**The Correspondence of Elizabeth Stuart, Queen of Bohemia** Elisabeth (de Bohème, princesse palatine.),2011 The Correspondence of Elizabeth Stuart is the first complete edition of the letters of Elizabeth Stuart (1596-1662), Electress Palatine of the Rhine and Queen of Bohemia, daughter of King James I of England and Anna of Denmark. Volume I covers Elizabeth's life as princess and consort in the years between 1603 and 1631. It includes letters exchanged with her brother, Henry Frederick, the courtship letters of Frederick V, Elector Palatine, and Elizabeth's experiences of both marital and court life in Heidelberg, especially her struggle with Germanic culture and her arguments with both her husband and mother-in-law over rights of precedence. From 1619 her letters become increasingly political as she begs her father, the Duke of Buckingham, and others for assistance in the desperate struggle for the Crown of Bohemia. Deposed in 1620, Elizabeth spends her time in exile devising ploys to gain further financial, moral, and military support from statesmen and military leaders such as Sir Dudley Carleton, the 'Mad Halberstadter' Christian of Brunswick, Count Ernest of Mansfeld, King Christian IV of Denmark, and Bethlen Gabor, Prince of Transylvania, behaviour increasingly in defiance of her father's wishes and demands. Elizabeth's letters evidence her slow transformation from political ingenue to independent stateswoman, a position cemented as her husband fell victim to the war they had precipitated. The diplomatic writing skills she developed in this period were to become her only weapon for securing both the inheritance of her many children and her own position as a key religious, political, and cultural figure in early-modern Europe.
