

Error Flynn

William R. Bremer

My Wicked, Wicked Ways Errol Flynn,2002-11-04 Scandalous film star Errol Flynn tells all in this autobiography, detailing his pre-Hollywood career as a mercenary, and his trial for rape in 1943.

Errol Flynn Thomas McNulty,2015-05-07 Errol Flynn set the standard for the modern action hero in films like *The Adventures of Robin Hood*, *Dodge City*, and *The Sea Hawk*. This biography follows Flynn from his birth in Tasmania, Australia, in 1909, to his death in Vancouver, Canada, in 1959. Included is analysis of his films, discussion of the 1943 rape trial that changed his life, a survey of the FBI's infamous surveillance, and the first detailed account of his television appearances in the 1950s. First-hand interviews with Flynn's friends and colleagues are complemented by research from FBI files, correspondence, Flynn's diary, and other sources. Illustrated with rare and previously unpublished photographs, the study also gives attention to the historical backgrounds and cultural influences that contributed to Flynn's fame; the work takes an objective and analytical look at the actor's adventurous life. The study includes two appendices: the first is a collection of quotations from various celebrities, from memories of his talent and style to anecdotes about his wild pool parties. The second appendix is a filmography including all Flynn's work for film, stage, and television, with cast and crew information.

Inherited Risk Jeffrey Meyers,2015-08-07 An extraordinary father-son biography of the scandalous life of movie star Errol Flynn and of his son's equally glamorous yet doomed career as a war photographer in Vietnam.

Errol Flynn Robert Florcak,2022-02-28 Though there have been myriad books on Errol Flynn - scores of biographies, film studies, analyses, etc. - there has never been one that unfurls his dashing life day-by-day, predominantly through photos, letters, news clippings, and documents. This book does so: from Flynn's birth in Hobart, Australia in 1909 through to his death in Vancouver, Canada in 1959, with over 1,000 images (many rarely or never before published) culled from Florcak's personal collection of over 11,000. The book is the result of the author's travels around the world to photograph locations key to Flynn's life, and with text gathered from years of research in the Warner Bros. Archives, the USC Cinematic Arts Library, and the Margaret Herrick Library. Among other popular day-by-day pictorial biographies are those of Frank Sinatra, Marilyn Monroe, Judy Garland, Ernest Hemingway, Elvis Presley, The Beatles, and Eric Clapton. Flynn's colorful life was lived out on the world stage and a better candidate for a book of this style would be hard to find.

From a Life of Adventure Errol Flynn,1980

Errol Flynn Earl Conrad,1978

Errol Flynn Charles Higham,1980 Recounts surprising--and shocking--exploits and escapades undertaken by the box-office idol, including love affairs with men and women, manslaughter charges, smuggling (gold, guns, and drugs), kleptomania, and work for the Nazis.

Errol Flynn David Bret,2004 Errol Flynn packed more into his 50 years than most of his high-living contemporaries could have done in a dozen lifetimes, yet confessed to having no regrets. This is a compelling, in-depth, uncensored and fast-paced biography that reveals Flynn as he really was.

Errol Flynn David Bret,2014-02-06 With his stunning looks and swashbuckling onscreen panache Errol Flynn was by all appearances the quintessential movie star who had it all. But Flynn's manicured Hollywood persona did little to hide his insatiable

appetites off-screen - the binge drinking, brawling and womanising that would forever cement his place as a film legend. In this hard-hitting study, bestselling show business biographer David Bret traces the life and loves of the actor and man. It was Flynn's natural charisma and athletic prowess that made him as the heartthrob star of Captain Blood and The Adventures Of Robin Hood. But Hollywood's prodigal son was never far from controversy and scandal. In a series of extraordinary revelations Bret explores the star's love of underage girls, young men, binge drinking and drug experimentation, as well as his controversial background as a slave-trader in New Guinea, involvement with the Spanish civil war and his support for Castro. This is compelling and engrossing portrait of the original action-adventure star, who packed more into his fifty years than his high-living contemporaries ever could. The gifted, complex and rakish rebel remains without equal as the film icon of the 20th century. 2009 marks the tragic death of Flynn and this book is an excellent tribute to an extraordinary actor. David Bret was born in Paris and is a leading celebrity biographer. His many acclaimed books include biographies of Marlene Dietrich, Gracie Fields, Freddie Mercury, Tallulah Bankhead, Maria Callas, Rudolph Valentino, Edith Piaf and Joan Crawford. He lives in Yorkshire.

Errol Flynn Slept Here Robert Matzen, Michael Mazzone, 2015-05-15 Documenting the most notorious house in Hollywood, this history spans the life and death of Mulholland Farm, the elegant and infamous mountaintop showplace built by film star Errol Flynn at the height of his fame. While appearing to be stylish and refined, Flynn installed secret passageways, two-way mirrors, and other voyeuristic tools into the house to spy on the famous women he entertained, as well as couples making love. He lived in Mulholland Farm during Hollywood's Golden Era, when he was the most famous playboy movie star alive, remaining in the home through the rape trial that almost ruined him and the snatching of John Barrymore's body. The intricate story of the farm also spans five continents to include Franklin Delano Roosevelt, Ronald Reagan, Fidel Castro, Humphrey Bogart, Shirley Temple, Clark Gable, Billy Graham, Johnny Cash, Roy Rogers, the Rolling Stones, and the other two owners of the property, Christian singer/songwriter Stuart Hamblen and rock 'n' roll legend Rick Nelson.

The Films of Errol Flynn Tony Thomas, Rudy Behlmer, Clifford McCarty, 1969

The Young Errol John Hammond Moore, 2011-11-08 A fascinating account of the early life of one of Australias most colorful and controversial sons. John Hammond Moore trace film star Errol Flynn's turbulent career from his birth in sedate Hobart through his eccentric schooldays and his youth in Sydney and cruising the Pacific to his years as a pioneer tobacco planter in Papua and the discovery that led to Hollywood and stardom. The author comments: While his golden age in Hollywood produced wondrous swashbuckling, Errol Flynn was not really acting at all. He was merely transferring a natural style developed in Sydney, Port Moresby, Rabaul, and London to a much larger audience. Anecdotes, quotations from Flynn's own diaries and from people who knew him in Australia and Papua New Guinea crowd one upon the other to underscore this truth, and to embellish this rollicking tale of a man who in the authors words: lived for half a century the sort of life adolescents dream of but men dare not attempt.

Errol Flynn Peter Valenti, 1984-10-24 Peter Valenti presents an objective evaluation of Flynn's impact on both American popular culture and the development of motion pictures. The book begins with a brief biography of the actor, followed by a complete history of

his screen, radio, and television career, an annotated guide to popular and scholarly materials on Flynn, and a bibliography of his own writings and the publications in which they appeared. Valenti ends with a series of personal interviews held with Flynn at various points in his often infamous career.

The Baron of Mulholland William R. Bremer,2006 Visit the author's website at <http://www.inlikeflynn.com/flynn.html> Several years after the death of her famous father, the teenaged Rory Flynn was discovered by the modeling world and thereafter worked as a high fashion model in New York, London and Paris for nearly a decade. Afterward, she decided to try her talents on the other side of the camera and has since traveled the world as a still photographer for the film industry. Currently, she is happily based in the Hollywood Hills, where she lives with her film producer husband Gideon Amir and their teenaged son Sean, who is carrying on the Flynn name as a successful film and television actor.

Errol & Olivia Robert Matzen,2017-03-27 IPPY Award Bronze Medalist for Performing Arts Digging deep into the vaults of Warner Brothers and the collections of the Academy of Motion Picture Arts and Sciences as well as other private archives, this book explores the complex personal and professional relationship of Errol Flynn and Olivia de Havilland. Flynn, even 50 years after his death, continues to conjure up images to the prototypical handsome, charismatic ladies' man; while de Havilland, a two-time Best Actress Academy Award winner, is the last surviving star of *Gone with the Wind*. Richly illustrated with both color and black-and-white photos, most previously unpublished, this detailed history tells the sexy story of these two massive stars, both together and apart.

Errol Flynn James Turiello,2012-04 Join me on this incredible journey of Errol Flynn's quest for an Oscar. Errol goes from complete obscurity to one of the most sought-after men in Hollywood. Men wanted to be him, women wanted to be with him. Errol on the other hand, wasn't particularly interested in acting. He was a cadet, an overseer at a copra plantation, he ran a charter schooner and he mined gold, to name only a few of his ventures all before the age of 21. He was a free spirit who played by his own rules, much to the chagrin of the Hollywood producers. He was up for any role and would play it so convincingly that it transported the viewer into another world. This book reminisces about the wonderful world of the motion picture experience in the 30's, 40's and 50's, when going to the movies was an event, where you would get a movie program and live organ music would fill the ornately decorated theater. We learn about the most loved man-of-the-people, Robin Hood, to the most audacious pirate in *The Seahawk*, to the bravest soldier as General Custer. You will be treated to over 200 photographs of Errol Flynn in his many movie roles, as well as, candid images most never before published. There are rare artwork posters from around the world, and some unique Errol Flynn items depicted you might not know exist. This book includes Errol Flynn's complete filmography with a short synopsis of each movie and the entire cast. Whether you are familiar with Errol Flynn and his body of work, or a newcomer, this book will definitely give you an insight into all the different aspects of his career in the movies. To quote Jack Warner of the famous Warner Brothers Studio, He was all the heroes in one magnificent, sexy, animal package...he showered an audience with sparks, when he laughed, when he fought, or when he loved. I just wish we had someone around today half as good as Flynn.
