These kids don't realize that they are in a depression, because almost everybody they know is in the same situation except for a few people who have money. Quite a lot of the book is devoted to their school experience with outstanding and devoted teachers, and T.Y.S. (Twelve Year Syndrome) begins to affect them. These kids mostly have a happy time, but are awakened to grief with the loss of a good friend. The end of the story has these same kids going down the same road a year later. They have learned a lot in one year, and they are saddened when Billy Goat is not there anymore. They had found out that he was a friend.
