Tell Me Lies Carola Lovering,2018-06-12 Now an original series on Hulu! YOU NEVER FORGET YOUR WORST. "A twisted modern love story" (Parade), Tell Me Lies is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, Tell Me Lies follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

When We Lost Our Heads Heather O'Neill,2022-02-08 "Every decent friendship comes with a drop of hatred. But that hatred is like honey in the tea. It makes it addictive." Charismatic Marie Antoine is the daughter of the richest man in 19th century Montreal. She has everything she wants, except for a best friend—until clever, scheming Sadie Arnett moves to the neighborhood. Immediately united by their passion and intensity, Marie and Sadie attract and repel each other in ways that thrill them both. Their games soon become tinged with risk, even violence. Forced to separate by the adults around them, they spend years engaged in acts of alternating innocence and depravity. And when a singular event brings them back together, the dizzying effects will upend the city. Traveling from a repressive finishing school to a vibrant brothel, taking readers firsthand into the brutality of factory life and the opulent lives of Montreal's wealthy, When We Lost Our Heads dazzlingly explores gender, sex, desire, class, and the terrifying power of the human heart when it can't let someone go.

Katerina James Frey,2019-07-16 From the New York Times bestselling author of A Million Little Pieces and Bright Shiny Morning comes Katerina, James Frey's highly anticipated new novel set in 1992 Paris and contemporary Los Angeles. A kiss, a touch. A smile and a beating heart. Love and sex and dreams, art and drugs and the madness of youth. Betrayal and heartbreak, regret and pain, the melancholy of age. Katerina, the explosive new novel by America's most controversial writer, is a sweeping love story alternating between 1992 Paris and Los Angeles in 2018. At its center are a young writer and a young model on the verge of fame, both reckless, impulsive, addicted, and deeply in love. Twenty-five years later, the writer is rich, famous, and numb, and he wants to drive his car into a tree, when he receives an anonymous message that draws him back to the life, and possibly the love, he abandoned years prior. Written in the same percussive, propulsive, dazzling, breathtaking style as A Million Little Pieces, Katerina echoes and complements that most controversial of memoirs, and plays with the same issues of fiction and reality that created, nearly destroyed, and then recreated James Frey in the American imagination.

The Between Tananarive Due, 2021-10-05 “An extraordinary work of humane imagination . . . call it magic realism with soul.”—Locus “Finely honed . . . always engages and frequently surprises.”—New York Times Book Review A man risks his soul and his sanity to save his family from malevolent forces in this brilliant novel of horror and the supernatural from the award-winning pioneer of speculative fiction and author of the classic *My Soul to Keep*. When Hilton was a boy, his grandmother sacrificed her life to save him from drowning. Thirty years later, he begins to suspect that he was never meant to survive that accident, and that dark forces are working to rectify that mistake. When Hilton's wife, the only elected African American judge in Dade County, Florida, begins to receive racist hate mail from a man she once prosecuted, Hilton becomes obsessed with protecting his family. The demons lurking outside are matched by his internal terrors—macabre nightmares, more intense and disturbing than any he has ever experienced. Are these bizarre dreams the dark imaginings of a man losing his hold on sanity—or are they harbingers of terrible events to come? As Hilton battles both the sociopath threatening to destroy his family and the even more terrifying enemy stalking his sleep, the line between reality and fantasy dissolves . . . Chilling and utterly convincing, *The Between* is the haunting story of a man desperately trying to hold on to the people and life he loves as he slowly loses himself.

Creatures Crissy Van Meter, 2020-01-07 “[A] kaleidoscopic narrative . . . Tenacious, wildly original, and full of insight.” —San Francisco Chronicle “An alluring, atmospheric debut.” —People A Belletrist Book Club Pick A Most Anticipated Book of the Year Entertainment Weekly • The Millions • Bustle On the eve of Evangeline’s wedding on Winter Island, the groom may be lost at sea, a dead whale is trapped in the harbor, and Evie’s mostly absent mother has shown up out of the blue. From there, in this mesmerizing, provocative debut, the narrative flows back and forth through time as Evie reckons with her complicated upbringing—a weed-dealing, charming but neglectful father, a wild-child best friend—in this lush land off the coast of Southern California. With wit, love, and bracing flashes of anger, *Creatures* probes the complexities of family and abandonment, guilt and forgiveness, betrayal and grief—and exerts a pull as strong as the tides.

The voice is just so honest and riveting and insightful about creativity and life. —Curtis Sittenfeld An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother's sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of a garage where she works on the novel she's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. *Writers & Lovers* follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.
