

Eta

Teresa Whitfield

The ETA Wayne Anderson,2002-12-15 One of the world's most active and violent terrorist groups is also one of its least well-known. The ETA is committed to creating an ethnic Basque homeland independent of Spain. Once hailed as freedom fighters by many Spaniards for resisting the oppressive rule of the dictator Franco, in recent years the group has lost popularity as it has continued to launch its violent attacks against government figures and tourist destinations even after the arrival of democracy in Spain.

Endgame for ETA Teresa Whitfield,2014 The violent Basque separatist group ETA took shape in Franco's Spain, yet claimed the majority of its victims under democracy. For most Spaniards it became an aberration, a criminal and terrorist band whose persistence defied explanation. Others, mainly Basques (but only some Basques) understood ETA as the violent expression of a political conflict that remained the unfinished business of Spain's transition to democracy. Such differences hindered efforts to 'defeat' ETA's terrorism on the one hand and 'resolve the Basque conflict' on the other for more than three decades. *Endgame for ETA* offers a compelling account of the long path to ETA's declaration of a definitive end to its armed activity in October 2011. Its political surrogates remain as part of a resurgence of regional nationalism - in the Basque Country as in Catalonia - that is but one element of multiple crises confronting Spain. The Basque case has been cited as an example of the perils of 'talking to terrorists'. Drawing on extensive field research, Teresa Whitfield argues that while negotiations did not prosper, a form of 'virtual peacemaking' was an essential complement to robust police action and social condemnation. Together they helped to bring ETA's violence to an end and return its grievances to the channels of normal politics.

ETA Interchange ,1976

Ending ETA's Armed Campaign Imanol Murua,2016-11-10 This book explains how and why the Basque separatist armed group ETA decided to end its armed campaign against the Spanish state. The ETA's armed campaign for Basque independence lasted fifty years and led to more than 800 casualties. This book analyzes the factors that led to ETA ending its campaign of violence in 2011, despite having yet to achieve its political objectives. It explains how the Basque pro-independence movement's political leadership won an internal battle and brought ETA to a position in which abandoning violence was the only feasible choice. The work argues that the key factor leading to the cessation of violence was the loss of support for armed struggle within the pro-independence social base, and it examines why and how that support decreased so decisively. Written by a former journalist, the narrative is based on more than 30 interviews, including former members of ETA, Spanish judges, former ministers of the Spanish government, political leaders of all Basque political parties—from the Nationalist Left to the Partido Popular (PP)—and international mediators. As such, it is the first book to recount in detail the inside story of the internal struggle within the Nationalist Left movement, and particularly between the political party Batasuna and ETA. This book will be of much interest to students of political violence, ethnic conflict, nationalism, Spanish politics, security studies, and IR.

History of the Eta Chapter of the Chi Phi Fraternity for Its First Fifty Years, 1867-1917 Georgia University Chi Phi Eta Chapter, Frank Kells Boland,2018-11-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. The Eta Cook Book Alpha Phi (Sorority). Boston Alumnae Chapter,1914

The Basque Insurgents Robert P. Clark,1984 In a lively narrative style that will interest both specialist and nonspecialist, Clark devotes the first part of his book to a historical introduction to ETA, tracing the roots of Basque insurgency from the end of the Spanish Civil War through the formation of ETA in 1959. He charts ETA through the period of Franco's death and the transition to democracy and examines ETA's response to the new Spanish government, explaining how the group became increasingly more radical and violent.

Counter-terror by proxy Emmanuel Pierre Guittet,2021-08-10 Between 1983 and 1987, mercenaries adopting the pseudonym GAL (Grupos Antiterroristas de Liberación, Antiterrorist Liberation Group) paid by the Spanish treasury and relying upon national intelligence support were at war with the Basque militant group ETA (Euskadi (e)Ta Askatasuna, Basque Country and Freedom). Over four years, their campaign of extrajudicial assassinations spanned the French-Spanish border. Nearly thirty people were killed in a campaign comprised of torture, kidnapping, bombing and the assassination of suspected ETA activists and Basque refugees. This establishment of unofficial counterterrorist squads by a Spanish Government was a blatant detour from legality. It was also a rare case in Europe where no less than fourteen high-ranking Spanish police officers and senior government officials, including the Minister of Interior himself, were eventually arrested and condemned for counter-terrorism wrongdoings and illiberal practices. Thirty years later, this campaign of intimidation, coercion and targeted killings continues to grip Spain. The GAL affair was not only a serious example of a major departure from accepted liberal democratic constitutional principles of law and order, but also a brutal campaign that postponed by decades the possibility of a political solution for the Basque conflict. *Counter-terror by proxy* uncovers why and how a democratic government in a liberal society turned to a 'dirty war' and went down the route of illegal and extrajudicial killing actions. It offers a fuller examination of the long-term implications of the use of unorthodox counter-terrorist strategies in a liberal democracy.

Dirty War, Clean Hands Paddy Woodworth,2001 The investigations continue and Garzon is still attempting to establish the full extent of the relationship between the former Spanish Government and the GAL's death squads.-- Jacket.

Hand Book of the Eta Chapter of Pennsylvania, Allegheny College Phi Beta Kappa. Eta Chapter of Pennsylvania. Allegheny College,1904

Eta Carinae and the Supernova Impostors Kris Davidson,Roberta M. Humphreys,2012-03-15 In 1965 Fritz Zwicky

proposed a class of supernovae that he called Type V, described as excessively faint at maximum. There were only two members, SN1961v and Eta Carinae. We now know that Eta Carinae was not a true supernova, but if it were observed today in a distant galaxy we would call it a supernova impostor. 170 years ago it experienced a great eruption lasting 20 years, expelling 10 solar masses or more, and survived. Eta Carinae is now acknowledged as the most massive, most luminous star in our region of the Galaxy, and it may be our only example of a very massive star in a pre-supernova state. In this book the editors and contributing authors review its remarkable history, physical state of the star and its ejecta, and its continuing instability. Chapters also include its relation to other massive, unstable stars, the massive star progenitors of supernovae, and the first stars in the Universe.

The Eta Cook Book UNKNOWN. AUTHOR,2015-06-12 Excerpt from The Eta Cook Book: Published by the Boston Alumnae Chapter of Alpha Phi Fraternity The Boston Alumnae Chapter of Eta, of Alpha Phi, takes great pleasure in presenting this little Cook Book to its members and their friends. Each alumna of Eta will certainly prize these recipes, not only for their practical value, but for the pleasant associations which they will recall of college days. It is hoped that the friends outside the fraternity will find the book useful and suggestive. Where several duplicate recipes have been contributed, it has been necessary for the interest of the book to make a choice and discard all but one or two. All others, with a few exceptions, have been published in their original form. The attention of each reader is called to the advertisements. It is hoped that the firms herein represented will receive generous patronage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Eta Products and Theta Series Identities Günter Köhler,2011-01-15 This monograph deals with products of Dedekind's eta function, with Hecke theta series on quadratic number fields, and with Eisenstein series. The author brings to the public the large number of identities that have been discovered over the past 20 years, the majority of which have not been published elsewhere. The book will be of interest to graduate students and scholars in the field of number theory and, in particular, modular forms. It is not an introductory text in this field. Nevertheless, some theoretical background material is presented that is important for understanding the examples in Part II of the book. In Part I relevant definitions and essential theorems -- such as a complete proof of the structure theorems for coprime residue class groups in quadratic number fields that are not easily accessible in the literature -- are provided. Another example is a thorough description of an algorithm for listing all eta products of given weight and level, together with proofs of some results on the bijection between these eta products and lattice simplices.

Homeland Fernando Aramburu,2019-03-26 Miren and Bittori have been best friends all their lives, growing up in the same small town in the north of Spain. With limited interest in politics, the terrorist threat posed by ETA seems to affect them little. When Bittori's husband starts receiving threatening letters from the violent group, however -- demanding money, accusing him of being a police informant -- she turns to her friend for help. But Miren's loyalties are torn: her son Joxe Mari has just been recruited to the group as a terrorist and to denounce them as evil would be to condemn her own flesh and blood. Tensions rise, relationships fracture, and events race towards a violent, tragic conclusion . . . Fernando Aramburu's *Homeland* is a gripping story and devastating exploration of the meaning of family, friendship, what it's like to live in the shadow of terrorism, and how countries and their people can possibly come to terms with their violent pasts.

ETA-Estimated Time of Arrest ,

E. T. A. Hoffmann's Musical Writings E. T. A. Hoffmann,2003 This book offers a long-awaited opportunity to assess the thought and influence of one of the most famous of all writers on music and the musical links with his fiction. Containing the first complete appearance in English of Kreisleriana, it reveals a masterpiece of imaginative writing and whose profound humour and irony can now be fully appreciated.

Women and ETA Carrie Hamilton,2007-07-15 At a time when conflicts in Europe, the Middle East and elsewhere are highlighting women's roles as armed activists and combatants, *Women and ETA* offers the first book-length study of women's participation in Spain's oldest armed movement.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Eta eBooks, including some popular titles.

FAQs About Eta Books

What is a Eta PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Eta PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Eta PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Eta PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Eta PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
