Ties of Fate Amelia Brown,2015-06-20 In the aftermath of the Great War many of the old traditions have been forgotten. An ancient spell has kept the continents of Syrah and Alteron apart for over a thousand years. One land is inundated with magic, the other abandoned all magic after paying the price of its misuse. Now, any who undertake the journey to the other shore are lost forever. The young Princess of Syrah is commanded to embark on a perilous journey. But Fate has had a hand in her life since before she was born. Kaliopia, must venture to Alteron and return by the next cycle of moons or her crown will be passed to another. Few expect her to survive, but she has been given gifts to endure the arduous task. What answers will the lost continent hold for the Princess? Prince Epyon has taken on the duties of King since his father's sudden death. The nobles have doubts about the Warrior Prince's suitability for wearing the Alterian crown. Though his subjects grow wary and rumors are spreading, Epyon's heart is that of a true king. Now faced with a rising darkness, his life is tied to the fate of a mysterious maiden who has appeared upon his shores. As destiny draws them closer together, malicious forces are gathering, determined to seize control of everything they hold dear. Will Epyon overcome the darkness that hounds him? Will Kaliopia return triumphant for her coronation? How are these two fates tied together when they come from realms a world apart? Ties of Fate is a young adult fantasy novel. Adventure and romance are at the heart of the tale surrounding Kaliopia and Epyon who try to balance youthful desires, the burdens of responsibility and the promise of their intertwined fates.
