

Executioner

Matthew T. Mangino

War Against the Mafia Don Pendleton, 2014-12-16 The first book in the classic vigilante action series from a “writer who spawned a genre” (The New York Times). Overseas, Mack Bolan was dubbed “Sgt. Mercy” for the compassion he showed the innocent. On the home front, they’re calling him the Executioner for what he’s doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it’s not to reunite with his family, it’s to bury them—victims in a mass murder/suicide. Even though Bolan’s own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero “who would make Jack Reacher think twice,” this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics’ The Punisher, credits the Executioner as “my inspiration . . . that’s what gave me the idea for the lone, slightly psychotic avenger.” The series is also now in development as a major motion picture. *War Against the Mafia* is the 1st book in the Executioner series, but you may enjoy reading the series in any order.

The Master Executioner Loren D. Estleman, 2002-09-16 Hangman Oscar Stone is a master executioner, who prides himself on his careful and exacting work, until a sudden moment of realization and devastating truth forces him to come to terms with himself and his profession.

The Executioner Jay Bennett, 1982-04 Three survivors of an automobile crash, in which the driver was killed, are threatened by an executioner who believes they too should die.

Lord High Executioner Howard Engel, 2016-03-01 A grisly tour of hangings, electrocutions, beheadings—and other state-

sanctioned deaths that are part of the long history of the death penalty. In *Lord High Executioner*, award-winning writer Howard Engel traces the traditions of capital punishment from medieval England and early Canada to the present-day United States. Throughout “civilized” history, executioners employed on behalf of the kingdom, republic, or dictatorship have beheaded, chopped, stabbed, choked, gassed, electrocuted, or beaten criminals to death—and Engel doesn’t shy away from the gritty details of the executioner’s lifestyle, focusing on the paragons, buffoons, and sadists of the dark profession. Packed with all-too-true stories, from hapless hangings to butchered beheadings, this historically accurate look at the executioner’s gruesome work makes for a thoroughly gripping read.

The Executioner's Song Norman Mailer, 1998 Re-creates the crime, trial and events leading to the execution of convicted murderer Gary Gilmore, who requested the death sentence.

The Faithful Executioner Joel F. Harrington, 2013-03-19 Offering an unrivaled view of Europe on the cusp of modernity, this fascinating biography of an ordinary man struggling for his soul documents the life of a 16th-century executioner, who, deemed an official outcast, sought to prove himself worthy of honor and free his children from the stigma of his profession. 20,000 first printing.

The Executioner Series Books 7-9 Don Pendleton, 2018-11-13 “Action adventure icon” Mack Bolan takes his assault on the Mafia to a whole new level—as the million-selling series continues (Los Angeles Times). To avenge his father, former Special Forces sniper Mack Bolan declares a one-man war on the Mafia. Included in this volume are books 7-9 in the long-running series. *Nightmare in New York: The Executioner* is about to make the mean streets of New York a whole lot meaner—when he targets the city’s five families to stop a political assassination. *Chicago Wipeout*: With a single shot, Bolan puts a Chicago mob underboss six feet under—but he’s just getting started as he blows away the bad guys in the windy city. *Vegas Vendetta*: When the

Executioner takes aim at the mob's biggest casino and duels with the deadliest hit men the Mafia has to offer, guess who won't be leaving Las Vegas.

My Experiences as an Executioner James Berry, 2021-06-24
"My Experiences as an Executioner" is a 1892 memoir by English executioner James Berry (1852–1913). Berry was most notable for his contribution to the science of hanging, refining the long drop method developed by William Marwood so as to reduce the mental and physical suffering of those hanged. In this volume, Berry offers insights into the various methods he employed as an executioner and what it was like witnessing people's final moments. Contents include: "The Executioner at Home by H. Snowden Ward", "How I Became an Executioner", "My First Execution", "My Method of Execution", "Other Methods of Execution", "Two Terrible Experiences", "How Murderers Die", "From the Murderer's Point of View", "On Capital Punishment", etc. Read & Co. History is proudly republishing this classic memoir now in a brand new edition complete with the introductory essay "On Anne Green, Her Execution" by John Mainard.

The Executioner's Daughter Laura E. Williams, 2016-07-05
The riveting tale of an executioner's daughter who struggles to find a different path in life Born into the family of an executioner, Lily has always been sheltered by her mother from the horrors of her father's occupation. But when her ailing mother takes a turn for the worse, Lily is suddenly thrust into the paralyzing role of executioner's assistant. Aside from preparing healing concoctions for the suffering and maimed, Lily must now accompany her father at the town executions, something she has never done before. Though she loves her father, the emotional burden of his disturbing profession is just too much for her to bear. Lily must find a way to change her destiny, no matter the consequences. Set in medieval England, this well-researched and beautifully written novel tells the story of one girl's fight to rise above her fate.

The Executioner Series Books 4-6 Don Pendleton, 2018-11-13

Bad news for bad guys: “Action adventure icon” Mack Bolan is back—as the million-selling series continues (Los Angeles Times). To avenge his father, former Special Forces sniper Mack Bolan declares a one-man war on the Mafia. Included in this volume are books 4–6 in the long-running series. Miami Massacre: A Miami summit attended by every mob capo in the country offers the Executioner the perfect opportunity to destroy the Mafia in one fell swoop. Continental Contract: Forced to flee to France, Bolan takes on the thugs of the Paris underworld, foiling the kidnapping of a movie star and rescuing some frisky filles de joie from sex slave traders. Assault on Soho: The Executioner takes his war to the streets of London, where he’s about to turn merry old England into bloody hell.

The Executioner Joseph de Maistre, 2013-12-05 Since their first publication in 1821, de Maistre's dark writings have fascinated and appalled critics, with their relentless hatred of the Enlightenment and view of humans as murderous beasts who can only be controlled by the threat of overwhelming punishment. Terrifying and bizarre, *The Executioner* is a meditation on human evil like no other. Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

The Executioner Series Books 1–3 Don Pendleton, 2016-10-25 Introducing “action adventure icon” Mack Bolan as he wages a one-man war against the Mafia—in the first three books of the million-selling series (Los Angeles Times). In the jungles of Southeast Asia, no sniper was more ruthless than Mack Bolan. After twelve years in-country, with ninety-five confirmed kills, the Special Forces sergeant returns to the United States only to find that his father has gone berserk, slaughtering his family before

taking his own life. But Bolan knows his old man was no killer: He was under pressure from a gang of Mafia thugs who were after his money—and willing to destroy his life to get it. For the sake of his father, Bolan declares war on the men who drove him mad . . . Now in one volume, these are the first three action-packed novels in the long-running series that has sold more than 200 million copies. If you're a fan of Rambo, James Bond, or Jack Reacher, it's time to meet the one and only Mack Bolan—an elite operative with a haunted past pitted against legions of mobsters no one else can take down.

The Executioner's Journal Joel F. Harrington, 2016-09-02

During a career lasting nearly half a century, Meister Frantz Schmidt (1554-1634) personally put to death 392 individuals and tortured, flogged, or disfigured hundreds more. The remarkable number of victims, as well as the officially sanctioned context in which they suffered at Schmidt's hands, was the story of Joel Harrington's much-discussed book *The Faithful Executioner*. The foundation of that celebrated work was Schmidt's own journal—notable not only for the shocking story it told but, in an age when people rarely kept diaries, for its mere existence. Available now in Harrington's new translation, this fascinating document provides the modern reader with a rare firsthand perspective on the thoughts and experiences of an executioner who routinely carried out acts of state brutality yet remained a revered member of the local community, widely respected for his piety, steadfastness, and popular healing. Based on a long-lost manuscript thought to be the most faithful to the original journal, this modern English translation is fully annotated and includes an introduction providing historical context as well as a biographical portrait of Schmidt himself. The executioner appears to us not as the frightening brute we might expect but as a surprisingly thoughtful, complex person with a unique voice, and in these pages his world emerges as vivid and unforgettable. *Studies in Early Modern German History*

Conversations with an Executioner Kazimierz Moczarski, 1981 Relying largely on Stroop's own words ... Moczarski recreates the chain of events which caused a nondescript German youth, the son of a provincial policeman, to rise to the top of the Nazi hierarchy; become part of the inner circle of Hitler, Himmler, and Göring; wield ... power in Czechoslovakia, Soviet Russia, and Greece; and mastermind Warsaw's Final solution--Jacket.

The Executioners Bible Steve Fielding, 2008-11-12 The Executioner's Bible tells the story of these working-class men who carried out this gruesome profession until its abolition in the late 1960's. Despite often being unassuming and quiet professionals, men like Albert Pierrepoint, William Billington and many other Chief and Assistant executioners made a name for themselves in a world hungry for salacious and gruesome news. Read about the bungling hangmen sacked for incompetence; drunken executioners dismissed for brawling; one hangman driven to suicide and another who 'got out just in time', to the last men to pull the lever at the height of the swinging sixties. They were the last of their kind: the hangmen of the 20th Century. And this is their fascinating sometimes repugnant, always enthralling story. The secrets of over six controversial decades of capital punishment are finally revealed.

The Executioner Waits Josephine Herbst, 1977 Set against the background of the radicalism of the 1920s, this novel chronicles the lives, fortunes, ideals, and ambitions of Joseph Trexler's nieces, Victoria and Rosamund.

The Executioner's Toll, 2010 Matthew T. Mangino, 2014-04-11 The Executioner's Toll, 2010 is a meticulous examination of every execution (and the details surrounding the execution) carried out in a single year—and a thought-provoking exploration into the minds of 46 killers as each plays the role of predator, quarry and condemned. The unsettling narratives begin with a murder on May 26, 1993, and end with an execution on December 16, 2010. The book chronicles 63 murders, 44 trials,

countless appeals, two suicide attempts, 41 last meals, 33 final statements and 46 executions. *The Executioner's Toll*, 2010 could have covered any year in the modern era of the death penalty, but had to cover one complete year, in order to provide a true picture of the death penalty, executions and the anguish of victims. This book presents the compelling stories, accounts often neglected in the mainstream media. Every person facing the executioner has a story, every killing is as unique as it is devastating.

I Am An Executioner Rajesh Parameswaran, 2012-04-10 An explosive, funny, wildly original fiction debut: nine stories about the power of love and the love of power, two urgent human desires that inevitably, and sometimes calamitously, intertwine. In *I Am an Executioner*, Rajesh Parameswaran introduces us to a cast of heroes—and antiheroes—who spring from his riotous, singular imagination. From the lovesick tiger who narrates the unforgettable opener, “The Infamous Bengal Ming” (he mauls his zookeeper out of affection), to the ex-CompUSA employee who masquerades as a doctor; from a railroad manager in a turn-of-the-century Indian village, to an elephant writing her autobiography; from a woman whose Thanksgiving preparations put her husband to eternal rest, to the newlywed executioner of the title, these characters inhabit a marvelous region between desire and death, playfulness and violence. At once glittering and savage, daring and elegant, here are wholly unforgettable tales where reality loops in Borgesian twists and shines with cinematic exuberance, by an author who promises to dazzle the universe of American fiction. This ebook edition includes a Reading Group Guide.

The Executioner Don Pendleton, 1997-07

The Last Executioner Chavoret Jaruboon, 2015-01-08 Chavoret Jaruboon was personally responsible for executing 55 prison inmates in Thailand's infamous prisons. As a boy, he wanted to be a teacher like his father, but his life changed when he chose one of the hardest jobs in the world. Honest and often disturbing – but

told with surprising humour and emotion – The Last Executioner is the remarkable story of a man who chose death as his vocation. The Last Executioner is not for the faint hearted. It takes you right behind the bars of the infamous ‘Bangkok Hilton’ and into the shadows of its grim death chambers.

Getting the books **Executioner** now is not type of challenging means. You could not lonesome going with book store or library or borrowing from your associates to approach them. platforms that offer these resources.

One of the significant advantages of Executioner books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Executioner versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Executioner books

and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting

Executioner Introduction

In today's digital age, the availability of Executioner books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Executioner books and manuals for download, along with some popular

regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Executioner books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the

public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Executioner books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America,

which provides a vast collection of digitized books and historical documents. In conclusion, Executioner books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational,

professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Executioner books and manuals for download and embark on your journey of knowledge?
