Wind & Wildfire J. D. Evans,2021-12-31 I like it when you shine for me, Sabri Sultan. Someday, I hope you shine for them all. So they see you like I do. He is the future sultan, a man who wields brutal magic and only knows how to be what they've made him. She is a commoner, a woman who champions the vulnerable and treads where she does not belong. Dilay Akar is the daughter of a judge. By day, she trains the wealthy in magic, and by night, she breaks the Sultan's laws. But even those closest to her do not always appreciate what she is striving for, or believe that she can achieve it. Omar Sabri is the Sultan's tool, flaying minds open to obtain their secrets and truths. Everyone who looks at him sees only the prince-or the monster. Even he cannot see the man beneath the power and the position. When Omar secretly enlists Dilay's help in controlling his magic, it sets off a chain of events that will reshape Tamar for generations to come. Dilay will have to choose between the familiar and the powerful. Between people she cares for. And whether to hurt one to help many. The Wheel turns for balance in all things, and where love springs, may also spring hate. Wheel, she was lovely. Someone who knew exactly who they were, and what they wanted, and were moving toward it like an arrow loosed from a bow.

*EVANS'S PEDESTRIOUS TOUR of Four Thousand Miles-1818* Estwick Evans,2003 Evans was a lawyer in New Hampshire who decided, crazily, to walk to Michigan in the dead of winter. His account is strange and highly detailed.

**Wholehearted Faith** Rachel Held Evans,Jeff Chu,2021-11-02 New York Times Bestseller “A touching series of essays in which Evans, with Chu’s invisible pen, explores how one might find a path forward in Christianity beyond conservative evangelicalism” -Eliza Griswold, The New Yorker “Evans died at 37, but

a beautiful new book captures her brave outlook. . . . I could not help but notice the poetry in Evans's prose. . . . What readers will find in these pages was someone deeply human: funny, irreverent, curious, wise, forgiving, nonjudgmental." -Maggie Smith, *The Washington Post* A collection of original writings by Rachel Held Evans, whose reflections on faith and life continue to encourage, challenge, and influence. Rachel Held Evans is widely recognized for her theologically astute, profoundly honest, and beautifully personal books, which have guided, instructed, edified, and shaped Christians as they seek to live out a just and loving faith. At the time of her tragic death in 2019, Rachel was working on a new book about wholeheartedness. With the help of her close friend and author Jeff Chu, that work-in-progress has been woven together with some of her other unpublished writings into a rich collection of essays that ask candid questions about the stories we've been told—and the stories we tell—about our faith, our selves, and our world. This book is for the doubter and the dreamer, the seeker and the sojourner, those who long for a sense of spiritual wholeness as well as those who have been hurt by the Church but can't seem to let go of the story of Jesus. Through theological reflection and personal recollection, Rachel wrestles with God's grace and love, looks unsparingly at what the Church is and does, and explores universal human questions about becoming and belonging. An unforgettable, moving, and intimate book.

**Bill Evans** Peter Pettinger, 2002-01-01 Acclaimed by musicologists and illustrated with dozens of photographs, a detailed, painstakingly researched and finely written biography examines the life and music of the influential, classically trained jazz pianist Bill Evans and includes a full discography of his recordings. UP.

Walker Evans Belinda Rathbone, 2000 Walker Evans's haunting images of Southern sharecroppers in *Let Us Now Praise Famous Men* were as revolutionary in their time as James Agee's text, and are now deeply ingrained in the American consciousness. In the first full biography of this intriguing and enigmatic artist, a leading authority on Evans looks beyond the anonymity of his work to reveal the obsessions behind it.

**Oliver Evans** Greville Bathe, Dorothy Bathe, 1935

**A Good and Happy Child** Justin Evans, 2007-05-22 A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a *Washington Post* best book of 2007. Thirty-year-old

George Davies can't bring himself to hold his newborn son. After months of accepting his lame excuses and strange behavior, his wife has had enough. She demands that he see a therapist, and George, desperate to save his unraveling marriage and redeem himself as a father and husband, reluctantly agrees. As he delves into his childhood memories, he begins to recall things he hasn't thought of in twenty years. Events, people, and strange situations come rushing back. The odd, rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father's death. A boy who appeared one night when George was lonely, then told him secrets he didn't want to know. How no one believed this new friend was real and that he was responsible for the bad things that were happening. Terrified by all that he has forgotten, George struggles to remember what really happened in the months following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child's overactive imagination? Or were his father's colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George's suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself--and his young family. A psychological thriller in the tradition of Donna Tartt's *The Secret History*--with shades of *The Exorcist*--*A Good and Happy Child* leaves you questioning the things you remember and frightened of the things you've forgotten. "Beautifully written and perfectly structured. . . . This novel is much more than *The Omen* for the latte generation, and Evans cleverly subverts expectations at every turn." —Washington Post "[A] satisfying, suspenseful first novel. . . . Young George's intriguing story unbalances the reader right up to the book's deliciously chilling end." —People "A scary, grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*. . . . Combine[s] mind-bending storytelling with excellent prose." —Portland Tribune "Think *Rosemary's Baby*—plus . . . told in the kind of prose that mesmerizes, sweeping the reader along so fast that there's no time to ask questions." —Hartford Courant "[A] dazzling debut . . . part psychological thriller, part horror story." —Chicago Tribune "Relat[es] his otherworldly suspense story with the cool, calm eye of a skeptic." —Entertainment Weekly (A—)

**Dry Bones Dancing** Tony Evans, 2012-02-15 God's Spirit once took the prophet Ezekiel to a vast valley filled with brittle, parched-dry bones—a potent picture of widespread spiritual dryness. But by the Word of God proclaimed through Ezekiel's mouth, those piles of bones took on sinew and flesh and skin, then were infused with life-giving, wind-driven breath from the Spirit of God. A sweeping vista of skeletons was turned instead into a force of fired-up warriors ready to do battle for the Lord. A transformation just as dramatic is what God wants to generate in our individual lives today and in the life of His church. *Dry Bones Dancing* is about escaping religious dryness to move on to true spiritual passion. The results will be an experience of supernatural power and peace in the presence of God as you are invited to go deeper and see God's character and glory as never before. Broken . . . Whole Parched . . . Flourishing Dry Bones . . . Dancing Is the landscape of your spirit all too desert-like? Then it's time for a change. It's time for a miracle. And God is ready to give it to you. Author and speaker Dr. Tony Evans boldly declares the truth: God's people are not meant to dwell in a lifeless valley. But if we are to embrace pure joy and rich passion once again, God requires a humble heart. Evans shows desert-dwellers how to pinpoint what brought them there in the first place—and how to get out. Experience spiritual nourishment and vitality once again. And get ready... ..to dance! **Story Behind the Book** After many years of ministering to Christians burned out by religion and spiritually dry, Tony Evans searched the Scriptures for answers to share with everyone who is seeking to rekindle their passion for God. He found the perfect passage in Ezekiel. Through his study of the story, he bolstered his own spiritual passion, and now he shares it with those

seeking to be rebuilt and reenergized by and for God.

*The Real Life of Mary Ann Evans* Rosemarie Bodenheimer, 1994 Bodenheimer defines the personal paradoxes that helped to shape Eliot's fictional characters and narrative style. Bodenheimer revisits pivotal episodes in Mary Ann Evans's life and career, including the Holy War through which she asserted her youthful religious skepticism; her decision to elope with the married writer George Henry Lewes; and her marriage with John Cross after Lewes's death. Bodenheimer also discusses the rumor campaign that led to the discovery that George Eliot was a woman, and she traces the trajectory of Eliot's impassioned conflict between her ambition and her womanhood.

Unmasked Dreams L. J. Evans, 2021-03-31 He was an undefinable formula. An accelerant lighting me up. Dawson Langley is living three separate lives and hiding secrets from those he loves most. Trying to keep his worlds apart takes every ounce of concentration he has. So, returning to New London and discovering Violet Banner managing the bed and breakfast he calls home isn't just a problem, it's a catastrophe because she's the one person who's always seen right through him. When Violet first met Dawson, he was a broody-bad-boy who branded her heart without ever touching her. Five years later, she thinks she's finally moved on, but one torturous touch proves nothing has changed. Except for the science lab she's built in the garage and the shadows lurking around him. As the clandestine activity surrounding his international boat race, tightens around him, Dawson does everything he can to keep Violet out of harm's way. This means the tantalizing connection that's dangled between them for years will have to remain what it's always been: a dream that won't come true. Everything changes when Violet stumbles upon the truth and turns the storm that's coming in her direction. Only one thing is certain, there's nothing Dawson won't do to keep her safe...even if it means making her his. A daring and decadent romantic suspense from award-winning author, LJ Evans, that whirls the reader around the globe and back. Inspired by Daughtry's *What About Now*, comes a determined scientist and a broody bad-boy-turned-hero who just might leave their mark on you in this adventurous, standalone, slow burn. I wasn't supposed to touch her this way. To have her this way. She wasn't ever supposed to be mine.

**The Beloved Girls** Harriet Evans, 2022-05-10 It's a funny old house. They have this ceremony every summer . . . There's an old chapel, in the grounds of the house. It's half-derelict. The Hunters keep bees in there. Every year, on the same day, the family processes to the chapel. They open the combs, taste the honey. Take it back to the house. Half for them - my father winced, as though he had bitten down on a sore tooth. And half for us. Catherine, a successful barrister, vanishes from a train station on the eve of her anniversary. Is it because she saw a figure - someone she believed long dead? Or was it a shadow cast by her troubled, fractured mind? The answer lies buried in the past. It lies in the events of the hot, seismic summer of 1989, at Vanes - a mysterious West Country manor house - where a young girl, Jane Lestrangle, arrives to stay with the gilded, grand Hunter family, and where a devastating tragedy will unfold. Over the summer, as an ancient family ritual looms closer, Janey falls for each member of the family in turn. She and Kitty, the eldest daughter of the house, will forge a bond that decades later, is still shaping the present . . . 'We need the bees to survive, and they need us to survive. Once you understand that, you understand the history of Vanes, you understand our family.'

Walker Evans Judith Keller, 1995-11-02 Walker Evans is widely recognized as one of the greatest American photographers of the twentieth century, and the J. Paul Getty Museum owns one of the most comprehensive collections of his work, including more of his vintage prints than any other museum in the

world. This lavishly illustrated volume brings together for the first time all of the Museum’s Walker Evans holdings. Included here are familiar images—such as Evans’s photographs of tenant farmers and their families, made in the 1930s and later published in *Let Us Now Praise Famous Men*—and images that are much less familiar—such as the photographs Evans made in the 1940s of the winter quarters of the Ringling Brothers circus, or his very late Polaroids, made in the 1970s. In addition, many previously unpublished Evans photographs, and variant croppings of classic images, appear here for the first time. Author Judith Keller has written a lively, informative text that places these photographs in the larger context of Evans’s life and career and the culture—especially the popular culture—of the time. In so doing, she has produced an indispensable volume for anyone interested in the history of photography or American culture in the twentieth century. Also included is the most comprehensive bibliography on Walker Evans published to date.
