e-Pedia: Captain America: Civil War Contributors, Wikipedia,2017-02-11 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. Captain America: Civil War is a 2016 American superhero film based on the Marvel Comics character Captain America, produced by Marvel Studios and distributed by Walt Disney Studios Motion Pictures. It is the sequel to 2011's Captain America: The First Avenger and 2014's Captain America: The Winter Soldier, and the thirteenth film of the Marvel Cinematic Universe (MCU). The film is directed by Anthony and Joe Russo, with a screenplay by Christopher Markus & Stephen McFeely, and features an ensemble cast, including Chris Evans, Robert Downey Jr., Scarlett Johansson, Sebastian Stan, Anthony Mackie, Don Cheadle, Jeremy Renner, Chadwick Boseman, Paul Bettany, Elizabeth Olsen, Paul Rudd, Emily VanCamp, Tom Holland, Frank Grillo, William Hurt, and Daniel Brühl. In Captain America: Civil War, disagreement over international oversight of the Avengers fractures them into opposing factions—one led by Steve Rogers and the other by Tony Stark. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 634 related (linked) Wikipedia articles to the title article. This book does not contain illustrations.

Fallout 3 - Strategy Guide GamerGuides.com,2015-10-28 War never changes. The Fallout franchise certainly has, however. In 2008 Bethesda revived Interplay's famous Post Nuclear Role Playing Game, moving from third person to first person, and from the west coast to the east coast. You are the Lone Wanderer, an outcast from Vault 101 who sacrifices a relatively easy life in order to brave the terrors of the post-apocalyptic Wasteland and find your Dad, whose mysterious departure from Vault 101 sets a chain of events in motion that will change the Capital Wasteland forever... This guide is intended to be the ultimate completionist's guide to Fallout 3. The guide offers the following: - Every area in the game covered extensively including all side quests and main quests. - All the Bobbleheads, skill books and schematic locations. - A full trophy/achievement guide. - An in-depth information about character creation is also provided so you can create whatever Vault Dweller suits you best. - Good, evil and neutral alternatives to quests will be presented where applicable. Become the Last, Best Hope of Humanity... or add to the continuing sum of human misery in your selfish quest for survival. Sneak past foes, talk your way out of confrontations, shoot everything in the head, or create a character who can do it all. The Wasteland is a big, dangerous place, and this guide will help you experience as much as possible.

Dealing with Government in South Sudan Cherry Leonardi,2013 Explores various aspects of chiefly authority in South Sudan from its historical origins and evolution under colonial, postcolonial and military rule, to its current roles and value in the newly independent country.

The Wounded Warrior Virginia Egbujor,2015-12-19 The 12 year-old was conscripted to fight a losing-war between Nigeria and the new state of Biafra. He was taken alongside his uncle on their way to harvest fruits in the rural parts of the Igbo heartlands, much against their will. It was determined as a desperate attempt of the nearly vanquished army in the uneven sided war of genocide waged against the much hated ethnic group. At that point in time, men and boys of almost any age were taken to combat to stave the impending defeat by the well trained and equipped assailants who used all at their disposal including: hunger starvation (total malnutrition and abject poverty) to achieve their end. After more than a year in the ill prepared role of a soldier; without a gun, the child- soldier was picked unconscious from the rubble of a bombed out shelter at a college compound that served as a make-shift army barrack. He was bleeding profusely and his left leg was shattered and he was unresponsive at the scene. His uncle who had tried to protect and keep him alive was also severely injured. However, both recovered, though with visible external and internal wounds. They shared the same hospital for wounded soldiers when the war ended; with the routing of the ill-equipped army that was fighting only for survival (with no meaningful arms, ammunition or military organisation) The intervention of the international Red Cross and the religious charities protected and sustained the wounded service men and all the ethnic population who symbolically considered all as wounded too. The end of the war saw the then 13-year old back at his secondary school. As his physical, emotional and psychological being was put together he continued his studies even to the highest level of academic and professional achievement. The novel ends with the former child-soldier receiving his accreditation and taking his Hippocratic Oath to practice medicine: (to care and save not kill.)

Moral Injury and Soldiers in Conflict Tine Molendijk,2021-03-16 This book advances an interdisciplinary understanding of moral injury by analyzing the stories of military veterans of combat and peace missions. In the past decade, the concept of moral injury has emerged to address the potential moral impact of deployment. This book contributes to an interdisciplinary conceptualization of moral injury while, at the same time, critically evaluating the concept's premises and implications. It paints an urgent and compassionate picture of the moral impact of soldiers' deployment experience and the role of political practices and public perceptions in moral injury. It does so by drawing on the experiences of close to a hundred Dutch veterans deployed to Bosnia (Srebrenica) and Afghanistan, and analyzing their stories from the perspectives of psychology, philosophy, theology and social sciences. Ultimately, this book advances the understanding of moral, political and societal dimensions of moral injury and contributes to practical efforts aimed at its prevention. This book will be of much interest to students of ethics and war, cultural anthropology, conflict studies and international relations.

The Razorland Trilogy Ann Aguirre,2014-11-18 The Razorland Trilogy: Enclave, Outpost, and Horde The New York Times—bestselling trilogy is the story of two young people in an apocalyptic world—facing dangers, and feelings, unlike any they've ever known. Enclave: Fifteen-year-old Deuce lives in a world below New York City which has been decimated by war and plague. As part of her new role as Huntress, Deuce is paired with Fade, another teenage Hunter. When the pair discovers that the neighboring enclave has been decimated by tunnel monsters, the elders refuse to listen to their warnings. And when Deuce and Fade are exiled from the enclave, the girl born in darkness must survive in daylight in the ruins of a city whose population has dwindled to a few dangerous gangs. Outpost: Deuce's whole world has changed. Down below, she was considered an adult. Now, topside in a town called Salvation, she's a brat in need of training in the eyes of the townsfolk. To make matters worse, her Hunter partner, Fade, keeps Deuce at a distance. Her feelings for Fade are still strong, but he seems not to want her around anymore. Things have been changing on the surface, just as they did below ground. The monsters don't intend to let Salvation survive, and it may take a girl like Deuce to turn back the tide. Horde: The survival of Salvation is up to Deuce, Fade, Stalker, and Tegan. Deuce decides the only way to fight an army is to raise one. At first, everyone laughs at the idea of a girl leading humanity's forces against the Freaks, but then she proves herself in combat. Can Deuce render a permanent truce with the Freaks? Who will survive? Includes bonus chapters from Ann Aguirres Mortal Danger!

Mass Graves and Other Atrocities in Bosnia United States. Congress. Commission on Security and Cooperation in Europe,1996

Wolf Soldier James R. Hannibal,2022-07-12 The fate of the Dragon Lands are at play The knights of the Lightraider Order disappeared nearly two generations past. Now, the Keledan have withdrawn behind their barriers, and the Dragon Lands of bordering Tanelethar are overrun with dark oppression. The people are living in disobedience to the Rescuer who freed them long ago. A shepherd boy, Connor Enarian, and four young initiates rekindle the

fires of the Lightraider Order in the hope of striking out across the mountains into Tanelethar to destroy a portal and stop an impending invasion. Once in the Dragon Lands, Connor learns that the key to success lies with a missing Lightraider spy and his lifelong companion, a talking silver wolf. Can Connor and his friends find the spy before the portal grows too large to destroy? Or will a local young woman--or Connor's own family history--betray them? The dangers and secrets of Tanelethar test both trust and loyalty, and to save his homeland, Connor may have to sacrifice his innermost dreams.

The Last Don Mario Puzo,2004-09-28 A masterful saga of the last great American Mafia family and its powerful reach into Hollywood and Las Vegas, from the author of *The Godfather* The Last Don is Domenico Clericuzio, a wise and ruthless old man who is determined to see his heirs established in legitimate society but whose vision is threatened when secrets from the family's past spark a vicious war between two blood cousins. The Last Don is a mesmerizing tale that takes us inside the equally corrupt worlds of the mob, the movie industry, and the casinos where beautiful actresses and ruthless hitmen are ruled by lust and violence, where sleazy producers and greedy studio heads are drunk on power, where crooked cops and desperate gamblers play dangerous games of betrayal, and where one man controls them all. Praise for The Last Don “Puzo is in top form. . . . Head-long entertainment, bubbling over with corruption, betrayal, assassinations, Richter-scale romance, and, of course, family values.”—Time “The most entertaining read since *The Godfather*.”—The New York Times Book Review “Skillfully crafted . . . It gives us Hollywood, Las Vegas, and the mob in one sweet dish.”—Los Angeles Times Book Review “Puzo returns after a quarter century to the terrain of his greatest success, *The Godfather*, to tell a second masterful tale of Mafia life.”—Variety “A compelling tale peopled by memorable characters . . . Puzo is a master storyteller with an uncanny facility for details that force the reader to keep the pages turning.”—USA Today

The Life Of A Soldier G. W. Grant,2008-03-13 The Life Of A Soldier begins with a young man named Bill Miles who enlists in the Army fresh out of college. After finishing his Officers Basic Training, he received his commission, and then shipped off to a secret base located somewhere in the Middle East.Later, as the commander of the newly formed top-secret Counter Terrorism and Hostage Rescue Unit, known only to a select few government officials, Miles and his men would remain ready to be deployed anywhere in the world in a matter of hours, and arrive ready to take whatever action necessary to complete their assigned mission.Discover first hand the life a soldier must endure while serving their country and learn about the hardships they deal with everyday, from government corruption and betrayal, to love and romance.

Fearless Women Fall Sampler V. E. Schwab,S. L. Huang,K Arsenault Rivera,Nancy Kress,Mirah Bolender,Fran Wilde,2018-07-31 Excerpts of fantasy and science fiction novels written by fearless women, including *Vengeful* by V.E. Schwab, *Zero Sum Game* by S.L. Huang, *The Phoenix Empress* by K Arsenault Rivera, *Terran Tomorrow* by Nancy Kress, *Horizon* by Fran Wilde, and *City of Broken Magic* by Mirah Bolender. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Torn Apart Ken Wharton,2019-02-26 In the early twentieth century there was a war brewing on Britain's doorstep. Northern Ireland was filled with discrimination and suspicion, a sense of foreboding that would soon erupt into full-blown rioting. As the fiftieth anniversary of the Troubles approaches, Ken Wharton takes a thorough look at the start of the Troubles, the precursors and the explosion of violence in 1969 that would last until the Good Friday Agreement in 1998. In all, the Troubles cost 50,000 casualties and nearly 2,000 civilians' lives across Northern Ireland, the Republic and England. Utterly condemnatory of the paramilitaries, Wharton pulls no punches in his assessment of the situation then and seeks to dismiss apologists today. His sympathy lies first with those tasked with keeping order in the province, but also with the innocent civilians caught up in thirty years of bloodshed. *Torn Apart* is an in-depth look at the start of the Troubles, looking at the seminal moments and Northern Ireland today using the powerful testimony of those who were there at the time.

Endgame David Rohde,2012-05-29 “Powerful... definitive... Rohde tells the Srebrenica story with all the shades of gray the truth demanded.” —The Washington Post In 1996, at the height of the Bosnian wars, a correspondent for The Christian Science Monitor named David Rohde uncovered a horrifying story that became an enduring symbol of the genocidal nature of that conflict, earning him his first Pulitzer Prize. *Endgame* is the full-length narrative of the nightmare he stumbled upon in the town of Srebrenica, where a massacre of historic proportions has been allowed to happen due to the negligence of the United States, NATO, and the United Nations. Told through the eyes of the soldiers, peacekeepers, and civilians who were there, this is a vital, unforgettable work of history about an atrocity that could have been prevented.

The Deserter's Tale Joshua Key,2008-01-22 “Apocalypse Now insanity . . . if this is what one soldier saw in seven months, imagine the sum total of the inhumanity being perpetuated in Iraq” (Toronto Star). The first memoir from a soldier who deserted from the war in Iraq, and a vivid and damning indictment of the American military campaign, *The Deserter's Tale* is “destined to become part of the literature of the Iraq war . . . a substantial contribution to history” (Los Angeles Times). In Spring 2003, young Oklahoman Joshua Key was sent to Ramadi as part of a combat engineer company. It was not the campaign against terrorists and evildoers he had expected. Key saw Iraqi civilians beaten, shot, and killed, or maimed for little or no provocation. After seven months in Iraq, Key was home on leave and knew he could not return. So he took his family and went underground in the United States, finally seeking asylum in Canada after fourteen months in hiding. Detailing the grinding horrors of life as part of an occupying force, *The Deserter's Tale* is the story of a conservative-minded family man and patriot who went to war believing unquestioningly in his government's commitment to integrity and justice, and how what he saw in Iraq transformed him into someone who could no longer serve his country. “Devastating . . . The questions [Key] raises . . . will not go away.” —Daily Kos “A tearjerker . . . Lawrence Hill, the award-winning Canadian novelist and journalist who helped Key write *The Deserter's Tale*, does a marvelous job preserving Key's authentic voice. The writing is fluid, crisp and compelling. The story is shocking.” —Montreal Gazette

Military Law Review ,1997-10

Enclaves of Single Tax Charles White Huntington,1933

Garrison Metropolis Metuge Ekane,2022-12-21 When it comes to the discourse of military intervention, the market is saturated with all sorts of books of war. Such books, for the most part, tend to be narrative accounts of heroic militarism which often do not address the aspect of [societal] rehabilitation. Scores of these books do not highlight the relevance of “interactive socialization” as regards politically embattled nations that harbour [sociologically] shattered societies. So, there is a gap in the market when it comes to the rehabilitation of battled-scarred societies with psychologically distressed masses. *Garrison Metropolis* explores the adaptive rehabilitation of this embattled universe through a regenerative doctrine of military intervention called “Pure militarism”.

Soldier in Paradise Steven S. Cullen,2011-08-12 *Soldier In Paradise* is a novel salivating in the human experience of living, dying, and war. Steven S. Cullen's concise and detailed writing creates the perfect platform for a reader to understand the physical, emotional, and unique concept of life during and after war. This story follows the direct experience and reality of young man's journey. Although the characters names and information are counterfeit, the storyline and testimony are based on true events from this author occurrence

Surviving the Bosnian Genocide Selma Leydesdorff,2011 In July 1995, the Army of the Serbian Republic killed some 8,000 Bosnian men and boys in and around the town of Srebrenica--the largest mass murder in Europe since World War II. Surviving the Bosnian Genocide is based on the testimonies of 60 female survivors of the massacre who were interviewed by Dutch historian Selma Leydesdorff. The women, many of whom still live in refugee camps, talk about their lives before the Bosnian war, the events of the massacre, and the ways they have tried to cope with their fate. Though fragmented by trauma, the women tell of life and survival under extreme conditions, while recalling a time before the war when Muslims, Croats, and Serbs lived together peaceably. By giving them a voice, this book looks beyond the rapes, murders, and atrocities of that dark time to show the agency of these women during and after the war and their fight to uncover the truth of what happened at Srebrenica and why.

A Soldier's Duty Thomas E. Ricks,2002-06-11 From one of America’s most esteemed military correspondents and the author of *Making the Corps* comes a “briskly paced, engrossing tale” (Los Angeles Times) about a brutal brushfire war in Afghanistan that sets off a titanic struggle for the soul of the twenty-first-century American military.

Embracing the Tune of Phrase: An Psychological Symphony within **Enclave Soldier**

In a world consumed by screens and the ceaseless chatter of quick communication, the melodic beauty and psychological symphony developed by the published word often fade into the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. However, set within the pages of **Enclave Soldier** a wonderful fictional value brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts readers on an emotional journey, well unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of this touching review, we can explore the book is central harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
