Mama You Got This Emma Bunton, 2021-06-10 THE SUNDAY TIMES BESTSELLER You have a baby! Isn't it amazing - and also pretty terrifying?! I love being a Spice Girl, but what I am proudest of is being a mum. Even though I had all the real-life girl power of the actual Spice Girls on speed-dial, my incredible partner and my mum, I had so many worries and questions I couldn't always ask out loud. What I really, really wanted was one, easy-to-read, honest book that would give me support without judgement - that might even make me chuckle occasionally. So, I've written it for you! I've included all my stories about what that precious, exhausting first year was like for me, and I've also asked some brilliant experts for their help too, including a paediatric sleep consultant, a trusted NCT counsellor, a mindfulness coach, and no-less than five amazing midwives and doulas. I want you to feel like you've got this. Because guess what mama? You have!

Brutally Honest Melanie Brown, Louise Gannon, 2018-11-27 'Utterly absorbing and deeply affecting' – The Guardian As a Spice Girl, TV talent show judge and Broadway star, Mel B a.k.a Scary Spice, has been a global icon since her twenties. But behind the glittering façade of fame, the struggles and pain of this working-class, mixed-race girl from Leeds are laid bare in her critically acclaimed best-selling memoir, Brutally Honest. With deep personal insight, remarkable frankness and trademark Yorkshire humour, the book tells how she went from Girl Power to girl powerless during her ten-year emotionally abusive marriage. Tracing a path through the key moments in her life, she reflects on her childhood, rise to fame and her chilling downward spiral before she finally broke free. In this expanded edition, written with Louise Gannon, Mel brings her story up to date. With her trademark honesty, she tells the unfiltered story of piecing herself back together, dealing with trauma and new heartbreak whilst becoming a champion for survivors of abuse, performing once more with the Spice Girls and receiving her MBE

from Prince William.

Liv's Alone Liv Thorne, 2021-08-19 When Liv Thorne was in her twenties, and single, she would joke to friends that if Mr Right didn't come along she'd have to take matters into her own hands and have a child on her own. When she was still single in her thirties, it stopped being a joke and she started researching sperm banks and fertility clinics. *Liv's Alone* is an honest and hopeful memoir that captures the joy and the challenge that is parenting alone by choice. From dismantling the fairy tale story that we're fed from a young age and grieving the life you thought you were going to have, to buying sperm from

Denmark and bringing a baby into the world. Guiding readers through the highs and lows with warmth, humour and understanding, Liv wants her book to be a little beacon of optimism for women who are in the same position she was in; late 30s, single and longing for a baby. Mixed Up: Combination Feeding by Choice Or Necessity Lucy Ruddle, 2021-04-15 Many families find themselves feeding their baby a combination of breastmilk and formula-either by choice or through circumstance. Despite this being a very common way of infant feeding, there is a lack of non-judgemental, empathic, evidence-based information available to support parents. In this book you will find: -How to choose, prepare, feed and store formula-including the big questions- how much and how often?! -How to switch between at-breast feeding and topping up in ways which can help to reduce the chances of bottle preference. - Quick glance how to combi feed sections for many scenarios ranging from not wanting to breastfeed in public or to give Mum an occasional night off to regular daily bottles due to weight gain worries or long term medical conditions. -How to care for your breasts and maintain a comfortable milk supply while mixed feeding. -How to avoid the top-up trap of giving more and more formula when

you only wanted to introduce a bottle once a day. -Rebuilding a milk supply if you want combination feeding to be temporary. -Basic breastfeeding support and information to help you overcome the most common causes of unwanted combination feeding-including the myths around frequent feeding and low milk supply, and how to overcome pain plus where you can get extra help. -Real-life stories and quotes from families who have been where you are now. -A section for premature babies or those with extra needs. Murderous Mayhem at Honeychurch Hall Hannah Dennison, 2017-05-02 This nail-biting addition to Hannah Dennison's Honey Church Hall mystery series, **Murderous Mayhem at Honeychurch Hall** is not to be missed. An enjoyable, lighthearted read, just the thing to chase the blues away. —M.C. Eve becomes Noah's online guide and realizes that the handsome detective may have secret scars as painful as her own. Inspired Parenting Dorka Herner, 2020-02-27 In *Inspired Parenting*, psychologist and mother-of-five Dorka Herner shows through practical,

everyday examples how we can reflect on our own parenting and see our interactions with our children through fresh eyes. What our children do can reveal much about ourselves as parents: if a five-year-old won't go to sleep alone, who needs evening cuddles, us or him? If we are bothered when our child is bored, is it because we view ourselves as useless unless we are ticking off tasks? If we think our children are careless, is it because we are too perfectionist? By understanding ourselves better, we can see the nuances in how we live together as families and appreciate that our relationships can be complex. By thinking deeply and honestly, we can see more clearly how to build the type of life we want for ourselves and our children, and how to genuinely enjoy the challenges and rewards of raising them. With a down-to-earth and realistic approach, the book invites us to examine the details of parenting and learn valuable lessons about ourselves in the process.

That's Mental Amanda Rosenberg, 2019-11-06
Incredible!—Samantha Irby, New York Times
bestselling author of *We Are Never Meeting in Real Life* and *Meaty Raw*, witty, and unapologetic, *That's Mental* is a collection of laugh-out-loud funny, confessional essays about the inappropriate, devastating, and strangely amusing side to being mentally ill. illness, it shines a harsh, fitting room light on thoughts and ideas that are often avoided, because they're uncomfortable or just downright embarrassing. These pages move through the everyday realities of mental illness, covering everything from, how reaching out for help is a fucking nightmare, to dealing with people who suggest "cures" for your depression, to making up excuses to miss work just so you can take a mental health day. That's Mental is an uproarious and brutally honest collection of confessions from someone who's been there, done that, and still has no idea what she's doing.
