Minecraft: Legend of the Enderman Minecraft Books,2015-10-06 From #1 Amazon Bestselling Authors Creative Community The Enderman is the most sinister of the neutral mobs, but it has not always been neutral. There was a time where, like every other mob, the Enderman would attack humans with a heavily damaging blow whenever it had the chance along with its ear-piercing hiss and teleportation. Though deemed extinct for many centuries, the black and skinny Enderman, with its tall looming body and great speed, has still been haunting the dreams of humans with its glowing purple eyes. During this time, there have been no sightings of Endermen in the actual world of Minecraft. One day however, our friend Steve, a very skillful monster-slaying human, sighted this long forgotten monster during a mining adventure. Steve then made it his mission to make peace with this species that has begun to haunt him with unwelcome visits to his home. How exactly would Steve be able to

survive this new threat with teleporting abilities? How exactly did the Enderman turn into the neutral mob with a deadly stare that we know it as today? With a visit to a nearby village and his skillful knowledge in combat, it is up to Steve to edit the history books and bring light once again to a long-forgotten monster to become the Defender of the Ender. *Minecraft Legend of The Enderman: Defender of The Ender*

The Endermen Invasion Winter Morgan, 2014-11-18 Will a griefer destroy Steve's hope of winning the elite building competition? This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. In this third installment of the Minecraft Gamer's Adventure series, Steve is invited to participate in an elite building competition on Mushroom Island. His friends—Max, Lucy, and Henry—are impressed and want to join their friend on a journey to the island. Yet not everyone is happy: Steve's neighbor Kyra is upset because she wasn't chosen as a contestant. Steve asks Kyra to come to the competition and help the gang build boats to get to Mushroom Island. She agrees, and the group sets out on an adventure to the contest. Getting there is half the fun, and the group treks through the jungle, where they find a rare temple filled with treasure! But getting the treasure isn't easy, and they have to fight fierce battles to continue their journey. After their exhilarating and rewarding journey to the contest, they finally make their way onto the island and meet the judges, as well as the other four contestants, whose egos are as big as the houses they are building. Steve builds his dream house to impress the judges, but just as they begin judging, the island is overrun with Endermen. Mushroom islands are known for not having hostile mobs, so everyone knows it's the work of a griefer. Is it one of the contestants? Nobody knows, but they all have to work together to battle this invasion of the Endermen. Will they be able to defeat the Endermen and find out who the griefer is? And who will win the building contest? Find out in this thrilling third installment of the Minecraft Gamer's Adventure series! Enderman is back in this sequel of his diary. In the last diary he learned the meaning of hard work and how valuable some blocks really are. In this sequel, Erik is ready to improve his house. He recruits Steve to go on a series of adventures with him. What is meant to be a small mission to get some rarer materials for his house turns into many action-packed events. Erik and Steve must team up to fight many mobs that want to cause them harm and steal their new supplies. The question still remains, will Erik be able to get home safely with the new materials that he is risking his life for? Will others be impressed or influenced by Erik and Steve's actions or will they go home without an ounce of fame to their names? As Erik and Steve go on terrifying adventures they may even find something more exciting than what they were looking for in the first place. Friendship, mobs, and even rare gems play a large part in the story of Erik Enderman. Erik's diary is like reading straight into his mind and looking through his eyes to understand everything going on in Overworld. You can read all about Erik and Steve's great time in Diary of Erik Enderman 2: Adventures with Steve. Book 3: The Legend of the Endermen's Treasure Erik Enderman embarks on his third adventure in this story, Erik Endermen 3: Legend of the Endermen's Treasure. In the past Erik has been focused on stealing blocks, making buildings, and selling things made out of gems in his shop that he has opened with Steve. The gem shop is booming! It might be going a little too well though. When Erik and Steve run out of gems they need to find a way to get more of them. That's when Erik stumbles across an ancient Endermen legend. Clues are hidden everywhere and challenges are at every twist and turn in their journey. Erik and Steve must team up once more to try to find the hidden treasure of the Endermen. Erik and Steve will come across mobs that they have never fought together before. They will explore

new areas of Overworld and the home of all of the ancient Endermen. Will the mobs try to help him or will they only get in their way? Will they be able to do it, or will they be defeated along the way? Is the legend just a myth, or will Steve and Erik be richer than they have ever dreamed they would be? All of these questions will be answered in the third volume of Erik Enderman's diary. Author's Note: These short stories are for your reading pleasure.
