Sandra Myles, Tsukiko Kurebayashi

Falco: Dark Guardian Sandra Marton, 2010-11-01 Revered businessman Falco Orsini has left life in the special forces behind—though he uses his powerful skills occasionally, when duty calls. But duty is always on Falco's terms! When his estranged father asks him to protect a young model who is being stalked, he begrudgingly agrees...only because of the vulnerability he can see in her eyes. Elle Bissette won't be a victim—she can take care of herself! And surely big, dark, devilish Falco is dangerous. Because one kiss from a man like him will leave her breathless....

Falco: The Official Companion Lindsey Davis, 2011-01-18 One of the stories from the bestselling historical fiction Falco series. As the girl came running up the steps, I decided she was wearing far too many clothes...So, in 1989, readers were introduced to Marcus Didius Falco, the Roman informer, as he stood on the steps of the Temple of Saturn, looking out across the Forum: the heart of his world. Twenty years and twenty books later, Falco fans want a companion volume. Only here will you learn the author's private background, including her descent from a failed assassin and how atheism improved her knitting. Here too are the real glories and heartache involved in research and creation: why the baby had to be born in Barcelona, which plots evolved from intense loathing of management trainees, what part a thermal vest played in the iconic Falco's conception. It can't be a complete handbook to ancient Rome, but it covers perennial issues. There are a hundred illustrations, some specially commissioned, others from family archives. Enlightening quotations come from the Falco books and from eminent sources: Juvenal, through Chandler, to 1066 and All That. Readers have asked for this book. Their paranoid, secretive author agrees it is now or never. Time to spill beans on the travertine...

Ed Falco Sampler Ed Falco, 2012-04-04 Recently, Grand Central Publishing announced plans for a prequel to Mario Puzo's *The Godfather*, to be written by our very own Ed Falco - of whom the

New York Times Book Review noted, There is in Mr. Falco's fiction a little of Raymond Carver's sensitivity to the menace of the everyday, and a lot of Andre Dubus's sturdy empathy with his characters' failings and regrets. The Family Corleone will hit bookstores everywhere in May - but you don't need to wait that long to read Falco and discover why he is such an obviously perfect choice for the Corleone family. You can read excerpts now from the compelling, vivid, intense, and brilliant books of master storyteller, Ed Falco. This sampler includes excerpts from: SAINT JOHN OF THE FIVE BOROUGHES - a beautifully turned, stunning and layered novel about the effects of violence, abandonment, and the nature of redemption. Edward Falco once again proves to be a master of urgency and suspense, of events careening out of control, as he brilliantly explores why we make the choices we make - both the ones that threaten to destroy our lives, and those choices that might save us. WOLF POINT - a taut, dramatic literary thriller that examines betrayal, trust and forgiveness. Driven as much by its sizzling story as by its razor-sharp prose, Wolf Point delivers the powerful tale of a man who realizes, perhaps too late, that he actually has something to live for. Edward Falco brings stunning emotional depth and tense action to unforgettable characters as they journey toward places where human illusions fail and they must face their hidden selves. SABBATH NIGHT IN THE CHURCH OF THE PIRANHA - for some years now, Ed Falco has quietly established his place among the absolute best American storytellers. Falco's stories are dangerous as a high-wire act without a net, filled with dramatic action and peopled with believable characters challenged by events into making risky moral choices, so emotionally true that the readers will carry them around for a long time. The decisions Falco's characters make reveal their bonds, the set of their hearts, and the harsh nature of the world we all live in today.

Falco and Beyond Ewa Mazierska, 2013 Falco and Beyond is devoted to the most popular Austrian song-writer, singer and

rapper of the twentieth century and one of the most successful European singers of all time. Falco was born in 1957, reached the peak of his popularity in the 1980s with songs such as *Der Kommissar*, *Rock Me Amadeus* and *Jeanny*, with mixed luck attempted to revive his career in the 1990s and died in a car crash in 1998. He sold over 30 million records worldwide and remains a successful posthumous artist. The book attempts to identify the most salient and contradictory features of Falco's art, such as linguistic inventiveness and dexterity, rapping and adopting a posture of a romantic artist. It argues that Falco's songs betray an apocalyptic imagination, picturing the image of an exhausted and unhappy world. It looks at Falco's career and his phenomenon in the context of international and Austrian music business and politics, and investigates how his popularity has been maintained after his death, by means such as records released posthumously, cover versions of his songs, mashup songs and videos, biographies and Falco fandom.

Time to Depart Lindsey Davis, 2015-06-30 Petronius Longus, captain of the Aventine watch and Falco's oldest friend, has finally nailed one of Rome's top criminals. Under Roman law, citizens are not imprisoned but are allowed time to depart into exile outside the Empire. One dark and gloomy dawn, Petro and Falco put the evil Balbinus aboard a ship. But soon after, an outbreak of robbery and murder suggests a new criminal ring has moved into Balbinus's territory. Petro and Falco must descend into the underworld of Vespasian's Rome to investigate.

The Final Curtain Falco,1999

Falco Daryl Periman,2012-01-30 We humans fantasize about the ability to break the laws of physics, yet there are creatures in the real world that appear to do just that! The peregrine falcon is one such creature; displaying power dives that seem to defy Newtons laws of motion. The story of FALCO is like light. Light sometimes behaves like a wave, and sometimes behaves like a particle, but is neither. FALCO is sometimes a story about a falcon, but its also a story about people, the environment, our fears, and about how good and evil are sometimes not clearly defined. What if you could get inside the mind of a young peregrine, one that, like most teenagers, stands at the brink of self-identity? An animal loaded with killer instinct, but yet insecure due to the fact that she did not grow up in the wild. When faced with the freedom she inwardly longed for, she finds the wilderness charm to be packaged with complexity, terror, and friendship. Blurr is the falcon that will face the ultimate hunter of another world, and may be the only one to save our own. FALCO reads as if it were a movie. I think that my science background, my years of working with teens, and skillful science fiction stories like X-Files, Jurassic Park, and Independence Day influenced me greatly for this book. Im sure those stories, and more, helped boost my hybridization of this adventure with its host of flawed, but mostly well-intentioned, characters. Be on the look-out for FALCO II, coming in the fall of 2015!!

Falco on His Metal Lindsey Davis,1999 One of the stories from the bestselling historical fiction Falco series. Venus In Copper: In the heyday of the Roman Empire, a small accounting error has left Falco sharing a cell with a large rat. But when he is sprung from jail, he accepts a commission to help a family of freed slaves fend off a professional bride. The Iron Hand of Mars: AD 71: Titus Caesar is in pursuit of Falco's girlfriend Helena. Meanwhile, Falco is occupied on an undercover mission to Roman Germany to find the

absconding commander of a legion whose loyalty is suspect. With murdered corpses along the way and an inadequate bunch of recruits for allies, the challenge increases for Falco to tame the Celtic hordes. Poseidon's Gold: Seeking the truth behind scandalous rumours about his dead brother, Festus, Falco suddenly finds himself a suspect when his brother's worst detractor is murdered.

Toughs Ed Falco, 2014-08-12 Set during the Great Depression and based in part on real characters and a series of historical events, Toughs follows the story of Loretto Jones as he finds his life intertwined with the fate of Vince Coll, a 23-year-old Irish gangster who for a brief moment rose to the level of a national celebrity during his war with Dutch Schultz, Owen Madden, and Lucky Luciano. Tagged “Mad Dog Coll” after killing five-year-old Michael Vengelli in a botched assassination attempt, Coll was the subject of a shoot-to-kill order issued by New York City Police Commissioner Edward P. Mulrooney, a \$50,000 bounty offered by Dutch Shultz and Owen Madden, and \$30,000 in reward money from by the Patrolmen’s Benevolent Association and the city’s newspapers. Loretto and Vince are bound to each other by years spent in an orphanage and on the streets, but in the summer of 1931, with Loretto in love with newly-divorced Gina Baronti, and Vince in thrall to the beautiful Lottie Kriesberger, their world of tough guys in tough times is hurtling toward disaster, and Loretto finds himself faced with impossible choices.

The Marcus Didius Falco Series, Books 1-3 Lindsey Davis,2015-06-09 Discover Lindsey Davis's beloved, long-running series featuring private informer Marcus Didius Falco, set in first-century CE Rome. The Silver Pigs: Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice, encounters the young and very pretty Sosia Camillina in the Forum. Immediately he senses that something is amiss. When she confesses that she is fleeing for her life, Falco offers to help her and, in doing so, he gets himself mixed up in a deadly plot involving stolen ingots, dangerous and dark political machinations, and, most hazardous of all, one Helena Justina, a brash, indomitable senator's daughter who is connected to the very traitors that Falco has sworn to expose. Shadows in Bronze: It's the first century CE in Rome and

informer and occasional imperial agent Marcus Didius Falco is miserable. The high-born woman he fell in love with, Helena Justina, has broken off their stormy, impossible affair. So when Emperor Vespasian assigns Falco a task that will take him out of Rome, he can't wait. Disguised as vacationer in the company of his comrade Petronius Longus, captain of the Aventine Watch, Falco travels south to Neapolis, Capreae and Pompeii where he discovers a conspiracy involving the Egyptian grain shipment to Rome. He also stumbles across Helena Justina, conveniently also on a trip out of town, who might, unwittingly, be enmeshed in this dangerous, treasonous scheme. *Venus in Copper*: A small accounting error has left Falco briefly sharing a cell with a large rat in the notorious Lautumiae prison. Being bailed out by his mother is bad enough, and things go from bad to worse when a group of nouveau riche ex-slaves hire him to outwit a fortune-hunting redhead. This woman's husbands have a habit of dying accidentally. And, all the while, Falco tries to convince Helena Justina to live with him, a dangerous proposition, given the notorious instability of Roman real estate. In a case of murder as complicated as he ever faced, this classic tale shows Falco at his very finest.

The Silver Pigs Lindsey Davis, 2006-10-03 *The Silver Pigs* is Lindsey Davis' classic novel, which introduced readers around the world to Marcus Didius Falco, a private informer with a knack for trouble, a tendency for bad luck, and a frequently inconvenient drive for justice. When Marcus Didius Falco, a Roman informer who has a nose for trouble that's sharper than most, encounters Sosia Camillina in the Forum, he senses immediately all is not right with the pretty girl. She confesses to him that she is fleeing for her life, and Falco makes the rash decision to rescue her—a decision he will come to regret. For Sosia bears a heavy burden: as heavy as a pile of stolen Imperial ingots, in fact. Matters just get more complicated when Falco meets Helena Justina, a Senator's daughter who is connected to the very same traitors he has sworn

to expose. Soon Falco finds himself swept from the perilous back alleys of Ancient Rome to the silver mines of distant Britain—and up against a cabal of traitors with blood on their hands and no compunction whatsoever to do away with a snooping plebe like Falco....

I AM Howard Falco, 2010-09-02 I AM is a fascinating, in-depth and eye-opening look at the very essence of how each of our lives are created in every moment. - Hale Dwoskin, author of the New York Times bestseller, The Sedona Method and featured teacher in The Secret For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: Who am I? In late 2002, in the middle of an ordinary life, Falco—a thirty- five-year-old investment manager with a wife and two children—sought the answer to this powerful question and remarkably this quest resulted in a sudden and all-encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book. I AM takes readers on a life-changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness, and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: I AM.

Black Bear's Book Joseph T. Falco, 2022-11-21 *Black Bear's Book* By: Joseph T. Falco Native American lore captured the heart and mind of Joseph Taylor Falco at a very early age. One could always find him in the forest looking for Native American relics or the edge of a lake or stream looking for trout. He also has a close connection to the ocean, where he spent many hours with his father on the fifty-foot Hatteras fishing boat *The Beagle* searching for the big one, fishing for tuna and marlin. Having majored in history at Holy Cross University, he developed an uncanny ability to sort through some of the mysteries that swirl around the famous shaman of North America and their way of life. Through his writings, the reader is able to more fully understand the process that made this book possible. His love of the natural world and his unique spiritual connection to it is revealed throughout. Afterwards, readers will leave with a feeling that they have stepped back in time and glimpsed the true Native American way of life. A genius by modern-day standards, Falco's mind goes beyond the realm of present reality and into a dimension that only he can see and feel. That dramatic backstory, combined with the inspirational aspect of his writing, will provide hours of reading pleasure that goes well beyond the literary realm. It is his hope that the stories, poems, and pictures in this book will, in some small way, help those of us who cannot see into this dimension better understand the Native People of this great country.
