

Elliot March

Pennsylvania. General Assembly. Senate

British Diplomatic Correspondence Concerning the Republic of Texas, 1838-1846 Great Britain. Foreign Office, 1917

Alice in the Country of Clover: The March Hare's Revolution QuinRose, Ryo Kazuki, 2021-03-25 Alice has been whisked to the Country of Clover, but at least her home--Hatter Mansion--came along for the move. Her intimate friendship with Elliot gives her strength to face the new challenges, but he's a man of contradictions, and she's uneasy about his hard mobster interior lurking behind the grinning goofball exterior. When she starts to fall for him, however, memories of her past world resurface that begin to sway her. Clover is a dangerous place for hesitation. Beware the talking doors!

Alice in the Country of Clover: March Hare QuinRose, Soyogo Iwaki, 2021-03-25 When Alice came to the Country of Clover, she swore she didn't want to fall in love. But Elliot March, the rabbit-eared second-in-command at Hatter Mansion, has other plans. He's enthusiastic, affectionate, and disarmingly honest--but he's also a vicious killer and a mafia thug. And that's not even getting into his scary obsession with carrots... On the other side, there's the jealous Peter White, the white rabbit who brought Alice to Wonderland in the first place. As Prime Minister of the rival territory of Heart Castle, he's not without his charms. Alice finds herself forced to make a choice once and for all.

The Lion at Dawn Nathaniel Jarrett, 2022-09-01 In February 1793, in the wake of the War of American Independence and one year after British prime minister William Pitt the Younger had predicted fifteen years of peace, the National Convention of Revolutionary France declared war on Great Britain and the Netherlands. France thus initiated nearly a quarter century of armed conflict with Britain. During this fraught and still-contested period, historian Nathaniel Jarrett suggests, Pitt and his ministers forged a diplomatic policy and military strategy that envisioned an international system anticipating the Vienna settlement of 1815. Examining Pitt's foreign policy from 1783 to 1797--the years before and during the War of the First Coalition against Revolutionary France--Jarrett considers a question that has long vexed historians: Did Pitt adhere to the "blue water" school, imagining a globe-trotting navy, or did he favor engagement nearer to shore and on the European Continent? And was this approach grounded in precedent, or was it something new? While acknowledging the complexities within this dichotomy, *The Lion at Dawn* argues that the prime minister consistently subordinated colonial to continental concerns and pursued a new vision rather than merely honoring past glories. Deliberately, not simply in reaction to the French Revolution, Pitt developed and pursued a grand strategy that sought British security through a novel collective European system--one ultimately realized by his successors in 1815. *The Lion at Dawn* opens a critical new perspective on the emergence of modern Britain and its empire and on its early effort to create a stable and peaceful international system, an ideal debated to this day.

Elisabeth Elliot Lucy S. R. Austen, 2023-05-01 An In-Depth Biography on the Life and Work of Missionary Elisabeth Elliot Elisabeth Elliot (1926–2015) is one of the most widely known Christians of the twentieth and twenty-first centuries. After the death of her husband, Jim, and four other missionaries at the hands of Waorani tribesmen in Ecuador, Elliot famously returned to live among the same people who had killed her husband. Her legacy, however, extends far beyond these events. In the years that followed, Elliot became a prolific writer and speaker, touching the lives of countless people around the world. In this single-volume biography, Lucy S. R. Austen takes readers on an in-depth journey through the life of Elisabeth Elliot—her birth to missionary parents, her courtship and marriage to Jim Elliot, her missions work in Ecuador, and her private life and public work after she returned to the United States. Through Elliot's example of love for God and obedience to his commands, readers will ponder what it means to follow Jesus. Single-Volume Biography on Elisabeth Elliot: Author Lucy S. R. Austen explores Elliot's professional articles, books, and radio programs, as well as personal scrapbooks, journals, and letters Engaging: Tells the complex and moving life story of one of the most well-known Christian missionaries A Great Resource for Students: Thoroughly researched book provides information about Elliot beyond her work with the Waorani people and her first husband's death
