Focus On: 100 Most Popular Television Series by 20th Century Fox Television Wikipedia contributors, [Hero or Villain?](#) Abigail G. Scheg,Tamara Girardi,2017-11-07 One dimensional television characters are a thing of the past--today's popular shows feature intricate storylines and well developed characters. From the brooding Damon Salvatore in The Vampire Diaries to the tough-minded Rick Grimes in The Walking Dead, protagonists are not categorically good, antagonists often have relatable good sides, and heroes may act as antiheroes from one episode to the next. This collection of new essays examines the complex characters in Orange Is the New Black, Homeland, Key & Peele, Oz, Empire, Breaking Bad, House, and Buffy the Vampire Slayer.

Focus On: 100 Most Popular Fox Network Shows Wikipedia contributors, **Encyclopedia of Unaired Television Pilots, 1945-2018** Vincent Terrace,2018-10-09 Covering the years 1945–2018, this alphabetical listing provides details about 2,923 unaired television series pilots, including those that never went into production, and those that became series but with a different cast, such as The Green Hornet, The Middle and Superman. Rarities include proposed shows starring Bela Lugosi, Doris Day, Humphrey Bogart, Barbara Stanwyck, Orson Welles, Claudette Colbert and Mae West, along with such casting curiosities as Mona Freeman, not Gale Storm, as Margie in My Little Margie, and John Larkin as Perry Mason long before Raymond Burr played the role.

Docudrama on European Television Tobias Ebbrecht-Hartmann,Derek Paget,2016-07-12 This book explores docudrama as a creative response to troubled times. With generic characteristics formed via traditions in theatre as well as film, and with claims to fact underscored by investigative journalism, television docudrama examines key events and personalities in unfolding national histories. Post-Fall of the Berlin Wall, docudrama has become a means for nations to work through traumatic experiences both within national borders and Europe-wide. In this regard, it is an important genre for television networks as they attempt to make sense of complex current events. These authors offer a template for further study and point towards ways in which European television cultures, beyond those discussed here, might be considered in the future.

The Hout Family for Two Hundred and Twenty-seven Years, Ten Generations, 1725 to 1952 Margaret Birney Pittis,1952
He Who Kills the Dragon Leif G W Persson,2013-10-10 In this second installment of Persson’s trilogy of police procedurals featuring the small, fat and primitive Evert Bäckström, the grand master’s most appallingly repulsive (and funniest) character is finally given his fifteen minutes of fame by way of his patented combination of laziness, luck, and an unbelievable sense of timing. A seemingly ordinary murder puzzles Bäckström, who is struggling with strict orders from his doctor to lead a healthier life. His gut feeling proves him right: within days, his team has another murder linked to the first on their hands, and reports of alleged ties to a Securicor heist gone out of control, killing two. The nation needs a hero, and the newly appointed head of the Västerort police force Anna Holt needs somebody to kill the dragon for her. Who better to heed to the task than Evert Bäckström: self-sufficient, ostentatious, devoid of moral, Hawaii shirt-clad, and, latterly, armed?

Linda, As in the Linda Murder Leif GW Persson,2016-02-23 The irascible, obdurate, and very thirsty Detective Superintendent Evert Bäckström of the National Murder Squad returns in a new novel from the reigning master of Scandinavian fiction. It’s the dead of summer in the sleepy town of Växjö when twenty-year-old police cadet Linda Wallin is found lying facedown in her mother’s apartment, brutally murdered and raped. With no clear motive or suspect in sight, a series of bureaucratic mix-ups causes the National Crime Unit to send Bäckström and his team into the countryside to solve the case. The ever-irritable Bäckström leaves his beloved goldfish behind, checks into a local hotel, and begins to reconstruct the night of Linda’s murder. But with more than a few bottles in tow, and a constantly growling stomach to look after, things don’t go so well, and Bäckström has to rely on the help of his colleagues to solve the crime—no matter how angry that makes him.

The Bassoon King Rainn Wilson,2016-11-29 From the three-time Emmy nominated actor, climate activist, and author of Soul Boom: Why We Need a Spiritual Revolution—Rainn Wilson’s memoir is about growing up geeky and finally finding his place in comedy, faith, and life. For nine seasons Rainn Wilson played Dwight Schrute, everyone's favorite work nemesis and beet farmer. Viewers of The Office fell in love with the character and grew to love the actor who played him even more. Rainn founded a website and media company, SoulPancake, that eventually became a bestselling book of the same name. He also started a hilarious Twitter feed (sample tweet: “I’m not on Facebook” is the new “I don’t even own a TV”) that now has more than four million followers. Now, he’s ready to tell his own story and explain how he came up with his incredibly unique sense of humor and perspective on life. He explains how he grew up “bone-numbingly nerdy before there was even a modicum of cool attached to the word.” The Bassoon King chronicles his journey from nerd to drama geek (“the highest rung on the vast, pimply ladder of high school losers”), his years of mild debauchery and struggles as a young actor in New York, his many adventures and insights about The Office, and finally, Wilson's achievement of success and satisfaction, both in his career and spiritually, reconnecting with the artistic and creative values of the Bahá’í faith he grew up in.

Beyond Fear Vernell Everett,2010-01-21 On his three-mile walk to church with his large family every Sunday, fifteen-year-old J.D. Banks has plenty of time to ponder about life at a time when blacks have no civil rights in eastern Mississippi. Church is the center of everything, and J.D. strives to live by the moral rules of the Bible. At times, J.D. finds that following the teachings of his preacher and his God are not an easy task. As J.D. comes of age in this rural community, he faces decisions about drinking and women and his place in life. He sees death, and he sees discrimination. He wonders what it would take to make a good life in this county in Mississippi. He wonders how he will overcome his paralyzing fears in his daily encounters with the Jim Crow system in his hometown. J.D. thoroughly understands the danger of getting white people riled up. Providing a social commentary on the times, *Beyond Fear* depicts the struggles of the poor, black people in the south as they attempt to survive both poverty and discrimination.
