The Secret of Gidon Elizabeth Revill,2023-02-15 Two extraordinary children with very special qualities are chosen to save the secret world of Gidon and prevent the destruction of mankind by Sclarvete the Nightwitch. After discovering that Sclarvete has regained her powers, the children find themselves in a perilous adventure fraught with danger as they journey to find the Hall of Whispers in order to renew the enchantment on the Fountain of Ice. Encountering things no human has ever seen, they battle their way through every obstacle, helped on their journey by a fairy goblin, a blue panther and the amazing Giggletwinklesteps. This beautifully illustrated book from Elizabeth Revill will appeal to all children aged between five and nine.

Apocalypse on a Moonless Night Brandon Collins,2017-12-18 Dark and evil forces are working hard in the background to end the days when humanity rules the world. Demons crave to make mankind a meal, dark mages want to destroy the mage-hood that has been hunting them down for years, and ambitious unholy priests seek to supplement the holy god for an evil unholy one. They all get their chance when a rare double lunar eclipse covers the two moons and casts the lands of men into eerie darkness. Unbeknownst to the priests and mages, it also allows for the darkest of magic to be cast. The dark forces attempt to take advantage and cast evil magic that could bring the dead back to aid them. Racing against time and unholy creatures are a lone priest out of his depth, a couple of mages with young apprentices struggling to survive the dark mage attack, and a strange barbaric warrior who has been trying to die but now he has a reason to live. Together they have to try to convince people of the horrors coming their way and end the threat against their world.

Melodramatic Imperial Writing Neil Hultgren,2014-03-01 Melodrama is often seen as a blunt aesthetic tool tainted by its reliance on improbable situations, moral binaries, and overwhelming emotion, features that made it a likely ingredient of British imperial propaganda during the late nineteenth century. Yet, through its impact on many late-Victorian genres outside of the theater, melodrama developed a complicated relationship with British imperial discourse. Melodramatic Imperial Writing positions melodrama as a vital aspect of works that underscored the contradictions and injustices of British imperialism. Beyond proving useful for authors constructing imperialist fantasies or supporting unjust policies, the melodramatic mode enabled writers to upset narratives of British imperial destiny and racial superiority. Neil Hultgren explores a range of texts, from Dickens's writing about the 1857 Sepoy Rebellion to W. E. Henley's imperialist poetry and Olive Schreiner's experimental fiction, in order to trace a new and complex history of British imperialism and the melodramatic mode in late-Victorian writing.

Right Vs. Wrong-- Barbara M. Stilwell,Matthew Galvin,Stephen M. Kopta,2000 Each state is illustrated with examples culled from years of interviews with children and adolescents. The authors give special attention to the way children and adolescents perceive their parents and other adults as nurturing the development of their conscience.--BOOK JACKET.

The Spirit and the Bride Say, Come. Susan Gutknecht,2015-03-02 "Blessed are those who are invited to the wedding supper of the Lamb" (Revelation 19:9). What is the end of the age? What is the wedding supper? Are you prepared? Like us, the apostles asked those very questions. In the Bible, the wedding supper refers to what will happen at the end of the age. Jesus answered by telling the apostles the parable of the ten virgins, a reference to those on earth who know about the end of days. He advised the apostles that only half of those who know the end is coming will be prepared; only half of those who know about the end of days will have enough oil to keep their lamps burning through the long night of waiting. The other half will be at the market looking for oil and will miss the coming of Jesus. That would mean half of the people who know that Jesus is coming back are not prepared for his return. We need to gather oil for our lamps throughout our lives through prayer, through reading the Bible. The Holy Spirit was sent to prepare us for the wedding supper. Does God still perform miracles or speak to His people? At the age of four, I clearly heard the voice of the Holy Spirit say to me, "You can have joy in your life if you walk with me." This is a personal testimony of how the Lord heals the ones He loves, walks with us, and surrounds us with His peace.

Hereditary Physicians of Kerala Indudharan Menon,2018-12-18 This book examines the history and evolution of Ayurveda and other indigenous medical traditions in juxtaposition with their encounter with colonial modernity. Through the lens of hereditary folk and Ayurvedic practitioners, it focuses on Kerala's heterogeneous medical

traditions and presents them against the backdrop of the geographical, historical, sociocultural, ethnographic and regional contexts in which they developed and transformed. The author explores the world of Kerala’s last traditionally trained hereditary practitioners (folk healers, poison therapists, Sanskrit-speaking Muslim Ayurvedic practitioners and the legendary Brahman Ashtavaidyan physicians). He discusses the views of these physicians regarding the marked difference between their personalised ancestral methods of treatment and the standardised version of Ayurveda compliant with biomedicine that is practised by doctors today. Drawing on extensive fieldwork, this book will be useful to researchers and scholars of medical anthropology, health and social medicine, sociology and social anthropology, the history of science and modern Indian history, as well as to medical practitioners interested in alternative and traditional medicine.
