These realistically rendered images will make you want to Live, Laugh, Farm — and of course, color! Pages are perforated and printed on one side only for easy removal and display. More Scenes from the Rural Life Verlyn Klinkenborg,2013-07-02 Verlyn Klinkenborg's regular column, The Rural Life, is one of the most read and beloved in the New York Times. Since 1997, he has written eloquently on every aspect, large and small, of life on his upstate New York farm, including his animals, the weather and landscape, and the trials and rewards of physical labor, as well as broader issues about agriculture and land use behind farming today. Klinkenborg's pieces are admired as much for their poetic writing as for their insight: peonies are the sheepdog of flowers, dry snow tumbles off the angled end of the plow-blade as if each crystal were completely independent, almost charged with static electricity, and land is most valuable for its silence,its freedom from language.

Creative Haven Country Charm Coloring Book Teresa Goodridge,2018-03-21 From antique shop windows and farm stand displays to rustic table settings, lovingly tended gardens, and covered bridges, these 31 richly detailed illustrations celebrate the timeless charm of rural life.
