The Billionaire and the Escort Evelyn Mahony,2021-08-03 FROM EXCITING AUTHOR OF LGBTQIA ROMANCE EVELYN MAHONY In the world of high-end escorts, getting personal is never part of the arrangement. When Josh Roberts became a male escort,

there was no room for emotions. They went against the job description. He had a full appointment book and enough clients to pay the bills. There was definitely no time to get attached to an older, extremely successful, incredibly gorgeous man who paid for his services. But Josh can't turn down the money that has started rolling in, along with the gifts and the opportunity to live in the lap of luxury as the man flies him around the world to play pretend as his boyfriend. How on earth is he supposed to say no? Especially once he starts falling for his client. James Barnwell is the successful CEO of Winter Luxury Resorts who stumbled upon Josh Roberts in a dark, high-end bar in midtown Manhattan. The young man was cocky, young, beautiful and offered James exactly what he was looking for—the chance to be with a man who knew the ropes and offered no opportunity to get attached. James had a lucrative business to run and meetings all over the world to attend. Having someone by his side would just weigh him down—or so he thinks, until he finds himself caring deeply for the man he pays for companionship, and it completely changes his world. Two men are trying to play make believe—until they realize their sham might be closer to reality than they thought.

The Internet Escort's Handbook Book 1 Amanda Brooks,2006-10-16 Considered the bible of escorts, sex workers and sugar babies alike, The Foundation is exactly that. It's an escorting 101 that starts with you to build a safe, sane, successful business. You are the foundation of your success. The Foundation is a sex work reference written to create a realistic awareness of the pitfalls and rewards of becoming an independent escort (and it works to answer questions for the curious public as well). Start with the most fundamental consideration of all: Decide whether escort work suits your personality Maximize your personal appearance for commercial

appeal Discover personal boundaries and how to maintain them Escort health and hygiene Get to know and love condoms How do you have sex on your period? Understand the limits of your personal energy and more! Common newbie questions are addressed; the ones that get asked, repeatedly, on public sex work or escort forums. While sugar babies generally don't want to think of themselves as professional escorts, they interact with their sugar daddies in much the same way and the safety concerns (and questions) are very similar. Ultimately, safe and sane escort work leads to happier, healthier escorts. (And happy escorts make for happy clients.) Written by an escort for escorts. Amanda Brooks is an American escort and advocate. She's appeared on The O'Reilly Factor, in CNBC's The Business of High End Prostitution, National Geographic's Sex For Sale, and lectured at Duke University; along with global work and travel.
