Tilting the Balance (Worldwar, Book Two) Harry Turtledove,1995-12-30 While Stalin, Churchill, Roosevelt, and Togo worked out their strategy, the war against an even greater enemy continued . . . They cut the United States in two. They devastated much of Europe. They had a ferocious agenda. And no one could stop them. World War II screeched to a halt as the Russians, Germans, Americans, and Japanese scrambled to meet an even deadlier foe. In Warsaw, Jews welcomed the invaders as liberators, only to be cruelly disillusioned. In China, the Communist guerrillas used every trick they knew. In America, Washington, D.C., was vaporized in a matter of seconds. But humanity would not give up—whether delivering supplies in tiny biplanes to partisans across the vast steppes of Russia, working furiously to understand the enemy's captured radar in England, or battling house to house on the streets of Chicago. . . . As Turtledove's global saga of alternate history continues, humanity grows more resourceful, even as the menace worsens. No one could say when the hellish inferno of death would stop being a war of conquest and turn into a war of survival—a war for the survival of the planet.

Into the Looking Glass John Ringo, 2005-06-01 WORST TWO OUT OF THREE When a 60 kiloton nuclear explosion destroys the University of Central Florida, terrorism is the first suspect. But terrorists don't generally leave doorways to another world in their wake. Or, rather, a generator of doorways to multiple other worlds. With time of the essence, the Secretary of Defense scrounges up the nearest physicist with a high level security clearance. With doctorates in everything from nuclear physics to electrical engineering, William Weaver, PhD, is the egghead's egghead. On the other hand, with skills in everything from mountain biking to screaming electric guitar, he's also fast enough and tough enough to survive when the alien gates start disgorging demons. As a snap decision, he appears to be the perfect choice, smart, tough and capable. Now if he could only patch things up with his girlfriend, get his boss off his back and get his cellphone bill paid. Oh, yeah, and figure out why the heck these gates keep opening. Okay, so sometimes he's got priority issues. As the gates spread and evil aliens spread with them, it is up to Weaver and SEAL Command Master Chief Miller to find a way to stop the proliferation and close the hostile gates. The problem being that the only way they can see to save the earth is destroy it. Then there's not going to be any more girlfriends or cellphones or bosses . . . Hmmmm... Okay, two out of three of those are bad. They're really, really bad. Bad on toast. Bad like the Pacific is watery. Every day a Monday, bad. One and a half at the very least. Worst two out of three. Gotta prioritize. Guess Weaver and Miller are just gonna have to save the world. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Kamandi, the Last Boy on Earth Jack Kirby, Gerry Conway, 2012 Continues the adventures of Kamandi as he makes his way across the wastelands of Earth, where man has turned savage and animals are the masters.

Android at Arms Andre Norton, 2015-12-01 When Andas Kastor awakens in an alien land, he must figure out if he's the true emperor of his home world or an evil double In a stark, arid wasteland, a man awakens from a frozen state. As he stares out his narrow slit of a window, he has no memory of how he got there—or why. All he knows is his name: Andas Kastor, Imperial Prince of Inyanga. But instead of the luxurious trappings of his royal palace, he's in a hellish, storm-lashed place punctuated by howling winds and shattering streaks of lightning. And he's not alone. In this uninhabited world, he meets five other survivors, also of noble birth. They include the scaled, emerald-haired Elys of Posedonia and clawed, fanged Lord Yolyos of Sargol. They all speak the same Basic language, as befits those from neighboring spheres. Were they abducted, spirited to this alien planet, and held in mind-lock while evil doppelgangers ruled in their places? After a daring escape, Andas returns to Inyanga—only to discover that decades have passed and another sits on his throne. Now, hunted across barriers of time, Andas must fight external and internal enemies to save his civilization and uncover the truth about his identity.

Year of Intelligent Tigers Jonathan Blum, Kate Orman, 2001 An Eight Doctor novel. The Doctor has been staying on the planet Hitchemus for the last few months. This planet has two distinctive features - humans have a reputation for composing and playing a wide range of music while its tiger population is showing signs of intelligence.

Breed to Come Andre Norton, 1983-03-01 The animals thrive after men flee the polluted planet and leave behind an epidemic virus born of experimentation. After several generations, space ships bring back men of the exiled race, both animals and men face decisions as to their loyalties.

Urn Burial Robert Westall, 2023-01-17 Life is simple where Ralph lives, up in the Pennines. It's peaceful. Ordinary. Until one day, when out with the sheep, he finds something strange, too strange to be from Earth. The alien grave holds secrets of the past, but also draws Ralph into the middle of an epic war between two alien races, taking place among the stars above his head. Has he thrown his planet into a battle it can't possibly fight? This war has raged for centuries, but perhaps Ralph could hold the key to ending it once and for all.

Wiz IV Shante F. Green, 2018-11-30 Shiloh fell in love with being queen before she fell in love with King Levi himself. Then, as his responsibilities

fell to her, she quickly became disenchanted. Queenship didn't measure up to her expectations. She stayed though, in hopes things would turn around. This royal couple from O.Z.'s T5 territory is only a part of the problem in this fourth installment of the W.I.Z series. Then there's King Kai'ron and Queen Leigha, who love their princess, Ahndu. Yet it is their child who ultimately pays the price for her parents' choices. Here on Optimum Zoe, relationships are broken, and new ones formed as an unexpected hero and heroine battle against the evil that threatens to destroy all that is good in their world. Shiloh's Song is more than good fiction or a love story; it's a lesson in Christian relationship wisdom, God's love, and His ability to heal broken hearts. Author Shante F Green does not disappoint her readers in this fourth W.I.Z. installment. She has crafted a delightful allegory, along with a Part II where she reveals the deeper meaning of Shiloh's Song. Readers will reflect deeply and prayerfully on this powerful story-and on each story in the W.I.Z series.
