**Very Special Episodes** Jonathan Cohn,Jennifer Porst,2021-08-13 Very Special Episodes examines how the quintessential “very special episode” format became a primary way in which the television industry responded to and shaped social change, cultural traumas, and industrial transformations. With essays covering shows ranging from the birth of Desi Arnaz, Jr. on I Love Lucy to contemporary examples such as a delayed episode of Black-ish and the streaming-era phenomenon of the “Very Special Seasons” of UnReal and 13 Reasons Why, this collection seriously and critically uses the “very special episode” to chart the history of American television and its self-identified status as an arbiter of culture.

*Latin American Cultural Objects and Episodes* William H. Beezley,2020-12-30 Delight in the cultural aspects of Latin America by observing the objects that give life to history Latin American Cultural Objects and Episodesprovides readers with an eclectic and fascinating exploration of Latin American history through the examination of physical objects. Distinguished author and Professor William H. Beezley takes readers on a journey that includes objects used music and visual media, such as movies, documentaries, and television. Forming an integral part of the history they represent, the objects described in this book tell the tale of the little known or neglected part of Latin American history. While most historical authors and researchers focus on the political and economic life of Latin America, this author uses the objects he highlights to explain and illuminate the daily lives of the Latin American peoples and the legacies that they share. Forming an essential part of a comprehensive understanding of Latin American history, the book includes discussions and explorations of: How objects have transformed and shaped the cultures of Latin America over the years Unusual and interesting objects serendipitously discovered by a variety of researchers and historians Ten chapters, each beginning with an object acting as a synecdoche or metonym that introduces a discussion of Latin American historical life The significance of the objects to particular religious practices, musical traditions, or schools of visual media, such as folk art, film or television Perfect for anyone interested in Latin American life beyond politics and economics, Latin American Cultural Objects and Episodes belongs on the bookshelves of everyone with a curiosity about culture in Latin America as it’s revealed through physical objects.

**Friends Forever** Gary Susman,Jeannine Dillon,Bryan Cairns,2019-11-26 A fully illustrated and authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, exclusive photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced the world to six young New Yorkers living together, falling in love, breaking up (cue Ross's We were on a break!), and getting into hilarious shenanigans, which became an instant classic formula that inspired dozens of hangout sitcoms long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like the Rachel and timeless catchphrases like How you doin'? while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten- season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica’s and Rachel’s apartment and Central Perk. It's no wonder why the Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey’s fake resume vs real one Countdown to the funniest Thanksgiving foods Trivia game Q&A from The One with the Embryos (Seriously, what is Chandler Bing’s job?) Follow Ross’s infidelity trail from The One with the Morning After Who’s that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons
