Emeli Sande: Read All About It John Dingwall,2014-03-17 Since her win at the Brit Awards in 2012 for *Our Version of Events*, Emeli Sandé has gone from strength to strength. From writing songs for artists, including including Alicia Keys, Gabrielle, Leona Lewis, Alesha Dixon, and Cheryl Cole; to performing at the Opening and Closing ceremonies at the London 2012 Olympic Games. Author, John Dingwall, talks to Emeli, her parents, her sister, schoolteachers and those who have been involved in her career. He details her childhood, her first record deal and how she was initially rejected by Gary Barlow – who told her she was never going to be a star. *Emeli Sandé – Read All About It* describes an artist’s struggle to the top, from her early collaborations with the likes of Wiley, Tinie Tempah, and Professor Green, before making it as an artist in her own right.

Emeli Sande - The Biography David Nolan,2013-09-02 Thrust into the international spotlight at the 2012 Olympic Games thanks to her moving performances of 'Abide with Me' at the opening ceremony and 'Read All About It (Part III)' at the closing ceremony, Emeli Sandé is now an international superstar. However, her breakthrough came much earlier, in August 2011, with the release of her first single, 'Heaven', which peaked at number two on the UK Singles Chart. Since then Emeli has been unstoppable, releasing her debut album 'Our Version of Events' in 2012 to critical acclaim - an album which went on to be the UK's bestseller in 2012. What many don't realise is that Emeli is more than just a singer. An Avid pianist and songwriter from an early age, Emeli has co-written songs for a huge number of artists including Tinie Tempah, Alesha Dixon, Cheryl Cole, Professor Green, Leona Lewis and even Susan Boyle. And while music has always been her first love, Emeli is a firm believer in the importance of education, and was studying for a degree in medicine at Edinburgh University before deciding that music had to take precedence. Winning the Critics' Choice Brit Award in 2012 has confirmed the young Scottish singer as one of the great musical talents of a very talented generation, and while publicly 2012 was a hugely successful year for Emeli, privately it was too, as she married her long-term boyfriend Adam Gouraguine in his home country of Montenegro. Journalist David Nolan delves deep to paint a complete picture of the life of this talented musician, from her childhood in rural Scotland to Olympic glory, and offers a glance at what be next for this prodigious talent. This is a must-read for any fan.

Africa Is Not a Country: Notes on a Bright Continent Dipo Faloyin,2022-09-06 A Literary Hub Most Anticipated Book of 2022 An exuberant, opinionated, stereotype-busting portrait of contemporary Africa in all its splendid diversity, by one of its leading new writers. So often, Africa has been depicted simplistically as a uniform land of famines and safaris, poverty and strife, stripped of all nuance. In this bold and insightful book, Dipo Faloyin offers a much-needed corrective, weaving a vibrant tapestry of stories that bring to life Africa’s rich diversity, communities, and histories. Starting with an immersive description of the lively and complex urban life of Lagos, Faloyin unearths surprising truths about many African countries’ colonial heritage and tells the story of the continent’s struggles with democracy through seven dictatorships. With biting wit, he takes on the phenomenon of the white savior complex and brings to light the damage caused by charity campaigns of the past decades, revisiting such cultural touchstones as the KONY 2012 film. Entering into the rivalries that energize the continent, Faloyin engages in the heated debate over which West African country makes the best jollof rice and describes the strange, incongruent beauty of the African Cup of Nations. With an eye toward the future promise of the continent, he explores the youth-led cultural and political movements that are defining and reimagining Africa on their own terms. The stories Faloyin shares are by turns joyful and enraging; proud and optimistic for the future even while they unequivocally confront the obstacles

systematically set in place by former colonial powers. Brimming with humor and wit, filled with political insights, and, above all, infused with a deep love for the region, Africa Is Not a Country celebrates the energy and particularity of the continent’s different cultures and communities, treating Africa with the respect it deserves.

Stuck on You 3 Sunny Giovanni,2017-03-29 All De’Shane wanted was to have Cherie all to himself. He wanted the family and the fantasy of happiness. Everything came to a screeching halt when he swallowed a handful of pills, hoping to kill himself. Did he survive and dive into gangsters’ business? Someone’s going to have to since the feared drug lord, Apollo Cruz, has finally gone home to his maker. As for Cherie, adjusting to life without Shane is more than difficult. Once, he told her that together they had plenty of power. She feels more than powerless without the one person who understood her. With her new love interest, Damon, things just aren’t the same. He’s not Shane, and his desperate attempts to come close to recreating the “it” factor that Shane had are falling short. When hearing the news that he had the wrong woman killed, Terry is forced to go to Virginia to see Cherie face to face. Never being one to lose, Terry is outraged and dumbfounded because he could’ve sworn that the woman he had the hit out on was Cherie. He has no other choice but to finish what he started by visiting his ex-fiancée himself to get it over with.
