**William R. Dolbier, Jr.**

**North American F-107A** William J. Simone, 2002 North American's oft-forgotten F-107A remains perhaps the most enigmatic of the famous early Century Series fighters. The enigma stems from the fact that it was an outstanding and extraordinarily effective war-plane and was, perhaps, the best airplane in the world for its particular job at the time of its late 1956 first flight; mysteriously, it was never to go into production, even in light of its superior capabilities. The F-107A scored several firsts. Among them were a truly unique flight control system, an advanced inlet system, and the incorporation of a semi-submerged store. It was also the last of a long line of North American fighters to be built.

**The Big Book of X-Bombers & X-Fighters** Steve Pace, 2016-03-15 They're all here--every X-bomber and X-fighter since 1942. On October 2, 1942, the Bell XP-59 Airacomet soared up and away from present-day Edwards AFB, launching the US Army Air Forces into the Jet Age. In the several decades since, hundreds of new variations of experimental and test turbojet-powered bombers and fighters--X-bombers and X-fighters--have taken explosive flight. These aircraft blazed a trail leading to today's B-2 Stealth Bomber and F-35 Joint Strike Fighter. The Big Book of X-Bombers & X-Fighters showcases all of the USAF jet-powered X-bombers and X-fighters that have flown since 1942--more than 90 in all, including the alphabet soup of their variants. From experimental to prototype service bombers and fighters--from the XB-43 to the B-2A and the XP-59A to the F-35A--they're all here, with

their inside stories revealed. Some of these aircraft were further developed. Others were canceled. All stretched the performance and design envelopes. More than 250 photos illustrate all of these experimental aircrafts' cutting-edge features and zeroes in on histories of their design, flight testing, and weapons testing. Specification tables detailing performance, design, and armaments help round out this compendium of information on truly groundbreaking aviation designs. X-bombers and X-fighters in *The Big Book of X-Bombers & X-Fighters* include: Bell P-59 Airacomet Republic P/F-84 Thunderjet Douglas B-43 Jetmaster North American B-45 Tornado Boeing B-47 Stratojet Curtiss P/F-87 Blackhawk McDonnell P/F-85 Goblin Convair P/F-92 Dart Northrop F-17 Cobra Boeing B-1 Lancer And all the rest! Specifications included for each aircraft include: Length Height Wingspan Empty weight Gross weight Maximum range Ceiling Maximum speed Armament In addition, veteran aviation author Steve Pace shows readers some of the designs that could have been and offers a peek into what might be lurking in the future, making this the definitive guide to USAF jet-powered experimental aircraft!

Conflict and Agreement in the Church, Volume 2 T.F. Torrance, 2024-01-01 T.F. Torrance's *Conflict and Agreement in the Church* gathers together his most influential essays and articles on topics relating to ecumenism. Himself involved heavily in the ecumenical movement, he wrote that 'ours must be the task of learning together again how to confess, like the early Church, faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth, and therefore in the overflowing love of God.' Out of this conviction grew a comprehensive doctrine of the Church 'in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men.' In this second volume, Torrance's thought on inter-denominational cooperation in light of the Church's mission is presented. He begins by suggesting that 'the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions'. This opens the door for greater union between those communion, but also exposes significant challenges to unity within them. Addressing the major debates on the sacraments of baptism and the Eucharist, along with the priesthood and biblical exegesis, Torrance proposes a constructive way forward sealed by 'reconciliation in the Body and Blood of Christ'.
