CMJ New Music Report ,2001-11-26 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

The Nature of Nordic Music Tim Howell,2019-09-19 The Nature of Nordic Music explores two distinctive yet complementary understandings of the term 'nature': the inherent features, characters and qualities of contemporary Nordic music, and how the elemental forces of nature, the phenomena of the physical world (landscape, climate, environment), inspire and condition creativity here. Within a broader debate about the meaning of 'Nordicness', 12 case studies challenge our assumptions about a 'Nordic tone' to reveal a creative energy that is diverse and cosmopolitan in outlook. Each of the three parts of the book – 'Identities', 'Images' and 'Environments' – accommodates an eclectic array of musical genres (classical, popular, jazz, folk, electronic). This book will appeal to anyone interested in Nordic

music and culture, especially students and researchers.

CMJ New Music Report ,2001-11-26 CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales.
