The Sound of Musicals Steven Cohan,2019-07-25 Despite having had its obituary written many times, the movie musical remains a flourishing twenty-first century form, and as this volume demonstrates, one that exists far beyond the confines of Broadway and Hollywood. *The Sound of Musicals* examines the films, stars, issues and traditions of the genre from the 1930s to the present day. Featuring sixteen original essays by leading international scholars, this illuminating collection addresses the complex history and global variety of the movie musical, and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world. The contributors address key issues for understanding the movie musical: questions of genre and generic traditions; questions of history, bringing fresh perspectives to a consideration of Classical Hollywood musicals; and the musical beyond Hollywood, looking at alternatives to the Hollywood model from the 'New Hollywood' and American independent cinema to Bollywood and other national musical traditions. Individual chapters consider key musical stars such as Frank Sinatra, Julie Andrews and Barbra Streisand; film-makers including Robert Altman and Christophe Honoré, and classic musicals such as *South Pacific* (1958) and *Hairspray* (1988). In his introduction to the volume, Steven Cohan addresses the significance and enduring appeal of this multi-faceted genre, and considers its recent renaissance with movies such as the *High School Musical* franchise, and the success of the television series *Glee*.

Top Five Andrew Buss,2023-11-01 The movie *High Fidelity* is sacred ground for music lovers and cinephiles alike. Through the story of hapless record store owner Rob Gordon and his coterie of vinyl snobs, the 1997 film made it cool to let your geek flag fly and embrace your irrational enthusiasms. In *Top Five*, journalist Andrew Buss offers a rollicking oral history of the making of the film and its continued influence on popular culture. When a book is as universally praised as Nick Hornby's original novel, adapting it for screen can be a tricky prospect. *Top Five* examines the difficulties that went into writing the movie: although the book was set in London, the screenwriting team (which included star John Cusack) transplanted the story to Chicago, drawing on their own experiences growing up there. Fears that the film would be an Americanized dilution of the source material evaporated when fans of the book saw just how true the film stayed to Rob's story. Buss draws on interviews with actors like Cusack, Jack Black, and Iben Hjejle, along with all the key principals behind the scenes, including director Stephen Frears and the movie's screenwriter, producers, and composer. Together they offer a multi-perspectival account that captures the legacy of the film, showing how it created an indelible snapshot of '90s culture while anticipating our current era of media surfeit and content

overload.

Last Shop Standing: Whatever Happened To Record Shops? Graham Jones, 2010-07-23 Last Shop Standing: Whatever Happened To Record Shops?

documents the sad disappearance of a cultural icon from our high streets. Once a thriving industry, the UK has gone from having over 2000 independent record shops in the 1980s to just 269 in 2009. Written by Graham Jones, who has worked in the distribution industry for over 25 years as a record company salesman, this book presents a snapshot of a business that is under threat of going the same way as the stamp shop, the coin shop and the candlestick maker. Jones' speaks to 50 record shop owners to see why they have survived while nearly two thousand others have closed. These interviews form the basis of the book, which celebrates the rich social history in which the record shop is steeped. In 2012 Last Shop Standing was made into an award winning 50 minute film, featuring interviews with Johnny Marr, Norman Cook, Richard Hawley, Paul Weller and Billy Bragg, alongside many of the record shop owners featured in the book. Given a new tagline – 'the rise, fall and rebirth of the independent record shop', the film has been screened around the globe and was an official selection at the Chicago International Movies & Music Festival in 2013.
